

program guidelines:

- This program is available to Riverside Public Utilities' (RPU) residential water customers.
- The level of incentive is up to \$95 per qualified unit not to exceed the purchase price of the new unit.
- Application must be submitted within ninety (90) days of receipt purchase date in order to qualify for rebate.
- Rebates will be applied directly to the customer's residential utility account.
- Once the HET(s) is installed, mail us your application along with legible, dated sales receipt as proof of purchase.
- HET(s) are subject to inspection for program compliance. Failure to comply may forfeit the rebate.

- Program is subject to change without prior notification. Incentives are subject to fund availability, and RPU reserves the right to determine product eligibility.

High-Efficiency Toilet Rebate

Riverside Public Utilities water customers can receive a rebate up to \$95 when they replace their existing high water use toilet fixtures with HET toilets. See a product eligibility list at www.blueriverside.com.

HIGH-EFFICIENCY TOILET REBATE APPLICATION

I certify that I am the owner(s) or tenant(s) of the real property where the improvements have been installed and that I have not previously received or applied for other utility financing or incentives for the improvements on this application. I also certify that the foregoing information is true and correct. I understand and agree that the choice of improvements, the selection of contractors, the purchase of items and acceptance of materials used, work performed, and the payments thereof are my responsibility. I understand that Riverside Public Utilities does not endorse, recommend or make any representations as to specific brands, products, contractors or dealers nor does it guarantee material or workmanship. I further agree to indemnify and hold harmless the City of Riverside, its officers, employees, and agents from any damages related to the use or installation of the HET.
