13 **Assignment:**

14 On February 25, 2013 at around 2115 hrs, I was contacted by Sgt. Russell and asked to
15 respond to 7911 Arlington Ave. Riverside, CA (Pepper Tree Place apartments) regarding an
16 Officer Involved Shooting investigation. I agreed to respond and arrived at the scene around
17 2210 hrs. Once on scene, I took part in an incident briefing conducted by Sgt. Toussaint. I was
18 then assigned to oversee the processing of the crime scene.
19

20 A walk through of the scene was done by the following people; Sgt. Toussaint, Sgt. Russell, Sgt.
21 Amador, Det. Medici, Det. Sanfilippo, Sr. ID Tech Ellis, Supv. ID Tech Fuller, DDA Calhoun, DA
22 Inv. Fuentes and Sgt. Hardin. The walk through was conducted by Sgt. Toussaint and was
23 done so as not to disturb any evidence items. When it was completed, Det. Medici and I
24 reviewed the Coban video footage from two RPD units. Unit #3912 driven by officers Oakes
25 and Wilder and Unit #3145 driven by officers Fast and Borngrebe. After the videos were
26 reviewed, we began processing the scene.
27

28 **Scene Description:**

29 The "Pepper Tree Place" apartments are located on the north side of Arlington Ave, with the
30 main entrance and a parking area being open to the public. From the front parking lot, there are
31 two entrances into the resident parking lots (one to the east and another to the west) both are
32 gated requiring a remote to open them. The front parking lot is lit by tall light poles and other
33 lighting in the area. Visibility at the scene was good. The night was cold and dry with little
34 noticeable wind.
35

36 The scene for this shooting was in the west portion of the front parking lot. This area is easily
37 accessible to the public. The area around the shooting scene was blocked off by yellow crime
38 scene tape, marked patrol units and uniformed patrol officers. Within the shooting scene, I saw
39 three marked RPD police units (#3916, #3912 & #3921), a silver colored Honda Civic (CA#
40 5DFN416), a burgundy Ford Expedition (CA# 6MDG325). Just outside of the scene, beyond
41 the west gate, I saw a black Ford Fiesta (CA# 6PNU467) and north of the Ford, I saw a fourth
42 marked RPD unit, #3145.

----------	-----	----------------------

1 The front parking lot had several vehicles parked in the various parking spaces near the west
2 entry gate. In one of the spaces along the south wall, was RPD unit #3916. West of #3916, unit
3 #3921 was stopped long the north side of the driving lane facing west.

4
5 In front of #3921 was the silver Honda Civic. The Honda was in the middle of the driving lane,
6 facing southwest and both the driver's door and front passenger doors were open. There was
7 broken vehicle glass, blood stains and parts of a side mirror on the ground around and under
8 the Honda. There were bullet holes in the windshield, the engine hood, the dashboard, the rear
9 driver's door, the front passenger door and the top of the car on the passenger side. On the
10 ground outside of the front passenger door, I located a black backpack. There was blood on the
11 steering wheel and in the driver's compartment and seat. On the ground outside of the driver's
12 door, I located a single sandal (the other one from the pair appeared to be on the floor of the
13 driver's compartment), two disposable lighters, what appeared to be a key, a piece from an iPod
14 and an SD card. The Civic had considerable traffic collision damage on it. The front bumper
15 was almost completely off of the car and showed signs of a collision, the driver's door had
16 considerable damage to it as well and the front left tire was flat. Both side mirrors were missing
17 and appeared to have been removed due to a collision. The driver side door window, front
18 passenger side door window and rear driver's side door window appeared to have been
19 shattered. Trash from various pieces of emergency medical equipment was located on the
20 ground near the driver side of this Honda.

21
22 Beyond the silver Honda and to the south of it, I located eight expended .40 caliber casings on
23 the ground. To the north of the casings, I located RPD unit #3912. The unit was facing south
24 with the driver's door open and the trunk door up. The right side flood light, the head lights and
25 the rear caution lights were on when I arrived. There was some traffic collision damage on the
26 driver's door, just below the "Riverside Police" logo, where the word "Police" was mounted.

27
28 Southwest of unit #3912, I located the burgundy Expedition. It was stopped in the roadway
29 facing south with its front bumper touching the rear bumper of the burgundy Honda Accord. On
30 the rear bumper of the Expedition, I located scrapes and paint transfers consistent with a minor
31 traffic collision. The burgundy Accord was in a parking space along the south wall, facing south.

32
33 East of unit #3912, I located five expended .40 caliber casings on the ground.

34
35 Northeast of the casings behind unit #3912, I located a broken side mirror assembly. This was
36 near the west entry gate. There was a black mark on the standing fence side of the west entry
37 gate. This appeared to be some type of traffic collision damage.

38
39 North of the west entry gate, I located the black Fiesta parked facing southwest across the
40 roadway. It appeared to have been parked there to block entry and exit into the resident's
41 parking spaces. There was no obvious damage to this vehicle.

42
43 A few car lengths north of the black Fiesta, I located RPD unit #3145. This unit was stopped in
44 the middle of the roadway, facing south, and had its driver side door open.

1 **Scene Processing:**

2 Processing of the scene began with Sr. ID Tech McKay-Davis taking video footage of the scene
3 and surrounding area. Sr. ID Tech Ellis then took overall and close-up photos of the scene and
4 various items of evidence. The items were then marked and additional photos were taken to
5 show their orientation to the scene and close-ups of the items themselves. The items were then
6 measured from a known, fixed point (the southwest corner of building #2) before they were
7 collected. All of the items were taken by Sr. ID Tech McKay-Davis who booked them into
8 evidence. A total of 24 items were taken as evidence at the scene. See Sr. ID Tech McKay-
9 Davis' report for details.

10
11 Once the items were collected, the silver Honda Civic and burgundy Honda Accord were towed
12 to CIB for further processing. Both vehicles were entered as evidence tows by RPD dispatch.

13
14 While at the scene, I met with Ofc. Kerr. Ofc. Kerr had been assisting in the initial investigation
15 and had contacted W/Antonia Rodriguez, who was part owner of the burgundy Honda Accord.
16 Antonia had used her cell phone to take video of the events before, during and after the
17 shooting. Ofc. Kerr obtained her permission to take her cell phone so the video she took could
18 be downloaded for this case. I took her Samsung Android cell phone so it could be processed.
19 Ofc. Kerr also provided me a DVD which contained video footage of the apartment complex's
20 security cameras from the time of the shooting.

21
22 I cleared the scene at approximately 0500 hrs. Sgt. Russell stayed behind to coordinate the
23 biohazard clean-up to be done by the RPD Hazmat Unit. Once back at CIB, I was able to
24 review the video footage from Antonia's cell phone and the apartment complex. I made a CD
25 copy of the videos from the cell phone and it was booked into evidence along with the DVD from
26 the apartment complex.

27
28 **Disposition:**

29 This case will be forwarded to Det. Medici for his casebook.
