## KEEP SAVING WATER

### RIVERSIDE

You're doing a great job saving water Riverside! Brown lawns are popping up all across town showing everyone that you are doing your part to conserve.

Already we have seen reductions in the amounts of water used from more than 85 million gallons per day to about 40 million gallons.

Working together, we can continue to meet the state's demanding goals for water conservation and maintain our precious water resources.

Remember to:

- Reduce outdoor watering to just 3 days (or less)
- Water only between the hours of 6 p.m. and 10 a.m.
- Eliminate water runoff and do not apply water to sidewalks or driveways
- Fix irrigation and plumbing leaks within 72-hours of notice to avoid fines

## double rebates

To help you save even more water at home, Riverside Public Utilities is currently offering double rebates on installations of qualifying high efficiency toilets and clothes washers!

Now earn up to \$100 for each high efficiency toilet and up to \$160 on qualified high efficiency clothes washers. Some restrictions apply.

For complete details on these and other rebates visit [BlueRiverside.com](http://BlueRiverside.com) today!

## conservation corner

Finding and fixing leaks inside and outside your home can save you big on your water bills.

A toilet leak alone can waste up to 2 gal./minute – that can add up to 3,000 gallons of water each day! And even a small drip in a faucet or a sprinkler system can waste 24,000 to 394,000 gallons of water each month.

By being a leak seeker and finding and fixing leaks fast, you can help eliminate water waste and reduce your monthly water bills.

Please return this part of the bill with your payment in the envelope provided.
