

WARD 2 CANDIDATE STATEMENT

Aram Ayra

Educator/City Commissioner

Dear Neighbor,

I am a City Commissioner, nonprofit director, educator, and longtime Ward 2 resident running to make Riverside more affordable and responsive to the people who live here.

As your Councilmember, I will work to:

- Ensure safe neighborhoods with wildfire prevention and fast 911-response times.
- Tackle the root causes of the-homelessness crisis.
- Invest in better maintenance of our streets, infrastructure, and neighborhoods.
- Responsibly manage our budget and tax dollars.
- Keep utility bills affordable and stand up for RPU ratepayers.
- Protect our neighborhoods from warehouses, pollution, and truck traffic.
- Support working families with affordable childcare and stronger food security.

As a graduate of UCR with my Bachelors and Masters, and past President of the Riverside Neighborhood Partnership, I've built my career bringing people together to solve problems and improve quality of life issues across Riverside.

I have earned the endorsements of Supervisor Jose Medina, former Mayor Ron Loveridge, our outgoing Councilmember Clarissa Cervantes, and dozens of community and neighborhood leaders throughout the city. I am also endorsed by groups representing Riverside nurses, academic workers, local unions, and skilled trades.
