Seizing Our Destiny is Riverside's community-driven campaign that builds on the City's existing strengths to create an even better place to live, work, and play for future generations. The program's goal is to improve quality of life, attract diverse and dynamic people, encourage innovation, and work together for the common good. The following recently-completed projects exemplify the Seizing our Destiny ideals.

1. **Riverside Center for Social Justice and Civil Liberties** – The center features the works of Riverside native and Japanese-American artist Miné Okubo, who left the bulk of her collection to her alma mater, Riverside City College. The ground floor features exhibits of stories of social justice and civil liberties by Riverside residents.
2. **Solar Panels** – The addition of solar panels to business and residential facilities is an example of why Riverside continues to be an international magnet and model for sustainable business, environmental innovation, and green living with a synergistic partnership of industry, City leadership, and residents.
3. **University of California, Riverside (UCR) School of Medicine** – Projected to enroll its first incoming class in August 2013, the mission of the UCR School of Medicine is to train a diverse physician workforce and develop research and health care delivery programs to improve the health of medically underserved populations.
4. **Barbara and Art Culver Center for the Arts** – Opened in October 2010 in the renovated 1895 Rouse Department Store, the Culver Center features exhibition and performance space, a magnificent 40-foot clerestory Atrium, a café, and an 80-seat film and video screening room on the ground floor. Foreign, experimental, alternative, and independent films are featured each weekend.
5. **Railroad Grade Separation, Magnolia Avenue** – Completed in 2012, this Riverside Renaissance project lowers Magnolia Avenue under the Union Pacific Railroad (UPRR) tracks, shifts the alignment of Magnolia Avenue approximately 50 feet to the west, and contains a two-track railroad bridge. The project has removed a major impediment to drivers, goods movement, and emergency services that divided this portion of the City in two.
6. **Hunter Hobby Park** – Indicative of the many recently completed park projects throughout the City, project improvements include three lighted sports fields, additional on-site parking, a new children's playground, basketball courts, picnic facilities, and preservation of the Live Steamer's miniature railroad that has operated in the park for a number of years.

GFOA BUDGET AWARD

The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to the City of Riverside, California, for its Annual Budget for the fiscal year beginning July 1, 2011.

In order to receive this award, a government unit must publish a budget document that meets program

criteria as a policy document, as an operations guide, as a financial plan, and as a communications device.

This award is valid for a period of one year only. The City of Riverside is confident that the City's fiscal year 2012/13 Annual Budget document continues to conform to program requirements. Accordingly, this budget document has been submitted to GFOA.

CITY MANAGER'S BUDGET MESSAGE

CITY MANAGER'S BUDGET MESSAGE

Office of the
City Manager

May 22, 2012

Honorable Mayor and City Council Members
City of Riverside
3900 Main Street
Riverside, CA 92522

Fiscal Year 2012/13 Budget Hearing

Honorable Mayor and City Council Members:

I am pleased to submit the Proposed Fiscal Year 2012/13 Budget for your consideration and for additional public comments during the June 12 Budget Hearing.

This budget proposes to conserve limited resources while reflecting a continuing economic recovery, as demonstrated by recently experienced revenue trends as well as local, regional, and national economic forecasts. Riverside is uniquely positioned for the coming fiscal year as a direct result of the City Council's judicious management during the economic downturn and the strategic augmentation of service levels during the past two fiscal years.

The proposed budget provides a high level of public services and retains a highly productive workforce. Key indicators of the City's stability include a General Fund bond rating that has been affirmed in the last year with a stable outlook, and maintenance of an approximately \$40 million General Fund reserve equivalent to 18% of General Fund expenditures.

