Wienerschnitzel to Host a Blood Drive

Riverside, CA – Thursday, June 7, 2012, Wienerschnitzel will be hosting a Blood Drive & Marrow Screening to replenish and help raise awareness of Southern California's shrinking blood supply. The event is a collaboration between John Perez—the new owner of Wienerschnitzel, Riverside Police Department, K-Frog radio station, and LifeStream, formerly known as the Blood Bank of San Bernardino and Riverside Counties.

One unit of blood can save three lives. Blood transfusions are often necessary for trauma victims (due to accidents and burns), newborns and premature babies, patients receiving heart surgery or organ transplants, or treatment for cancer, leukemia or other diseases. All blood donations go to Southern California hospitals.

Look for the LifeStream Bloodmobile.
