		59. Recovered Auto Value A2 \$

62. Narrative of Supplemental Report

On 07-20-18, at approximately 1946 hours, I responded to a call of assistance need by an outside agency, regarding a pursuit of a vehicle wanted for the attempted homicide of a police officer. The pursuit entered into the City of Riverside and I began to respond. During the pursuit, I observed numerous police vehicles from various agencies responding. I continued to monitor the pursuit from a safe distance in order to assist with the investigation of the shooting.

I responded to the intersections of California Ave. and Streeter Ave. at the termination of the pursuit. I assumed supervision of the inner and outer perimeter. I assisted and directed officers to move bystanders to a safe location. I assisted Sgt. T. Lomeli with canvassing the area adjacent to the crime scene, for additional evidence, including bullet fragments. I assisted Det. K. Corbett with identifying and releasing witnesses after they were interviewed. I also assisted Det. Corbett with releasing vehicles from inside the crime scene, to their rightful owners at the conclusion of her investigation. I cleared the scene at approximately 0945 hours as the investigation concluded.

No further details.
