Simple Steps TO Summer Savings

Using these simple steps will help you save energy, save water, and reduce your utility bills this summer.

-  Set thermostats to 78 degrees or higher (health permitting)
-  Close window blinds and shades
-  Use fans and ceiling fans to cool off
-  Use appliances after 8 p.m.
-  Water plants only at dusk
-  Reduce watering cycle to every other day
-  Use a broom instead of garden hose to clean sidewalks and driveways
-  Wash only full loads of dishes and laundry
-  Set swimming pool filter equipment to run during off-peak hours (10 p.m. to Noon), and get a rebate to boot!

Call 311 for City Services

Dial 311 and you're instantly in touch with the City's Call Center

- **Report** graffiti, illegal dumping, potholes, traffic problems, abandoned vehicles, weeds in public places, municipal code violations, or animal control issues
- **Request** City tree trimming services, sidewalk or curb repair, street sweeping, or park maintenance
- **Get information** on City projects, or community and area events

Reaching City departments is easy. Just dial 311.

The Call Center provides information and refers service requests to the appropriate City department
