Several hours later, Detective Medici, Officer Jones, Officer Mowery, Officer Weddle and I conducted a 1

probation compliance check of the residence in attempts to locate any evidence, witnesses, and locate 2 Paula who was wanted. We knocked at the location and a male adult came to the door (see Detective

3 Medici's report for details). We cleared the residence and located Gerald Galvan; however, Paula was not 4

there. In one of the rear bedrooms I located the monitor attached to the exterior camera. The camera did 5

cover the street where the shooting occurred, however, was not recording. 6

Detective Medici identified all the occupants of the residence and we left the location. 8

I was later relived from the scene by Sgt. Cash at about 0330 hours. red Release 10
