Even Out Your Payments

By using our **Level Pay Plan,** you can even out your utility bill payments over the course of the entire year. For example, instead of having larger bills in the summer, you can pay one flat rate all year round, which helps offset higher summer bills. Some restrictions apply. To find out more, visit online at **RiversidePublicUtilities.com** or call Customer Service at (951) 782-0330.
