On 7-20-18 at about 1946 hours I was working as the swing shift watch commander. I heard Air-1 broadcast information regarding a pursuit about to enter the City of Riverside where the suspect was shooting at the pursuing officers. I announced over the radio RPD would take over the pursuit if it entered the city. The pursuit did enter the city at Van Buren and the 215. Several officers joined the pursuit as it worked its way through the city. The pursuit eventually went westbound on Arlington from Madison and pulled into the eastbound lanes. I heard an officer announce shots had been fired at the suspect vehicle.

I arrived at the scene a short time later. I started to manage the scene by directing Sergeant Simons to establish a perimeter and clear officers out of the scene. I moved to the area directly behind the officers directly involved in giving commands to the suspect and told everyone else to fall back. This included numerous officers from Hemet PD and other agencies. I contacted Officer Park and asked him if METRO was ready and able to take over the securing of the suspect. Officer Park told me they were ready. I moved back and contacted several sergeants and asked them to perform several functions. This included securing all involved officers, clearing as many units as possible from the scene, and ensuring the public was safely rerouted around the scene. The scene was turned over to investigators.