CITY MANAGER'S BUDGET MESSAGE

Page 2 of 17

Fiscal Year 2011/12 Year in Review

Appropriations from Reserves

Subsequent to adoption of the Fiscal Year 2011/12 General Fund budget, the City Council has appropriated funds from the General Fund reserve for various mid-year funding requirements. In total, the mid-year appropriations amount to \$1.1 million. The primary mid-year appropriation was \$800,000 appropriated on July 12, 2011, for the acquisition of land for Mission Ranch Park and for a joint project with Riverside County to construct a linear park/trail along the Box Springs Corridor. The following table summarizes the mid-year appropriations to date from the General Fund reserve:

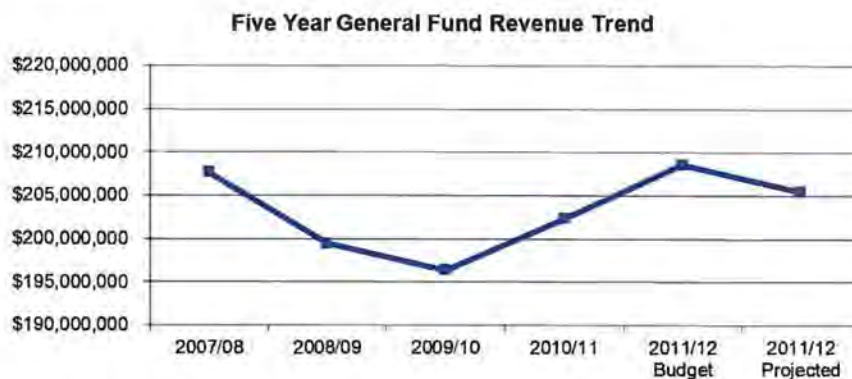

Item	City Council Approval Date	Amount
Mission Ranch and Box Springs Corridor Acquisition	July 12, 2011	\$ 800,000
Measure I Election	July 26, 2011	85,000
TriTech Small Business Development Center	September 27, 2011	30,000
RCC Aquatics Complex Maintenance	October 25, 2011	100,000
Economic Development Efforts	February 28, 2012	100,000
Total		\$ 1,115,000

General Fund Revenues

General Fund revenues began their decline in Fiscal Year 2007/08 as the economic downturn began to negatively impact the City's revenues. The City's revenues hit their low point in Fiscal Year 2009/10 at \$196.4 million, down from a high in Fiscal Year 2006/07 of \$208.9 million. Since that time, revenues have been slowly increasing as indicated in the chart below. The adopted Fiscal Year 2011/12 budget forecasted revenues for the General Fund totaling \$208.6 million. For the reasons outlined below, the year-end forecast of General Fund revenue is \$205.5 million.

CITY MANAGER'S BUDGET MESSAGE

Page 3 of 17

The shortfall in General Fund revenues can be attributed primarily to the following major variances:

1. The State permanently redirected vehicle license fee (VLF) revenues formerly received by the City to other purposes. The impact of this take-away by the State amounts to \$1,130,000 in the current year.
2. Fines and Forfeits revenues are forecasted to decrease primarily as a result of two issues:
 - a. The City is projected to receive \$1,800,000 less as a result of the maturing of the City's neglected property abatement program. The program is working as intended and has resulted in proper maintenance of many foreclosed properties by banks. The compliance rate has improved, and as a result revenues are coming in below original estimates.
 - b. The City is projected to receive \$1,154,000 less as a result of reduced revenue from red light cameras. This is primarily due to CalTrans construction work on the State Route 91, which has resulted in the removal of various red light cameras on freeway on/off ramps.
3. One-time revenue is anticipated to be \$1,200,000 less than budgeted. Each year, the City's accounting staff typically identifies one-time revenues from various sources in an amount exceeding the budget. However, for the current year, the amount anticipated at this time is only \$400,000.

CITY MANAGER'S BUDGET MESSAGE

Page 4 of 17

These shortfalls have been partially offset by the following additional revenues:

1. Additional property tax revenue is anticipated, which has been generated as a result of the dissolution of the City's Redevelopment Agency. Specifically:
 - a. The City is projected to receive \$1,270,000 in property tax increment formerly received by the Redevelopment Agency, which results from unused resources flowing from the Redevelopment Agency to the various taxing entities located in the City. This is a conservative estimate, and the actual amount received may be higher.
 - b. The City received \$602,000 of pass-through revenues from the Redevelopment Agency, which previously were not requested from the Agency but the City is entitled to receive under existing law.
2. Additional sales tax revenue in the amount of \$609,000 is anticipated, which is a result of the positive economic trends seen nationwide.

