Narrative of Supplemental Report:

On 11/19/14 at approximately 0700 hours, I was requested by Sr. Forensic Technician T. Ellis to attend the autopsy for subject Vicente Martinez (DOB: 3/26/80) at the Riverside Sheriff's Office Morgue. At approximately 0845 hours, I arrived at the RSO Morgue and met with Detective G. Rowe, Detective A. Tillett, and Coroner personnel. I took (250) photographs of the post examination. I received (21) items of evidence labeled AUT01 through AUT21 from RSO Forensic Technician B. Pecchia #N2906 at approximately 1215 hours. I completed my assignment at approximately 1225 hours. I arrived at Magnolia Station at approximately 1310 hours and placed all evidence items inside the secured Vault.

On 11/20/14 at approximately 0900 hours, I removed evidence items AUT01 through AUT08, AUT10, AUT11, AUT13 ATU14, AUT17 through AUT21 from the secured Vault. Detective D. Smith assisted me in testing a hard white substance wrapped inside a plastic baggie from evidence item AUT07 for possible methamphetamine. The hard white substance with plastic baggie weighed approximately 15 grams and tested positive for possible methamphetamine. I took (4) photographs of the hard white substance and testing results. The baggie and the hard white substance were each packaged separately and labeled evidence items AUT07A and AUT07B. I placed all evidence inside the secured Vault at approximately 1111 hours. I removed the same evidence items listed above (except for AUT07A) from the secured Vault at approximately 1300 hours. I released the evidence items to Magnolia Station Property Lot #36 at approximately 1418 hours. I downloaded the photographs from the autopsy to the secured Digital Image Management System (DIMS).
