Source and assignment:

On Friday, 9-13-13, Parole Agent Steve Webber and I (Sr. DA Inv. Robert Kwan) were assigned to the Riverside County Regional Gang Task Force, specifically region 7. We were wearing our GTF uniform and driving my assigned vehicle.

At about 2110 hours, we were conducting high visibility patrol in the city of Riverside known as the Eastside. We overheard a radio call of a subject who was suicidal and cutting himself with a knife. Dispatchers advised the subject was at the corner of 10th and Sedgewick. We also heard several units advising they were enroute to the call.

We continued our patrol within the Eastside when we heard a Riverside Police Department K9 unit arrive on scene. Seconds after the officer advised the subject with the knife still had the knife and was not complying with the Officer's command.

At that time, I thought the K9 unit was the only one on scene. We were in the immediate area at 10th and Park and responded. We drove west on 10th to the intersection of 10th and Sedgewick. I saw Riverside PD patrol units north of my location and drove to the area.

I parked my vehicle on the southeast corner of 10th. Both, Webber and I, exited our vehicle and walked north across the street to where Officers were standing within the yard of 2395 10th. The officers were standing inside the chain-linked fence of the residence. As I walked up, I could see numerous Riverside Police Department Personnel with their guns drawn and pointing it in the direction of a subject sitting down on a chair. I could see the subject holding something in his hand, but could not clearly see what it was. I could also hear Officers talking, but could not clearly hear what they were saying.

I noticed the subject was sitting under a window on the south side of the residence. I began to follow the sidewalk from 10th to Sedgewick and began walking north. My purpose was to gain entrance into the property through the pedestrian opening on Sedgewick to make sure occupants of the residence were evacuated. As I was walking on Sedgewick, I overheard numerous sounds of gunfire. As I looked in the direction of the Officers, I was unable to see them due to a large tree in the yard. I quickly walked south on Sedgewick and saw the person I previously saw sitting on the chair now on the ground not moving. Officer's then advised dispatch of "shots fired" and all Police personnel were code 4.

Shortly after hearing the broadcast over the radio, I moved my car onto Sedgewick, at 10th, to block northbound traffic. Crime scene tape was applied by Webber and we were instructed to conduct crime scene security at Sedgewick and 10th. We conducted scene security until we were advised to respond to the Riverside Police Department, Magnolia Station, for further instructions.

While at the Magnolia Station, Webber was interviewed and I was instructed to complete a supplemental report of my actions at the incident.
