

NATIONAL NIGHT OUT

AUGUST 2, 2011

The 28th Annual *National Night Out* Against Crime (NNO) is a community-wide crime prevention program sponsored locally by the Riverside Police Department and our local businesses. NNO is sponsored nationally by the National Association of Town Watch (NATW) and TARGET. NNO is an annual event held throughout the United States to promote cooperation between the police and the community.

The Riverside Police Department invites you and your neighbors to be part of National Night Out this year. NNO events are designed to heighten crime and drug prevention awareness, generate support for and participation in local anti-crime programs, strengthen neighborhood spirit and police community partnerships, and send a message to criminals letting them know that Riverside neighborhoods are organized and fighting back. Neighborhood social events are held throughout the City from 6:00-9:00 P.M. Police personnel will be out in force and will be stopping by events that are registered with the department.

How Can Your Neighborhood Participate?

Your neighborhood can host a block party, ice cream social, potluck dinner, neighborhood walk, neighborhood baseball- soccer- basketball game, neighborhood clean-up, or any other event that best represents your neighborhood. Registration forms are available on-line at www.rpdonline.org.

How Will Your Neighborhood Benefit?

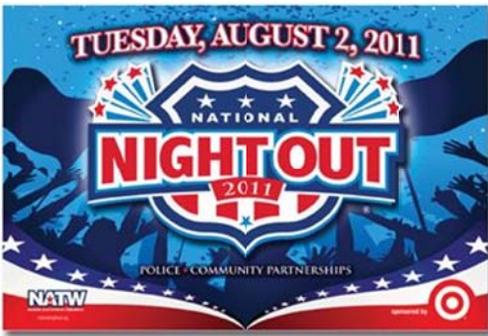

Your event will help strengthen neighborhood spirit, police-community partnerships, and will send a message to criminals that you have taken control of your neighborhood and they are being watched.

If your neighborhood group or business organization would like to be involved, please contact the Police Service Representative for your area.
