1 **Evidence:**

2 1 – DVD containing video from the Chevron station (3476 Van Buren Blvd)

4 **Investigation:**

5 On June 13, 2013 I returned to the Chevron gas station and met with the manager on duty who
6 provided me a DVD containing video footage from the business' various cameras from the night
7 of June 11th. I brought the video back to CIB and reviewed the footage for this case. The time
8 stamp on the videos is not correct. I estimated that the time on the video is approximately 15
9 minutes faster than actual time. All listed times are from the video's time stamp. What I saw
10 was the following:

11
12 **Camera #6** South side of the business, parking lot (Out of focus and blurry)

13
14 23:18:30 – Subject (believed to be S/Rashad Hopes) walks from the front of the Chevron
15 around the south side and to the rear (west side) of the business.

16 23:21:50 – Air 1 is over head using its night sun light.

17 23:21:29 – S/Hopes walks east from the rear of the business and hides behind a large
18 box like structure located on the south side of the business. He is illuminated several times by
19 Air 1 and his light colored shorts and dark shirt can be seen.

20 23:14:22 – A small light is turned on in S/Hopes' hands. It is possibly a cell phone.

21 23:23:35 – The small light is turned on a second time.

22 23:23:53 – S/Hopes leaves his hiding place and returns to the rear of the business.

23 23:28:39 – S/Hopes moves from the rear of the business heading east along the south
24 side of the business.

25 23:28:45 – S/Hopes turns heading south toward the perimeter of the property.

26 23:28:56 – S/Hopes is near the southern perimeter fence and then moves out of view.

27 23:28:55 – Three dark figures (believed to be RPD officers) and possible a K9, move
28 south from the front of the Chevron heading toward the area where S/Hopes was last seen.

29 23:29:01 – A fourth dark figure (also believed to an RPD officer) moves from the front of
30 the Chevron heading south to meet with the other officers. The officers stand by well short of
31 where the suspect had last been seen.

32 23:29:58 – Additional officers have joined the group and now move to cover behind a
33 parked car.

34 23:31:40 – A marked RPD unit moves into position near the group of officers.

35 23:32:40 – A second marked RPD unit moves up to assist by illuminating the area
36 around the suspect.

37 23:33:00 – The first marked unit and RPD officers move up toward the area where the
38 suspect was located.

39 23:33:22 – The K9 is deployed.

40 23:33:30 – The officers move up to the suspect.

41 23:38:25 – Medical aid arrives at the group of officers.
