### Intruder Targeting Elderly Women in Riverside

Riverside, CA -- On Thursday morning, January 10, 2013, at approximately 9:10 AM, Riverside Police Officers responded to a Senior Living Community in the 8500 block of Magnolia Avenue. A female was reporting that an intruder had been in her apartment and fled as she initiated the call to police. Witnesses at the location provided a description of the suspect, which was quickly broadcast to area officers. A search of the area was conducted, however he was not located.

Because of the suspect's actions during this incident, Sexual Assault Investigators and a Forensic Technician responded and collected evidence that was believed to have been left behind by the suspect.

Detectives are investigating two separate incidents from last week which occurred in a residential neighborhood near La Sierra Avenue and the 91-Freeway. The suspect's actions during these incidents are similar to those reported by the victim in today's incident at the Senior Living Community. Investigators believe all these incidents may be related.

The suspect is described as a dark skinned black male adult, between 30 to 50 years old, approximately 5'10" tall, short dark hair and unshaven. He was last seen wearing dark baggy pants and witnesses described him as being unkempt in appearance.

Riverside Police are asking that residents be alert and report any suspicious activity involving persons matching this description. Anyone with information related to these incidents is asked to contact Detective Rita Cobb (951)353-7120.
