Career Opportunities

Be a part of supplying the electric and water needs of a rapidly growing community by considering a career with Riverside Public Utilities (RPU). With over 470 employees, we're comprised of four divisions: Water, Energy Delivery, Finance/Customer Relations and Resources.

RPU offers a wide array of career choices from entry level to professional. Depending on your area of interest, there are a number of career paths available to you. For example, start out as an Engineering Aide, and your career path could include advancement up to a Senior Engineer at a higher salary. We have many careers to choose from, and offer challenging and fulfilling opportunities.

The Positions

Under supervision, to perform increasingly skilled work assisting professional workers. Apprentice position(s) gains experience in the construction, maintenance and repair of electrical distribution, transmission or substation system through a formal on-the-job training program. Successful candidates will also do related work as required.

When assigned as an Utilities Electric Apprentice or Trainee, duties may include, but are not limited to, the following: Assist in basic construction, maintenance and repair of underground and overhead electrical transmission and distribution cables and lines working under supervision of journey level workers. Assist in the basic construction, assembly and/or installation of vaults, metal clad switchgear, pad transformers, insulators poles, conductors, cables and other electrical equipment. Assist in the basic installation,

What some of our employees have to say...

"If you want a challenging and a rewarding career in the utility industry with many opportunities for advancement, Riverside Public Utilities offers it all. We're located in the City of Riverside, California one of the fastest growing cities in the nation, an area that's a toasty 69 degrees Fahrenheit in the winter!"

Cesar Ancheta

Interim Principal Engineer

"As a 20-year employee of the City of Riverside Public Utilities, I have seen the utilities grow to meet the continuous demands of the community. I have also been fortunate enough to take advantage of the city's educational program and have been given many opportunities to advance in my career. The City of Riverside Public Utilities is a wonderful place to work."

Rita Nicks

Customer Service Supervisor

"I've been working for RPU for over 15 years and it's been a great opportunity. The job is very satisfying and it's a good place to work. These are great people to work for and great people to work with."

Lee Sheppard

Powerline Technician
