1 On 7/20/18 at about 2030 hours, Detective Gomez contacted me at home via cell phone and asked that
2 I respond to the intersection of Florida Ave. and California Ave., in the City of Hemet, to assist with
3 an investigation. When I arrived at the intersection of Devonshire Ave. and California Ave., Sgt.
4 Elmore briefed me on the investigation and told me what needed to be done. He asked that I assist
5 with searching for possible spent casings and projectiles, possibly located on California Ave. between
6 Florida Ave. and Devonshire Ave. As we searched for possible spent casings and projectiles, Cpl.
7 Hall pointed to a possible strike mark located on the west side walk of California Ave. and asked that I
8 photograph it for documentation purposes only. I assigned the possible strike mark an item number
9 (item #1) and then continued the search for any possible spent casings and projectiles, but we were
10 unsuccessful. When we were finished searching for possible spent casings and projectiles, I responded
11 back to where the possible strike mark was located. I photographed the possible strike mark. Sgt.
12 Elmore then asked that I measure the approximate distance of the possible strike mark. I used my
13 department issued roll tape and Detective Green assisted me with measuring the approximate distance
14 using the north curb line of Florida Ave. and the east curb line of California Ave. The approximate
15 distance of the possible strike mark was 983 feet and 5 inches, north of the north curb line of Florida
16 Ave. and 62 feet and 6 inches, west of the east curb line of California Ave. When we were finished,
17 Sgt. Elmore asked that I respond back to the Hemet Police Station to assist with a search warrant when
18 it was signed and obtained.

20 On 7/21/18 at about 0130 hours, Detective Gomez asked that I respond to 2095 and 2098 Calle
21 Diablo, in the City of Hemet, to assist with search warrants. When I arrived on scene, Detective
22 Gomez asked that I first respond to 2098 Calle Diablo. I began by taking overall photographs of the
23 three bedroom home. When I was finished, the investigators began searching the three bedroom home
24 for any possible related evidence and they were unsuccessful. Detective Gomez then asked that I

1 I respond to 2095 Calle Diablo. When I arrived, I began by taking overall photographs of the three
2 bedroom home. When I was finished, the investigators began to search for any possible related
3 evidence and they were successful. They pointed to items they wanted collected as evidence. I
4 photographed each item pointed out to me, assigned each item an item number, and I photographed
5 them again. I then collected the numbered items as evidence. All numbered items collected were
6 secured in my truck to be booked into evidence. A cd with 192 photographs was booked into
7 evidence.
