Target Provides Explorer Post with New Technology

Riverside, California: On April 24, 2014, Maria Navarro, the manager at the Target located at 3333 Arlington Avenue in Riverside, presented the Riverside Police Explorer Post with an iPad mini to assist them with their on-going community involvement.

"We are very thankful for the Explorer Program and we want to give back to our community" said Ms. Navarro. Target wants to help the Explorer Program move forward into the digital age with the gift of the iPad. The Explorer's were using note pads and pens to record attendance, take training notes, assign event dates, and keep in touch with advisors.

The Explorer program is open to young men and women ages 14-21 and provides an overview of law enforcement. The program is designed to encourage participants to plan for a career in Law Enforcement and teaches discipline, determination and drive that will stay with them as they become our next generation of leaders.

The Explorers volunteer throughout the city at many difference events. They also compete against other law enforcement posts in Southern California and Nevada.

The Riverside Police Department is proud of our Explorers and thankful for the support from our community.

For more information or to make a donation for the Riverside Police Department Explorer Post visit www.RPDonline.org or call 951-353-7665.