	2011/12 Adopted	2011/12 Projected	Budget Variance
Sales & Use Taxes	\$ 46,611,000	\$ 47,220,000	\$ 609,000
Property Taxes	44,389,533	46,713,575	2,324,042
Interfund Transfers	39,936,100	39,791,080	(145,020)
Utility Users Tax	27,525,200	27,521,000	(4,200)
Charges for Services	11,192,392	10,880,205	(312,187)
Fines & Forfeits	8,793,998	5,375,033	(3,418,965)
Licenses & Permits	7,421,323	7,158,863	(262,460)
Franchises	4,970,000	4,949,000	(21,000)
Other	4,685,123	4,823,698	138,575
Special Assessments	4,525,220	4,760,220	235,000
Transient Occupancy Tax	3,197,700	3,142,000	(55,700)
Property Transfer Tax	1,418,000	1,450,000	32,000
Intergovernmental	2,350,000	1,303,739	(1,046,261)
One-Time Revenues	1,600,000	400,000	(1,200,000)
Total	\$ 208,615,589	\$ 205,488,413	\$ (3,127,176)
Carried Forward Revenue	2,625,240	7,000,000	4,374,760
Adjusted Total	\$ 211,240,829	\$ 212,488,413	\$ 1,247,584

General Fund Expenditures

The adopted General Fund expenditure budget peaked in Fiscal Year 2007/08 at \$226.5 million. The economic downturn began that year, and revenues never rose above the \$208.9 million seen in Fiscal Year 2006/07. As a result of the economic downturn and resulting declining revenues, the General Fund expenditure budget was cut to a low of \$194.7 million in Fiscal Year 2010/11, reflecting a 14% decrease from

CITY MANAGER'S BUDGET MESSAGE

Page 5 of 17

Fiscal Year 2007/08. In Fiscal Year 2011/12, the General Fund expenditure budget was cautiously increased to \$211.2 million, primarily to fully fund required contributions to the City's Liability Insurance Trust Fund and to accommodate increasing CalPERS rates. For the reasons outlined below, the year-end forecast for General Fund expenditures has increased to \$213.7 million.

Five Year General Fund Expenditure Trend

The increase in General Fund expenditures can be attributed primarily to the following major variances:

1. The mid-year appropriations discussed above have increased the projected expenditures by \$1,115,000.
2. As a result of the elimination of the Redevelopment Agency, projected expenditures have increased by \$917,000. Additional information regarding the impact of the elimination of the Redevelopment Agency is provided below.
3. Staff conducts a variance analysis on a department by department basis throughout the year. Forecasted General Fund expenditures are projected to be \$458,000 above the adopted budget, when including managed savings of \$4,248,000 targeted for achievement. Some of this managed savings is related to anticipated pension and benefit concessions that have not been achieved, which accounts for the failure to achieve the targeted level of savings.

CITY MANAGER'S BUDGET MESSAGE

Page 6 of 17

	2011/12 Adopted	2011/12 Projected	Budget Variance
Department Budgets	\$ 213,703,814	\$ 215,079,215	\$ 1,375,401
Mid-Year Appropriations	-	1,115,000	1,115,000
Net Cost Allocation	(21,775,141)	(21,775,141)	-
Net Debt Allocation	19,312,156	19,312,156	-
Total	\$ 211,240,829	\$ 213,731,230	\$ 2,490,401

With the passage of AB 1X 26 and its ultimate validation by the California Supreme Court in December, the City's Redevelopment Agency was dissolved effective February 1, 2012. Expenditure impacts for Fiscal Year 2011/12 of approximately \$917,000 include the following items:

1. \$625,000 for code enforcement in Redevelopment Project Areas formerly charged to the Redevelopment Agency.
2. \$247,000 for graffiti abatement in Redevelopment Project Areas formerly charged to the Redevelopment Agency.
3. \$45,000 for various other charges to the former Redevelopment Agency that have been discontinued.

