PREMIUM MOTORS INCENTIVE PROGRAM
BUSINESS PROGRAMS

PROGRAM DESCRIPTION:

This program offers incentives for the replacement or purchase of new premium motors, including motors for cooling equipment, electric machinery, and variable speed drives. Incentive amounts are based on the Consortium for Energy Efficiency (CEE) specifications for 114 classes of motors that are, on the average, 1 to 2 percent higher than the federal minimum standards required by the Energy Policy Act of 1992. Qualifying Equipment includes: 1 to 200 horsepower National Electrical Manufacturers Association (NEMA) design A and B, three phase, integral horsepower, general purpose motors (1200, 1800, 3600 RPM). The specifications for the CEE's efficiency levels are name plated on the premium motors.

Qualifying horsepower and rebate amounts are listed below:

HP	REBATE	HP	REBATE	HP	REBATE
1	\$35	10	\$70	50	\$200
1.5	\$35	15	\$80	60	\$235
2	\$35	20	\$90	75	\$270
3	\$40	25	\$115	100	\$360
5	\$50	30	\$135	125	\$540
7.5	\$60	40	\$160	150	\$630
				200	\$630

PROGRAM GUIDELINES:

- This program is available to RPU non-residential electric customers. If applicant is a tenant or renter, the property owner must sign the application.
- Rebates must be submitted within ninety (90) days of purchase to qualify.
- Motors must have premium efficiency rating and are subject to approval by RPU.
- Qualified premium motors must be installed and in operation at the customer's service address.
- Rebate amount will be up to 25% of the product costs payable to the Riverside Public Utilities electric customer of record.
- Incentives will be paid to the electric customer of record only. An exception will be made if the tenant or renter provides proof of purchase.
- Incentive may be applied to the customer's non-residential utility account.

- RPU reserves the right to determine product eligibility.
- RPU does not endorse or recommend specific brands, products or dealers; nor does it guarantee material or workmanship; acceptance of such is customer's responsibility.
- A pre-inspection and a follow-up inspection are required prior to the issuance of the incentive.
- In the event it is determined through inspection that the customer is not in compliance with the requirements of the program as set forth in the guidelines, RPU may recover the total amount of the incentive paid to customer for non-compliance.
- Customers participating in this program may be asked to complete a telephone/mail in survey that is used as a benchmark for energy savings attributed to the program.
- RPU reserves the right to modify or discontinue this program without prior notice at its discretion.

At the end of one year from installation, customer agrees to provide Riverside Public Utilities with access to compare and contrast customer's actual energy consumption with the estimated energy consumption in the contractor's original energy savings estimate. I certify that I am the owner(s) or tenant(s) of the real property where the improvements have been installed and that I have not previously received, or applied for, other utility financing or incentives for the improvements on this application. I also certify that the foregoing information is true and correct. I understand and agree that the choice of improvements, the selection of contractors, the purchase of items and acceptance of materials used and work performed and the payments thereof is my responsibility. I understand that I will be fully liable for any damage to person or property that may be caused by the installation and/or operation of the equipment involved. I understand that Riverside Public Utilities does not endorse, recommend or make any representations as to specific brands, products, contractors or dealers nor does it guarantee material or workmanship. I further agree to indemnify and hold harmless the City of Riverside, its officers, employees, and agents from any damages related to the use or installation of premium efficiency motors.
