Narrative of Supplemental Report:

On 1/2/14 at approximately 0700 hours, I received a request from Sgt. Dave Amador #490 to photograph the post examination of subject, Dontae Hayes (DOB: 4/27/93) at the Riverside Sheriff Office Morgue (coroner case number 2013-11960). At approximately 0848 hours, I arrived at the RSO Morgue and met with Detective Ron Sanfilippo #496 and Coroner personnel. I took (136) photographs of the post examination. I received (12) items of evidence labeled AUT01 through AUT12 (See attached Property Report) from RSO Coroner Technician B. Franco N4640 at approximately 1230 hours. I completed the post examination at approximately 1235 hours. I arrived at Magnolia Station at approximately 1330 hours and placed all evidence items inside the secured Vault at approximately 1338 hours. I downloaded the photographs to the secured Digital Image Management System (DIMS).

On 1/7/14 at approximately 1100 hours, I removed all evidence items from the secured Vault. I took (12) photographs of evidence item AUT04. I released all evidence items to Police Property Specialist Robbie Anzelde #1626 at approximately 1138 hours. The photographs were downloaded to the secured Digital Image Management System (DIMS). Please see attached Photo Log for detailed information.

No further action was taken.
