| 62. Narrative of Supplemental Report<br>62a. Audio Recording Available? No<br>On 10-31-17 at approximately 1112 hours while enroute to the Lincoln Ave. police station from home, I was riding a marked black and white police motorcycle and in full police uniform when I heard dispatch advise officers a parent taking a teacher hostage at Castel View Elementary School. As I continued to the police station I could hear the incident was escalating so I responded directly to the scene.<br>Upon my arrival, I set up as a perimeter officer in the school playground (wall ball court) on the southeast portion of the school grounds at approximately 1150 hours. I stayed at the position until approximately 1810 hours. While on scene, I assisted other officers with the evacuation of children and teachers from the 'D' tables.<br>I was cleared from the perimeter spot by Lt. Dinco and moved to the intersection of Shaker Dr. and Century Ave. to assist Officer T. Jensen with traffic control, until we were relieved from the scene by Lt. Dinco once barricades were set-up to close the roadway. |  |  |                                |                      |   |   |  |                    |             |  |  |  |
