## **DUI Checkpoint Nets 2 Arrests**

Riverside, CA – Riverside Police Department Traffic Unit conducted a DUI/Driver's License checkpoint on January 29, 2016, at La Sierra Ave and Cochran Ave. between the hours of 7:00 p.m. and 1:00 a.m. Checkpoints are placed in locations that have the greatest opportunity for achieving drunk and drugged driving deterrence and provide the greatest safety for officers and the public.

DUI/Driver's License checkpoints have been shown to lower DUI deaths and injuries. A major component of these checkpoints are the deterrent effects it has on those who might drive drunk or drugged impaired, bringing about more awareness and encouraging everyone to use sober designated drivers.

According to the National Highway Traffic Safety Administration (NHTSA), checkpoints have provided the most effective documented results of any of the DUI enforcement strategies, while also yielding considerable cost savings of \$6 for every \$1 spent. Ninety Percent of California drivers approve of checkpoints.

Results of the checkpoint:

- 1066 Vehicles Screened
- 1 DUI - Alcohol suspect arrested
- 1 DUI – Drug suspect arrested
- 17 Drivers cited/arrested for operating a vehicle while unlicensed
- 8 Drivers cited/arrested for operating a vehicle while suspended/revoked
- 25 Citations issued
- 8 vehicles towed
- We assisted 9 families by inspecting and instructing them on properly securing their children inside their vehicle by the use of car seats. Children left the checkpoint safer than they arrived.
- During a traffic stop by a motor officer assigned to the checkpoint, one subject was found to have an attempted murder warrant for his arrest from San Bernardino County. He was taken into custody and booked into Riverside County Jail on the warrant.

As part of the Riverside County Avoid DUI Task Force, the Riverside Police Department will be conducting another DUI/Driver's License Checkpoint in April 2016 and additional DUI saturation Patrol throughout the year in our ongoing commitment to lowering deaths and injuries upon our streets and highways.

This checkpoint was funded by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration. Report Drunk Drivers – Call 9-1-1!
