ENERGY STAR® INCENTIVE REBATE PROGRAM
BUSINESS PROGRAMS

PROGRAM DESCRIPTION

Riverside Public Utilities provides incentives for non-residential electric customers to purchase new high efficiency **ENERGY STAR**® qualified products.

PROGRAM GUIDELINES

- Rebate amount cannot exceed 25% of the purchase price of the new product.
- Preinspections are required.
- This program is available to RPU non-residential electric customers. If applicant is a tenant or renter, the property owner must sign the application.
- Rebate calculations are based on purchase price only, and do not include sales tax, installation or other associated costs.
- Items installed as part of new construction are ineligible for incentives.

- Rebates must be submitted within 90 days of purchase to qualify. Qualified products must be installed and in operation at the customer's service address.
- RPU reserves the right to determine product eligibility.
- RPU does not endorse or recommend specific brands, products or dealers nor does it guarantee material or workmanship; acceptance of such is the customer's responsibility.
- A copy of the dated sales receipt must be provided, and is subject to verification.
- Program is subject to change without prior notification. Rebates are given on a first come, first served basis subject to fund availability.
