Narrative of Supplemental Report:

On 02/26/13 at approximately 0700 hours, I was notified by Supervising Forensic Technician C. Fuller to respond to the Riverside County Coroner Morgue to attend and document the autopsy of S/ CIARAMELLA, Lorenzo Joseph DOB 09/04/73. I arrived at the location at approximately 0840 hours and met with Detective R. Sanfilippo. I began taking my photographs at approximately 0919 hours (see attached Photo Log). I then received evidence items A01 through A13 from Forensic Technician J. Frisby N4450 at approximately 1200 hours (see attached Property Report for full item descriptions). I finished my assignment and left the location at approximately 1225 hours. I returned to the Magnolia Station at approximately 1255 hours and placed all evidence items into the Evidence Vault. I then downloaded (170) digital photographs into a secure file format.

On 02/27/13 at approximately 0950 hours, I retrieved all evidence items from the Evidence Vault for processing. I finished my assignment and released all evidence items to Police Property Specialist S. Robinson at approximately 1110 hours. Det. Sanfilippo then notified me to respond back to the Riverside County Coroner Morgue to collect a projectile fragment that was found in the body bag after autopsy.

On 02/28/13 at approximately 0630 hours, I arrived at the location and received the projectile fragment (later identified as evidence item A14) from Forensic Technician J. Frisby N4450. I returned to the Magnolia Station, processed evidence item A14 and released it to Police Program Supervisor S. King at approximately 0907 hours.

No further action was taken.
