FATAL TRAFFIC COLLISION

RIVERSIDE, CA – On Sunday, June 26, 2016, at about 1:13 PM, members of the Riverside Police and Fire Department responded to reports of a collision involving two vehicles at the intersection of Main Street and Placentia Lane. Upon their arrival, officers located two vehicles with single occupants inside.

Based on statements and evidence at the scene, officers determined a 22 year old male Moreno Valley resident was north bound on Main Street in his 1998 Honda Civic. A 68 year old female Beaumont resident turned south bound onto Main Street from Placentia Lane in her 2007 BMW 328i. The Honda could not stop in time and collided with the BMW in the intersection. Both drivers were in critical condition and taken to Riverside Community Hospital. The female later died from her injuries.

The Riverside Police Department Major Accident Investigation Team responded to the scene and is investigating the collision. Anyone with further information about the collision is asked to contact Detective Soria at (951) 826-8720.
