

F. Stage VI – Officer-Involved Death Case Public Report

1. Upon completion of the preceding stages, the Commission shall direct the Manager to write a draft of the OID Public Report containing information, rationales, and findings from all of the above stages. The Manager will draft the report and distribute the completed draft to the Commissioners prior to the next Regular Meeting. Once Commissioners have addressed any changes and potential inclusion of dissenting opinions, the Manager will modify the draft and distribute to Commissioners for their final review.

2. At the next Regular Meeting, the Chair calls for final discussion and a majority vote of approval of the Commission's OID Public Report.
