

WARD 2 CANDIDATE STATEMENT

Aram Ayra

Educator/City Commissioner

I'm a City Commissioner, educator, and longtime Ward 2 resident committed to making Riverside more affordable. As a UCR graduate, I built my career here, focusing on improving the quality of life and solving problems.

As your Councilmember, I will work to:

- Ensure safe neighborhoods with responsive public safety services and solutions to homelessness.
- Invest in better maintenance of our streets, infrastructure, and neighborhoods.
- Oppose new rate increases and City fees.
- Keep utility bills affordable and stand up for RPU ratepayers.
- Revitalize University Avenue and help small businesses grow.
- Protect our neighborhoods from warehouses, data centers, and truck traffic.
- Support working families with affordable childcare and stronger food security.

My top priority is putting money back into Riverside families' pockets. People are working harder than ever while the cost of living keeps rising. I'm running for City Council to change that.

I'm endorsed by Senator Sabrina Cervantes, Supervisor Jose Medina, former Mayors Ron Loveridge & Rusty Bailey, Councilmember Clarissa Cervantes, and dozens of community leaders throughout the city. I'm also endorsed by Riverside nurses, academic workers, educators, and skilled trades.