It should be noted that these impacts are for only five months of the fiscal year, from the date of dissolution in February through June 30, 2012. These amounts are in addition to the sizable amounts already shifted from the Redevelopment Agency to the General Fund in the adopted Fiscal Year 2011/12 General Fund budget in anticipation of the reduced Redevelopment Agency funding. All of these additional costs have been accounted for in the proposed budget for Fiscal Year 2012/13 and are now supported by general purpose General Fund revenues.

Should the revenue and expenditure forecast outlined above come to pass as currently projected, the General Fund reserve balance would decrease to approximately \$39.1 million as of the close of Fiscal Year 2011/12. However, staff anticipates that sales tax receipts for the third and fourth quarters will increase as they have in the first and second quarters. Additionally, as outlined above property tax revenue received from the former Redevelopment Agency may exceed the amount budgeted. These increased revenues will likely reduce or entirely eliminate this projected decrease in the reserve, and the balance would remain at approximately \$40 million as the books are closed for Fiscal Year 2011/12 in September and October.

CITY MANAGER'S BUDGET MESSAGE

Page 7 of 17

Proposed Fiscal Year 2012/13 Budget

The City's overall Proposed Budget for Fiscal Year 2012/13 is \$1,153,626,371 with General Fund expenditures totaling \$220,714,911.

Of particular note is that the budget is targeted to sustain the General Fund reserve of approximately \$40 million, comparable to the level projected for the end of the current fiscal year and representing approximately 18% of the total General Fund. The City retains this fiscal backstop which:

- Preserves the City's extremely strong credit rating (which generates additional savings through reduced financing costs); and
- Positions the City to address economic opportunities which may arise as the regional economy moves in a positive direction.

Organizational Changes

During the course of my first year as City Manager, with your support and concurrence, I have made a number of organizational changes to the City's Departments. These changes are reflected in the proposed budget for Fiscal Year 2012/13 including:

- Moving Economic Development from the Development Department to the City Manager's Office.
- Moving Capital Projects from the Development Department to the General Services Department.
- Moving Arts & Cultural Affairs from the Development Department to the Museum Department.

In addition to these changes already implemented, the following changes are proposed for implementation with the start of the 2012/13 Fiscal Year:

- The Development Department will merge with the Community Development Department, with our new Community Development Director serving as Department Head reporting to Deanna Lorson. Emilio Ramirez will continue to serve as Development Director and will report to the Community Development Director.
- The Finance Division will once again be a separate Finance Department, with Brent Mason continuing to serve as Finance Director reporting directly to me.
- The Safety Section of the new Finance Department will be transferred to the Human Resources Department. The Workers' Compensation Division was transferred last fiscal year, and given the close relationship between these two functions this transfer makes good organizational sense.

CITY MANAGER'S BUDGET MESSAGE

Page 8 of 17

- Until Fiscal Year 2004/05, certain contracts and programs were budgeted in the Non-Departmental section of the budget. These items were budgeted there because they are typically large and are not subject to cuts in the same manner as other programs in times of economic downturn (either because the City is contractually obligated to fund the program or because there are dedicated revenue sources providing the required funding). Since these items were moved to various Departments' budgets in Fiscal Year 2005/06, evaluating the ability of departments to reduce their budgets has been made more challenging. We are, therefore, bringing back the Non-Departmental section of the budget in Fiscal Year 2012/13, with the following contracts and programs to be included there:

1. Street Light Assessment District
2. Fox Performing Arts Center
3. City Hall Occupancy Costs
4. Convention and Visitor Contract
5. Red Light Photo Enforcement Program
6. Landscape Maintenance Districts
7. Animal Control Contract
8. Other Miscellaneous Contracts and Programs

Department Heads will continue to exercise operational and budgetary control over these contracts and programs, but moving them to the Non-Departmental section of the budget will make the task of projecting expenditures and analyzing operations much easier going forward.

