62. Narrative of Supplemental Report 62a. Audio Recording Available? No

On 10-31-17 at about 1227 hours, I received information from Sergeant Dehdashtian that there was a full SWAT call-out at Castle View Elementary School. The incident involved a subject who entered the school, took a teacher hostage and was barricaded in a classroom. I arrived and reported to the Tactical Command Post located in the school administrative building. I was assigned to assist placing containment officers to set an inner perimeter around the incident. I assisted with various duties throughout the incident in a support role. I was at the command post as officer entered the classroom where the suspect was barricaded. I heard several noise flash diversionary devices being deployed and 4 to 5 muffled pops which sounded like gunfire. I was unable to see any of the activity from my vantage point. I assisted at the scene with administrative duties during the time detectives and evidence technicians were processing the scene. I cleared the scene at approximately 2300 hours. No further details.
