

Earth Day

all year round

At Riverside Public Utilities (RPU) it's Earth Day, Month, and Year, every day, every month, and every year. We work every day to provide you with the highest quality and reliable electric and water services to benefit our customer-owners and maintain our commitments toward a more sustainable future.

You can do your part to make Riverside a greener place to live and work with these **5 easy steps:**

- Go to **FreeSprinklerNozzles.com** to get a FREE set of water-saving sprinkler nozzles that can instantly reduce your per-sprinkler watering by 20%.
- Go to **GreenRiverside.com** to find out ways that you can receive rebates from RPU for conserving water and energy.
- Take your March 2015 RPU Billing Statement to one of our 4 participating nurseries by June 30, 2015 and get one FREE Shade Tree!
- Combine your energy and water conservation projects together to make your home more efficient, and receive up to 250% in rebates! **#WholeHouse**
- Use reusable shopping bags! They can hold as much as 2-4 plastic bags can and most stores offer discounts when you bring your own. Get one for free (while supplies last) at our Customer Service locations.
