File # P12024811
Forensic Tech. S. Lane #1580

On 02/18/12 at approximately 1625 hours, I was requested by Senior Forensic Technician T. Ellis to respond to the Magnolia Station Forensic Lab to photograph and chart the weapons of Officers involved in an Officer involved shooting investigation. I arrived at the location at approximately 1720 hours and met with Detectives D. Smith, G. Rowe, R. Cobb and J. Simons for briefing.

Detective D. Smith requested that I take photographs of Riverside Police Officer D. Smith #1275 and chart his weapon. I began taking my photographs at approximately 1751 hours. I then charted his department issued duty weapon and ammunition (see attached Weapon's Charting Form). Officer D. Smith retained his weapon and ammunition.

Detective G. Rowe requested that I take photographs of Riverside Police Officer B. Stennet #1374 and chart his weapon. I began taking my photographs at approximately 1803 hours. I then charted his department issued duty weapon and ammunition (see attached Weapon's Charting Form). Officer B. Stennet retained his weapon and ammunition.

Detective R. Cobb requested that I take photographs of Riverside Police Sergeant W. McCoy #177 and chart his weapon. I began taking my photographs at approximately 1833 hours. I then charted and collected his department issued duty weapon and ammunition and labeled them evidence items CL01 and CL01A respectively (see attached Weapon's Charting Form, Evidence Log and/ or Property Report for full item descriptions).

Detective J. Simons requested that I take photographs of Riverside Police Sergeant R. Whitt #346 and chart his weapon. I began taking my photographs at approximately 1849 hours. I then charted and collected his department issued duty weapon and ammunition and labeled them evidence items SL01 and SL01A respectively (see attached Weapon's Charting Form, Evidence Log and/ or Property Report for full item descriptions). I finished my assignment and placed all evidence items into the Evidence Vault at approximately 1930 hours. I then downloaded (61) digital photographs into a secure file format (see attached Photo Log).

On 02/21/12 at approximately 1120 hours, I retrieved all evidence items from the Evidence Vault and released them to Police Property Specialist P. Trapp. At approximately 1122 hours, I then received all evidence items back from Police Property Specialist P. Trapp and placed them into my secured evidence locker.

On 02/22/12 at approximately 1315 hours, at the request of Det. D. Smith, I retrieved all evidence items from my secured evidence locker and transported them to the Department of Justice (DOJ) Riverside Criminalistics Laboratory for analysis. I arrived at the location and released all evidence items to Property Controller II K. Kreuz at approximately 1420 hours (see attached BFS submission form RI-12-001659). I finished my assignment and left the location.

No further action was taken.
