Narrative:

On 10-14-12, at approximately 2300 hours, Sergeant D. Amador called me and asked that I respond to 3750 Myers Street, in the city and county of Riverside, to assist with an Officer Involved Shooting Investigation. I arrived at approximately 0005 hours.

I attended a briefing of the incident provided by Riverside Police Department Sergeant K. Lambert. Following the briefing, I was assigned to respond to the Magnolia Station and assist with interviews. I began by interviewing Sergeant M. Cash (see my Supplemental Report) and then I interviewed Sergeant Lambert. The interview began at approximately 0305 hours and was audio recorded on my Puma digital recorder. The recording was later downloaded under file# P12-149530. Below is a synopsis of the interview. Refer to recording for details.

Sergeant Lambert

Sergeant Lambert is a uniformed supervisor in Field Operations assigned to Watch A. He had just completed briefing at the Lincoln Station when he was advised by dispatch of a 5150 subject armed with a handgun radio call on Myers Street. He acknowledged the call and said he would be enroute. After finding a Watch Commander vehicle he put himself in service and enroute to the call over the air. While driving to Myers Street he heard an officer go in foot pursuit and thought the foot pursuit was related to the 5150 radio call but shortly determined it was not. He also monitored additional radio traffic that the subject was sitting on the couch and the gun was on the table.

He arrived at 3750 Myers Street about the same time as Officer Reid and Sergeant D. Foy. He did not know if any other officers were already on scene but as he walked into the complex he could hear someone giving commands. Dispatch confirmed the involved apartment to be number 55, which they found to be upstairs and in the west end of the complex. He went to the apartment while Sergeant Foy and Officer Reid went to the back side of the building. When he got to the door he saw Officer Gomez and an unknown second officer standing on the north side of the door and another group officers standing on the south side of the door. He joined up with Officer Gomez and Sergeant Stump on the north side of the door. The door was open and Officer Gomez was trying to look through a window.

Sergeant Lambert felt the circumstances regarding the call and the way things were playing out at the scene was suspicious. The radio traffic he monitored regarding the call made him feel there was someone with the subject with the gun who was reporting the suspect's actions. The fact that nobody was responding to the commands or exiting the apartment did not seem right to him. He thought the suspect was trying to bait them into the apartment. He asked dispatch if the Reporting Party was the suspect with the gun and they confirmed he was. He then told the officers to stop making commands into the apartment and he told Officer Gomez to move away from the window. Sergeant Lambert never heard any response from within the apartment. He saw Sergeant Cash directing officers on the other side of the door. He requested Air One and additional units to the scene. When Air One arrived he used Sergeant Stump's flashlight to help direct Air One to the correct location. He asked Air One to light up the apartment so responding officers could find it easier.

As he was setting up a perimeter around the apartment he saw the suspect come to the threshold of the doorway, with a gun in his right hand, and continue to walk out of the

apartment. He described the weapon as being a black semi-auto handgun and said the suspect had it pointed at about a 45 degree angle from the ground. Sergeant Lambert removed his handgun from the holster but realized he was unable to shoot because there were officers in between him and suspect. He then saw Officer Gomez fire at the suspect from approximately 10 to 15 feet away and the rounds appeared to hit the suspect. The suspect did not stop and continued outside where he would have come into view of the officers on the opposite side of the door. He then heard more gunshots and heard someone yelling to watch the crossfire. He, Sergeant Stump and Officer Gomez backed away from the area and took cover in the recessed area near the front door of the neighboring apartment.

Once the suspect went down and the shooting stopped Sergeant Cash dealt with taking the suspect into custody and conducting a safety check of the suspect's apartment.

Sergeant Lambert said the suspect was still moving but not saying anything. Sergeant Lambert requested medical aid to roll in to provide medical attention. While this was going on he heard someone talk about a knife being on the ground. He looked and saw a large kitchen knife lying on the landing south of the front door. Once the scene was secured he obtained a safety brief from Officer Gomez. He then got 3 FI cards from Officer Gomez, folded them in half, and placed each of them over spent casings on the ground.

He said he also saw the black handgun again on the 1st floor quad area below the suspect's apartment.

Sergeant Lambert said Riverside Fire Department, Engine 2 personnel and American Medical Response, Unit 356, provided medical attention to the suspect, however; he was pronounced deceased at the scene by RFD Firefighter/Paramedic Seawright.

Sergeant Lambert does not have a recording of this incident.

Sergeant Lambert then had his duty weapon charted by Senior Evidence Technician S. McKay-Davis.

No Further Information.
