Narrative of Supplemental Report:

On 12/29/16, Lt. Rossi requested buffered video from Units 3131, 3403 and 3517 for related video to the incident. IT technician Reuel Hinojales responded and extracted in 2 hour increments, the video from the cars. On 12/30/16 Det. Dave Smith directed Records staff to preserve the video time frame of 1855 hours to 1938 hours from each of the vehicles.

On 12/30/16, I cut the portion of the video from the video time stamp of 06:55 p.m. through 07:38 p.m. and imported the 43 minutes of relevant video into COBAN Back Office software under P16237976.