Revenue Trends

Revenues supporting non-General Fund functions remain strong and will support operations, capital improvements and related costs in these areas. The following table shows these revenue sources:

	2011/12 Budgeted	2012/13 Estimated	Change
Charges for Services	\$ 462,963,047	\$ 472,488,915	\$ 9,525,868
Intergovernmental	81,034,393	66,617,493	(14,416,900)
Taxes	50,125,635	50,253,035	127,400
Other (Primarily Interest)	24,334,785	38,252,618	13,917,833

Charges to Departments	11,936,687	12,431,282	494,595
Bond Proceeds	125,702,520	318,202,380	192,499,860
Total	\$769,533,515	\$971,598,168	\$202,064,653

CITY MANAGER'S BUDGET MESSAGE

Page 9 of 17

The decrease in intergovernmental revenues is the result of decreased grants budgeted for transportation capital projects in the Fiscal Year 2012/13 budget. Because many grants provide multi-year funding for large projects, these revenues are of a cyclical nature. The increase in other revenues is the result of a contribution in aid of construction to the Water Fund, which relates to ongoing CalTrans construction activity. Lastly, the increase in bond proceeds is primarily attributable to the appropriation of \$217.0 million for the remainder of the Water Quality Control Plant Expansion project.

General Fund revenues, which support many of the City's basic operations and services, are comprised primarily of Property and Sales Tax proceeds. General Fund revenue is estimated at \$218.3 million, a 6.2% increase from projected Fiscal Year 2011/12. The table below illustrates the various components:

	2011/12 Adopted	2012/13 Requested	Change
Sales & Use Taxes	\$ 46,611,000	\$ 51,079,000	\$ 4,468,000
Property Taxes	44,389,533	47,265,758	2,876,225
Interfund Transfers	39,936,100	40,890,700	954,600
Utility Users Tax	27,525,200	28,397,050	871,850
Charges for Services	11,192,392	11,758,858	566,466
Licenses & Permits	7,421,323	7,456,234	34,911
Franchises	4,970,000	5,099,000	129,000
Other	4,685,123	5,044,881	359,758
Fines & Forfeits	8,793,998	4,955,437	(3,838,561)
Special Assessments	4,525,220	4,749,395	224,175
Transient Occupancy Tax	3,197,700	3,912,000	714,300
Property Transfer Tax	1,418,000	1,500,000	82,000
Intergovernmental	2,350,000	1,220,000	(1,130,000)
One-Time Revenues	1,600,000	5,000,000	3,400,000
Total	\$208,615,589	\$218,328,313	\$ 9,712,724
Carried Forward Revenue	2,625,240	1,422,322	(1,202,918)
Adjusted Total	\$211,240,829	\$219,750,635	\$ 8,509,806

In preparing the City's annual budget, significant attention is always focused on General Fund revenue trends, to ensure that funding levels are projected at sustainable levels. As shown below, the City's General Fund revenue trends have closely followed economic cycles:

CITY MANAGER'S BUDGET MESSAGE

Page 10 of 17

General Fund Revenue Trend

As is noted in the table above, General Fund revenues are forecasted to grow by \$12.8 million versus the current year, or 6.2%. This increase is primarily attributable to the continuing increase in sales tax revenue, which is now reaching levels not seen since before the recession and is forecasted to grow by approximately \$4 million. With the dissolution of the Redevelopment Agency, approximately \$2 million of additional property tax revenue will flow to the General Fund. As a result of the voter-approved increase in the City's transient occupancy tax rate, 1% of the ultimate 2% increase will be assessed beginning July 1, 2012. The estimated increase in transient occupancy tax revenue is approximately \$700,000. Lastly, the City is entering into a transaction to sell certain delinquent property tax receivables that should generate an as yet undetermined amount of one-time revenue. A conservative estimate of the revenue that will be generated is \$3 million, and this amount is reflected as one-time revenue in the proposed Fiscal Year 2012/13 budget. These four items account for \$9.7 million of the \$12.8 million increase in revenues anticipated, with the balance distributed throughout most of the other categories of revenue in the budget.

