62. Narrative of Supplemental Report On 11-22-13, at approx. 2327 Hours, partner Police Pilot Ratkovich #1511 and I were starting the helicopter to depart the police helicopter pad when we were dispatched to 1st and Vine for a shots fired radio call. As we were enroute, we were getting updated information that a possible perimeter would be needed east of the incident. It was unknown if anyone had fled the scene. When we arrived onscene, I set up a large perimeter to the east. I saw a vehicle in the south lot of 3020 E. La Cadena. The vehicle was facing north. I was asked by supervision to use the FLIR (Forward Looking Infrared) system to see if anyone was on the passenger side of the suspect vehicle. I could see a subject by the front passenger door. The door was open and It appeared the subject was laying half in the door area and half out. I also used the binoculars and saw a subject sitting in the front driver's seat. I also used the FLIR to scan the neighborhood and businesses that surrounded the scene for any potential outstanding suspects. It was determined no one had fled the scene and we cleared as the investigation continued.		Reporting Officer Jerry Post Reviewed By <i>[Signature]</i> COPIES TO VCLO () ACTIONS APB Sent APB Cancld.
