TYPE OF REPORT

242 PC- Battery

**Narrative:**

On 07-22-18 at approximately 1357 hours, I was working patrol in full uniform and driving in a marked police vehicle, in the city and county of Riverside. Officer Vasquez and I were assigned by Sgt Medici to conduct follow-up investigation at Riverside Community Hospital to identify as suspect from a previous incident (P18136590).

I arrived on scene in the RCH emergency room and saw hospital staff performing chest compressions on S1/Russell. O1/Compton was also in the room and told me "He's dead." I asked O1/Compton if S1/Russell had already been officially pronounced deceased and he told me they were going to pronounce him deceased shortly. I called Sgt Medici to advise him of the circumstances. S1/Russell was pronounced deceased at 1413 hours by Dr Friedman. (see Officer Vasquez's supplemental report)

I spoke with O2/Gonzalez, who identified himself as the EMT in AMR unit 327 and also the driver. O2/Gonzalez identified O1/Compton as the paramedic and partner in the AMR unit. O2/Gonzalez said they received a call of an "assault" at McDonald's on University at 1252 hours. O2/Gonzalez said they arrived at McDonald's at 1258 hours and he saw approximately three police officers carrying S1/Russell, who was in handcuffs, outside of the entrance of the McDonald's. O2/Gonzalez said RFD was already on scene. O2/Gonzalez said the police placed S1/Russell on the gurney. O2/Gonzalez said the police removed S1/Russell's handcuffs while he was on the gurney so he could be placed in soft restraints. O2/Gonzalez said the police left while S1/Russell was still receiving medical treatment in the McDonald's parking lot.

O2/Gonzalez said S1/Russell was not unconscious but was unresponsive. O2/Gonzalez said S1/Russell was not speaking and tensed up whenever anyone tried to provide him medical treatment. O2/Gonzalez said S1/Russell's eyes were closed and when he attempted to open his eyelids, S1/Russell forcefully held them shut. O2/Gonzalez said he moved S1/Russell while on the gurney into the back of the ambulance. O2/Gonzalez said he and O1/Compton performed the initial tests such as blood pressure, IV, breathing, heart monitor, 12-point leads, and blood sugar, but S1/Russell continued to physically resist. O2/Gonzalez said the treatment lasted approximately 15 minutes before S1/Russell went into arrest, which is when he stopped breathing and his heart stopped beating.

I spoke with O1/Compton. O1/Compton said he arrived at the McDonald's at 1258 hours. O1/Compton said the police had S1/Russell handcuffed and carried him outside to the gurney. O1/Compton said S1/Russell was not unconscious but was not responsive to questions and treatment, as if he was playing a joke. O1/Compton said when he and O1/Gonzalez tried to touch him to provide medical treatment, S1/Russell would become tense and move as if to evade and prolong the treatment. O1/Compton said the police remained on scene for approximately ten minutes while they figured out what they were going to do. O1/Compton said the police left and RFD Squad 1 also left. O1/Compton said he wanted to run the initial tests on S1/Russell in the back of the ambulance in the parking lot because the hospital was only approximately one mile away. O1/Compton said S1/Russell was uncooperative which also prolonged the treatment while in the parking lot. O1/Compton said the treatment remained until approximately another 20 minutes after the police left. O1/Compton said S1/Russell went into "arrest" so he called back RFD and RFD Engine 1 responded back to McDonald's in approximately 3-5 minutes. O1/Compton said one member of RFD was in the back of the ambulance giving CPR to S1/Russell and another member of RFD stuck a breathing tube down his throat. O1/Compton said the ambulance left the McDonald's parking lot at approximately 1335 hours and arrived at RCH at approximately 1340 hours.
