Riverside Police Host Free Car Seat Clinic in Riverside

“Spring into Car Seat Safety”

Riverside, California – Do you know that most people think they're using the right car seat for their kids or that it's installed properly... but are they? 4 out of 5 car seats are installed improperly, to respond to this problem, the Riverside Police Department along with Sam's Club is hosting a Free Child Passenger Safety Clinic on Tuesday, May 1, 2012.

Certified Technicians from Riverside County Injury Prevention Services and Riverside Police Department will be on hand to check child restraints for proper usage, proper fit for the child, and any recalls. Parents will be asked to assist with the installation of their children's restraints to insure that they will be able to secure the child properly every time they ride. To make an appointment contact PSR DeFries at ndefries@riversideca.gov or (951) 826-5674.