Expenditure Trends

As is customary, Public Utilities, Public Works, and Community Development functions represent the majority of total City spending, which reflects the nature of these enterprise/capital oriented functions. Annual funding levels are largely driven by capital projects and external resources associated with such undertakings. Projected expenditures in the Public Works Department will be increasing as a result of an increase in budgeted capital projects in Fiscal Year 2012/13. Conversely, as a result of the dissolution of the Redevelopment Agency expenditures in the Community Development Department will be decreasing by approximately 43%. Non-General Fund expenditures are categorized in the table below for quick reference:

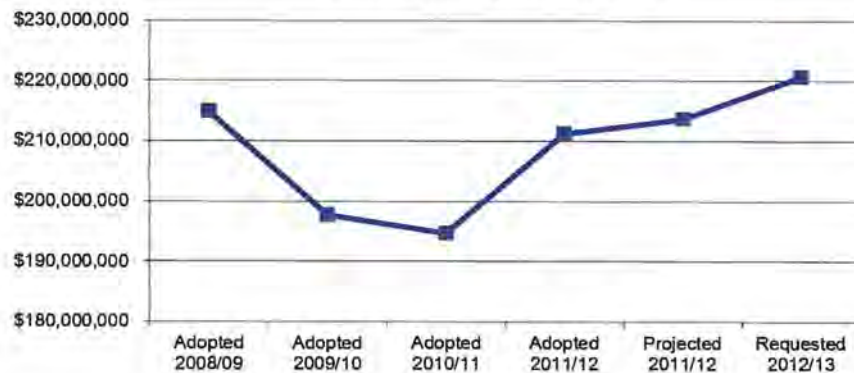

CITY MANAGER'S BUDGET MESSAGE

Page 11 of 17

	2011/12 Budgeted	2012/13 Requested	Change
Public Utilities	\$ 478,584,039	\$ 481,990,825	\$ 3,406,786
Public Works	201,063,065	380,314,821	179,251,756
Community Development	57,861,398	33,040,468	(24,820,930)
Finance	19,201,378	15,483,812	(3,717,566)
General Services	11,332,756	10,945,818	(386,938)

The General Fund is the portion of the Budget through which the City Council directs resources to provide most basic governmental services, particularly in the public safety arena. Given the significance of this portion of next year's spending plan, the next section of this report will focus primarily upon these budgetary elements.

General Fund Expenditure Trend

The size of the City's General Fund is largely tied to the overall health of the regional economy. The recent past has seen a national economic slowdown that has exerted extreme downward pressure on Inland Southern California. Over the last two years, this trend has started to reverse. The City Council's prudent fiscal policies combined with the City's operational successes have allowed Riverside to responsibly navigate through the unprecedented, successive drops in key revenue sources. Now that revenues are again increasing, the City is well-positioned to cautiously restore services in key areas.

As the economy begins to rebound, Riverside is poised to seize its destiny by enhancing targeted public service levels provided to City residents. As the first step in moving forward with this goal, funding has

CITY MANAGER'S BUDGET MESSAGE

Page 12 of 17

been allocated to economic development given that it is a key priority for the City Council for the upcoming year. As a result, Economic Development Division staff have been moved from the Development Department to the City Manager's Office to focus on meeting the objectives in the Seizing Our Destiny initiative to recruit highly desirable companies; incubate, support and help entrepreneurs; create sustainable funding mechanisms and attract investment to support business innovation; streamline government procedures, processes, and forms through an Ombudsman; and retain and train Riverside residents to take on these new job opportunities. The total impact of this change is approximately \$1.4 million.

While staff is hopeful that continued revenue growth in the coming year will allow services to continue to be augmented in the Fiscal Year 2013/14 budget or perhaps mid-year in Fiscal Year 2012/13, there are a number of issues that must be addressed with the bulk of the additional revenue anticipated.

