File #P17-032034
Det Rick Cobb #260

On 02/21/17, I met with Officers Carmona and Espinoza at the Magnolia Station to show them a photographic line-up regarding this case. A photographic line-up was prepared which included a photograph of S-Garcia. Garcia was in the number "2" position in the line-up.

Officers Carmona and Espinoza read and signed the Riverside Police Department Photographic Line-up Admonition prior to viewing the line-up. They were shown the line-up separately.

Officer Carmona

Officer Carmona looked at the photographic line-up and said that the person in photo number 2 was the person who shot at them the night of this incident. He circled the number 2 under the photograph and signed his initials next to it.

Officer Espinoza

Officer Espinoza looked at the photographic line-up and said that the person in photo number 2 was the person who shot at them the night of this incident. He circled the number 2 under the photograph and signed his initials next to it.

No further.

Name: OFFICER C. CARMONA
Address: RPD

NOTICE:

I am going to show you a group of photographs. The person who committed the crime may or may not be contained in the group of photographs you view. The fact that the photographs are shown to you should not influence your judgment nor should you conclude or guess that the photograph of the guilty person is among those you view. You do not have to identify anyone. It is just as important to free innocent persons from suspicion as it is to identify those who are guilty. Please keep in mind that the photographs you view may be recent or old. Hair styles, beards, mustaches, glasses, wigs, hats, and clothes are easily changed, added or removed. Also, photographs do not always depict the true complexion of a person – it may be lighter or darker than shown in the photo. You should pay no attention to whether the photos are in color or black & white or any other difference in the type, style or background of the photographs.

Please do not talk to anyone other than the investigators while viewing the photos. You must make up your own mind and not be influenced by any other witness. When you have completed viewing the photos, please tell me whether or not you can identify anyone. Please do not indicate in any way to other witnesses that you have or have not made an identification.
