Commissioner Rotker thanked Mr. Hudson for his time and the update.

Vice-Chair Santore thanked Mr. Hudson for his time and suggested scheduling Chief Diaz for the February meeting.

OLD BUSINESS

Sanchez Officer-Involved Death (OID) Evaluation Process

Continued discussion and action, if any, on the OID evaluation. The Commission has initiated Stage II (Fact Finding & Certification Process). Discussion at this stage is to identify facts that need to be clarified or investigated further, and to follow up on prior Commission request of Staff and CPRC investigator for facts to be clarified or investigated.

Due to the absence of several commissioners, discussion of this item was deferred to the January meeting.

Outreach

A) Update on the steps that have been taken to provide outreach to the City's homeless population.

Mr. Lara advised that Ms. Sherron was working on compiling a list of agencies that, as part of their primary functions, provide services to the homeless in Riverside. Once the list has been compiled, letters will be sent to these agencies regarding the Commission.

Training

A) Continued discussion and action, if any, regarding a CPRC workshop to "revisit the Council's original intentions and examine the CPRC's current functions" as indicated in Chair's annual report to City Council on Oct. 5th 2010.

Due to the absence of several commissioners, discussion of this item was deferred to the January meeting.

Vice-Chair Santore advised Mary Shelton that she could speak on Items 8 – 10 as Commission discussion on these items would be deferred to January.

Ms. Shelton agreed with the deferment of the Sanchez OID because more than a quorum should be present for discussion and action. She appreciates the work being done regarding outreach to the homeless. She asked for more clarification on Item 10 – Training, as she missed Chairman Percy's annual report to Council and is unsure of the nature of the workshop. She also commented on possible future training regarding carotid restraint, Tasers, and hobble restraint.

NEW BUSINESS

Annual Report 2010

Creation of an ad-hoc committee to begin work on the 2010 Annual Report

Due to the absence of several commissioners, discussion of this item was deferred to the January meeting.

Staff Report

Mr. Lara advised that the additional information regarding the Acevedo OID had been received from the Baker Street Group. Mr. Lara asked if the Commission wanted the information distributed or held until they were ready to begin work on the case. The general consensus was that the report be distributed.

Mr. Lara also advised that invoices had been received from both the Baker Street Group and Martinelli. To date, the cost for the Sanchez OID was \$2,204.60; the Acevedo case was \$3,012.50.

Commission Member Comments

Pursuant to Government Code Section 54954.2, Commission members may use this time to make brief announcements or a brief report on their own activities.
