Narrative of Supplemental Report:

On 09/13/13 at approximately 2150 hours, I was requested by Senior Forensic Technician S. McKay-Davis to respond to 10th Street and Sedgewick to assist with an Officer involved shooting investigation. I arrived at the location at approximately 2315 hours and met with Tech. McKay-Davis, along with Supervising Forensic Technician C. Fuller, CIB Detectives and Sgt. Toussaint for briefing. At approximately 2335 hours, I began my video (labeled evidence item SL04) of the exterior of the scene. At approximately 0235 hours, I began my video of the interior of the residence. I then began taking my overall, medium and close-up photographs. Next, I took measurements of the evidence items (see attached diagrams). I collected evidence items SL01 through SL04 (see attached Evidence Log and/ or Property Report for full item descriptions). I finished my assignment and left the location at approximately 0500 hours. I returned to the Magnolia Station at approximately 0510 hours and placed all evidence items into my secured evidence locker. I then downloaded (43) digital photographs into a secure file format (see attached Photo Log).

On 09/16/13 at approximately 1135 hours, I retrieved the video camera and began making my DVD copies of the scene. I labeled the DVD working copy evidence item SL04A. I then retrieved all evidence items from my evidence locker for processing. I placed all evidence items into the Magnolia Station Evidence Locker #43 at approximately 1235 hours. I was then request by Sergeant Amador to respond to the RPD Aviation Unit to take aerial photographs of the scene. I met with RPD Pilot R. Estes, who took me up in the RPD helicopter to take photographs of the scene. I finished my assignment and left the location at approximately 1420 hours. I returned to the Magnolia Station at approximately 1440 hours and downloaded (37) digital photographs into a secure file format.

No further action was taken.
