62. Narrative of Supplemental Report
On Tuesday, 10/31/17 at approximately 1117 hours, I was working uniformed patrol for the City of Riverside Police Department. At approximately 1123 hours, I responded to 6201 Shaker Dr. for a report of a male subject that had a teacher hostage inside of a classroom. Dispatch advised the male subject was upset with school staff because they would not release his daughter to him.

Upon arrival, school staff directed me towards the classroom (A1) where the suspect had barricaded himself in. Officers arrived on scene and we surrounded classroom A1. I was unable to see inside of the classroom's window because S1 covered the windows with paper. A custodian at the school advised us the classroom had a door in the rear. We entered classroom A4 and located the rear door of classroom A1. Officer Moulton attempted to open the door but it had already been barricaded shut. The window on the door was covered with paper which did not allow us to see who or what was inside of classroom A1. I heard the sound of desk and chairs being moved around inside of the classroom.
