4 **NARATIVE:**

5 On 7/20/2018, at approximately 1934 hours, I responded to the area of California Avenue and  
6 Devonshire Avenue to assist officers in pursuit of a silver vehicle. As I responded to the area, officers in  
7 pursuit advised the suspect had shot at pursuing officers on California Avenue, just south of Devonshire  
8 Avenue. When the pursuit reached Florida Avenue, pursuing officers broadcasted the suspect began  
9 throwing unknown items from the driver window. The pursuit then traveled westbound on Florida  
10 Avenue, and outside of the city.

11 When I arrived at the intersection of California and Devonshire Avenue, I established a crime  
12 scene. I directed assisting officers to close all traffic on California Avenue between Devonshire and  
13 Florida Avenue. I also had all traffic closed on Florida Avenue between California Avenue and Four  
14 Seasons Boulevard. Along with assisting officers, I conducted a search for evidence; however I did not  
15 locate anything of evidentiary value. At approximately 2049 hours, I was relieved by other assisting  
16 officers.

17 I request a copy of this report be attached to the initial report (18-7117).