- As discussed earlier, the dissolution of the Redevelopment Agency in February has resulted in additional General Fund costs of \$917,000 in Fiscal Year 2011/12, which when annualized equal an impact of over \$2 million in Fiscal Year 2012/13. This amount is in addition to the costs already absorbed by the General Fund in prior fiscal years as available Redevelopment resources declined.
- The City's Cost Allocation Plan allocates out the cost of centralized services such as Human Resources, Finance, and the City Clerk's Office. Because these functions must continue, the costs of those Departments' operations continue to be funded by the public-facing Departments throughout the City. With the dissolution of the Redevelopment Agency, cost allocations formerly allocated to the Agency have been shifted Citywide to other Departments, with much of those costs now allocated to the General Fund. This amount is estimated to be approximately \$2 million.
- The final component of the debt service associated with the Riverside Renaissance, which is attributable to park and community center projects constructed over the past five years, has been incorporated into the proposed General Fund budget. Originally this debt service was intended to be funded through park development impact fees collected from new development. However, these fee revenues have declined and are not able to service the debt. In the future, as revenues increase, the debt service will be shifted back to the impact fees fund to the extent that funding is available. The total impact of this change is approximately \$3.1 million.

CITY MANAGER'S BUDGET MESSAGE

Page 13 of 17

- The adopted budget for Fiscal Year 2011/12 assumed that certain pension and benefit concessions would be achieved. While much of what was anticipated was achieved, ultimately the collective bargaining process resulted in a final result that produced a lower level of savings than was originally anticipated. Just as this change results in achieving less than the desired level of managed savings in Fiscal Year 2011/12, it has resulted in the need to increase the General Fund budget to fully fund the level of benefits that the City is contractually obligated to provide to its employees.

The following chart summarizes the proposed General Fund budget by department, including the items detailed above, resulting in a total City General Fund budget for Fiscal Year 2012/13 of \$220,714,911:

	2011/12 Budgeted	2012/13 Requested	Change
City Attorney	\$ 3,525,453	\$ 3,400,266	\$ (125,187)
City Clerk	1,119,710	1,016,697	(103,013)
City Council	1,004,760	1,074,080	69,320
City Manager	14,820,634	5,242,083	(9,578,551)

Pension Reform Savings	(1,271,645)	(1,497,122)	(225,477)
Net Cost Allocation Plan	(21,775,141)	(17,851,693)	3,923,448
Net Debt Service Allocation	19,312,156	23,253,711	3,941,555
Total	\$211,240,829	\$220,714,911	\$ 9,474,082

* The decrease in the Police budget and increase in the Fire budget is the result of reinstating the charge for 25% of dispatch operations.

CITY MANAGER'S BUDGET MESSAGE

Page 14 of 17

With economic indicators showing positive signs (both nationally and regionally), expenditures are projected to increase approximately 4.5%. As a result, next year's budget will allow continued direction of funds to support the City Council's key priorities:

- Police & Fire
- Economic Development
- Code Enforcement
- Parks and Community Service Programs
- Libraries
- Project BRIDGE & Youth Opportunity Center
- Anti-Graffiti Program
- Environmental Stewardship
- Arts & Innovation
- Seizing Our Destiny

General Fund Reserves

The Fiscal Year 2012/13 General Fund budget as currently proposed is not balanced. While several additional revenue sources have been identified such as the sale of property tax receivables, absent these one-time revenues a usage of reserves of approximately \$6 million would be required. However, the economy continues to improve and revenues are steadily increasing. The approximately \$5 million of one-time revenue anticipated for Fiscal Year 2012/13 is a conservative estimate, with actual revenue to be received from the sale of the property tax receivables anticipated to be higher. Nevertheless, the budget, as proposed, anticipates a remaining deficit of just under \$1 million.

Staff will continue to identify opportunities to conserve resources whenever possible and to identify new revenue sources throughout the year. At the mid-year report in January 2013, it is anticipated that we will have a clear indication of the continued improvement of the economy and related increases in revenue.

Fortunately, our employees have worked with us throughout the economic downturn to control costs and we have contracts with all of our bargaining units in place through 2013 and 2014, all without increases in compensation or benefits. Additionally, pension and benefit reform continues to pay dividends and an additional \$1.5 million of savings is anticipated in Fiscal Year 2012/13. These cost controls should allow revenues to catch up with expenditures so that we can be on sound financial footing going into Fiscal Year 2013/14.

