For Consolidated Plan

FY 2015-2019

CITY OF RIVERSIDE
CITIZEN PARTICIPATION PLAN
FOR CONSOLIDATED PLAN DOCUMENTS

In the “Guidelines for Preparing a Consolidated Plan Submission for Local Jurisdictions,” the U.S. Department of Housing and Urban Development Office of Community Planning and Development states that the “Consolidated Plan must result from an effective citizen participation process.” In addition, the jurisdiction “must develop and follow a detailed citizen participation plan that addresses each of the following elements which is described below.

- 1. Participation**
- 2. Access to Information**
- 3. Anti-Displacement**
- 4. Publishing the Plan**
- 5. Public Hearings**
- 6. Notice of Hearings**
- 7. Access to Meetings/Hearings**
- 8. Comments**
- 9. Substantial Amendments**
- 10. Amendments**
- 11. Performance Reports**
- 12. Availability to the Public**
- 13. Access to Records**
- 14. Technical Assistance**
- 15. Complaints**

HUD also requires that citizens, non-profit organizations, and other interested parties must be afforded adequate opportunity to review and comment on the original citizen participation plan” and to review and comment on substantial amendments to the citizen participation plan. Therefore, the local jurisdiction must make the citizen participation plan public.

The City of Riverside has taken actions necessary to comply with all of HUD’s citizen participation requirements as noted above. Actions include:

1. Participation

In order to ensure a wide-range of participation from citizens in the development of the five-year Consolidated Plan, Annual Action Plans, any substantial amendments to these plans, and the annual performance report, the City of Riverside shall conduct community outreach and education to all affected persons including those groups of persons specifically listed by HUD within its Consolidated Plan guidelines. Opportunities to receive information included:

- CDBG, HOME, ESG, and HOPWA newsletters/postcards mailed to resident households as well as representatives of local agencies, businesses, and neighborhood organizations;

Such outreach shall include a public notice for availability of funding, invitations to apply sent to local non-profit organizations, and at least one application workshop for non-profit agencies and city departments. The City shall also provide technical assistance to persons or groups in developing their proposal during regular business hours.

3. Anti-Displacement

The City has in place an Anti-displacement and Relocation Plan describing assistance available to persons/families that become temporarily relocated or permanently displaced due to projects that use CDBG, HOME, HOPWA or ESG funds. The plan sets forth the City's plans, per HUD's requirement,

“to minimize displacement of persons and to assist any persons displaced, specifying the types and levels of assistance the jurisdiction will make available (or require others to make available) to persons displaced, even if the jurisdiction expects no displacement to occur.”

Copies of the Anti-displacement and Relocation Plan can be obtained by contacting the City of Riverside Housing Authority and Homeless Services at (951) 826-5371.

At least one (1) of the public hearings shall be conducted by the City Council to receive public comment on the proposed Consolidated Plan or Annual Action Plan.

Persons with disability are also persons who have a record of such impairment, or are regarded as having such impairment.

The City of Riverside shall have a period of not less than 30 days to receive public comment prior to submission of the Consolidated Plan and Annual Action Plans and implementation of any substantial amendments. Notification to the public will advise citizens of how and where to submit comments, including public hearings. Documentation of each notice will be retained for a minimum period of five years.

10. Amendments - Standard

Amendments that are not considered substantial (as described in #9 above) will be referred to as standard amendments. The City of Riverside, as specified in Title 24 of the Code of Federal Regulations, Part 91.505(a), will amend the Consolidated Plan when it:
