

PURSUE A CAREER WITH

RIVERSIDE

PUBLIC UTILITIES WATER DIVISION

Join our team of Water Utility employees that provide water service to over 60,000 service connections. Riverside Public Utilities (RPU) has an expansive water system that serves the beautiful and historic community of Riverside – a great place to live and work.

THE BEST OF THE BEST

Riverside Public Utilities is seeking highly motivated Associate Engineers with demonstrated technical and administrative expertise. There are three newly approved Associate Engineer positions available in the Water Division for the Utilities. The ideal candidates will have the ability to perform complex engineering assignments that encompass technical, environmental and engineering field studies that pertain to proposed and existing municipal facilities. Position requires close to general supervision of engineering and clerical staff as assigned.

Riverside offers sign-on bonuses of \$4,500 for qualified candidates.
