### Owner of Illegal Marijuana Dispensary Arrested

Riverside, CA – On July 10, Riverside Police detectives served a search warrant at a business in the 10800 block of Hole Ave. in the City of Riverside. An investigation was started in mid-June after it was discovered the business was making marijuana available to the public from this location. Billy Kim, 26, of Corona, had applied for a business license from the City of Riverside to sell “nutrition/vitamins” products. Mr. Kim declared on the application that his business does not “make medical marijuana available for medical purposes” and signed that application under penalty of perjury.

A subsequent police investigation revealed the business was in fact selling “medical marijuana” and not “nutrition/vitamins” as Mr. Kim claimed in his business license application. A search warrant was issued by the Riverside Superior Court and served by detectives. Evidence was seized from the business showing that it is being run as a “medical marijuana dispensary.” No other products were being sold but marijuana and paraphernalia used for marijuana.

Mr. Kim was arrested for the following charges,

115 P.C. – Fraudulent government document  
118 P.C. – Perjury  
459 P.C. – Burglary  
3700.5 Labor Code – Workers Compensation Fraud

Mr. Kim was booked into the Robert Presley Detention Center in Riverside.

Anyone with information on this case is asked to call Detective Brian Money at 951.353.7118.
