### **Riverside Sams Club Donates to Riverside Police Foundation Youth Programs**

**Riverside, CA** – The Riverside Police Foundation was formed in 2011 by Chief Sergio G. Diaz, established to create a mechanism to increase the financial support to youth prevention and intervention programs. These programs include OWE, Youth Court, Riverside Police Activities League, El Protector Soccer Clinic and many other events open to youth in the community throughout the year.

These programs are funded by grants and donations made to the Foundation. Recognizing the great need for these programs and the benefits they provide the youth of the City of Riverside, Riverside Sam's Club has donated \$5,000.00. This money will go to fund activities, diversion and intervention programs for youth throughout the city.

Janelle Fisher-Rohrbac, the manager at Sams Club who identified the need for youth programs in the city, has worked closely with the Foundation. Miss Fisher-Rohrbach said, "These are the kinds of programs Sams Club wants to be involved in. Helping youth was a primary reason the store giving program was established. We are very excited in joining the Police Foundation in providing services to the kids in the city we serve."

Assistant Chief Chris Vicino said, "This is a very generous donation. It will help fulfill the vision set by Chief Diaz and the Riverside Police Foundation to help provide greater service to youth."

On Friday, October 19, 2012 at 10:00am the staff at Sams Club will be presenting a check in the amount of \$5,000.00 at their facility located at 6363 Valley Springs Parkway. Accepting the check on behalf of the Riverside Police Foundation will be Assistant Chief Vicino. Anyone with any questions should contact Officer Bryan Galbreath at 951.862-5573.
