Narrative

On 02-25-13 at approximately 2110 hrs I was called by Sgt. Russell and told to respond to 7911 Arlington for an Officer Involved Shooting (OIS). I arrived at approximately 2200 hrs.

I attended a briefing given by Patrol Sgt Gary Toussaint and then was assigned to chart the weapons of the officers involved who had been transported to the Magnolia Police Station. I then responded to the station.

Evidence Tech Fuller photographed each officer from all sides prior to charting. None of the officers indicated they were injured. All weapons, magazines and ammunition were also photographed. The following is a synopsis of the results. See the supplemental report by Evidence Tech Fuller for further details (serial numbers etc.)
