62. Narrative of Supplemental Report On November 16, 2011, at approximately 0737 hours, I was at the Lincoln Street Station preparing my unit for patrol when I heard "11-99 - Shots Fired" radio ct. traffic. I responded to 10406 Indiana for the request of emergency back-up, when I arrived I set up a position north and east of the suspect's apartment. I remained there until sufficient officers arrived with long rifles to cover the suspect's apartment. After being relieved on the perimeter position, I returned to the command post and waited for the Technical Services Unit Detectives Brandt #268 and Dana #281 to arrive with the robotic equipment. The equipment was requested to assist in communication with the suspect. I assisted in setting up Detective Dana's robot prior to deployment. Once Detective Dana began to drive his robot, I deployed a second robot to assist Detective Dana. After I drove the robot to the front of the apartment, I was given the directive to stage the robot outside the apartment, which I did. The Metro Team made entry and determined the robot would not be necessary inside of the apartment. I returned the robot to the TSU truck and assisted in putting away the robot and other equipment.