CITY MANAGER'S BUDGET MESSAGE

Page 15 of 17

The following table summarizes the anticipated General Fund reserve balance, recognizing that additional revenues may well yet materialize this fiscal year or next. Absent no additional revenues, the following numbers are indicative of the trend in the reserve balance:

Fiscal Year	Reserve Balance
2008/09 Actual	\$39,921,138
2009/10 Actual	44,062,267
2010/11 Actual	40,368,872
2011/12 Mid-Year	40,095,854
2011/12 Projected	39,126,055
2012/13 Projected	38,161,779

State and Federal Budget Threats

The unemployment rate continues to decline year-over-year both regionally and nationally. However, for Riverside, the March 2011 unemployment rate was 13.7% compared to a March 2012 rate of 12.9%, showing that the local region is moving in the right direction. Almost 60% of the jobs gained within the Riverside-San Bernardino-Ontario Metropolitan Statistical Area during that same period were in professional and businesses services, up 6,200 jobs.

Interestingly, between March 2011 and March 2012, the total non-farm employment increased by 10,500 jobs. Government, construction and finance continue to contract, losing a combined total of 9,100 jobs between March 2011 and March 2012.

The State of California's ongoing budget crisis looms as the Governor's May Revise reflects an increased deficit of \$15.7 billion, up from the January projection of \$9.2 billion. The anticipated budget shortfall is attributed to overly optimistic revenue forecasts, increased Proposition 98 spending, and federal court rulings blocking several proposed budget reductions. The May Revise proposes to close the budget deficit with further cuts to health and safety programs, while protecting funding for education pending the outcome of the Governor's November tax measure that will raise income tax on those earning more than \$250,000 and result in additional revenue estimated at \$6 billion. If the measure fails, more reductions will be forthcoming statewide that could further impact education, social programs, etc.

CITY MANAGER'S BUDGET MESSAGE

Page 16 of 17

The following measures will directly impact the City of Riverside's budget, if enacted:

- An increase of \$1.4 billion to the estimate of one-time payments to schools from former Redevelopment Agency cash reserves is proposed, including affordable housing set-aside funds. The impact to Riverside is the complete sweep of Redevelopment affordable housing funds and Redevelopment non-housing funds not encumbered for an enforceable obligation.
 - The remaining Redevelopment affordable housing funds are approximately \$7.6 million.
 - The remaining Redevelopment non-housing funds are approximately \$2.0 million.
 - The amounts above do not include the proceeds of the sale of real estate assets by successor agencies, as well as the anticipated repayment of the SERAF loan; although it is anticipated that those monies will also be remitted back to the State following payment of enforceable obligations.
 - Staff will continue to work with the City's State lobbyist and the League of California Cities to strategize a plan of action in opposition to this language.
- Library funding. The May Revise continues the elimination of half of the Public Library Fund monies the City receives annually. This funding was originally eliminated as part of the Fiscal Year 2011/12 budget, which reduced library funding to the City by approximately \$71,000 versus Fiscal Year 2010/11. As this reduction was included as part of the Fiscal Year 2012/13 budget process, there is no additional impact anticipated as a result of the ongoing reduction.

The State Legislature is required to send a budget to the Governor by June 15 and subsequently requires the Governor to sign the budget by July 1. However, this deadline has been routinely ignored by prior legislatures. As a result, the City's budget may be approved prior to resolution of the State budget impacts identified above.

CITY MANAGER'S BUDGET MESSAGE

Page 17 of 17

Summary and Recommendations

Preparation of the Fiscal Year 2012/13 Budget culminates a complex process undertaken by all City Departments to ensure that the funding plan meets the City Council's policy directives and public service priorities. The underpinnings of this Budget are sound, and reflect this City Council's traditionally conservative approach to allocating resources to address our community's current needs and safeguard its long-term fiscal health. While many other governments continue to face tough choices impacting core services including public safety, Riverside is poised to continue our sound financial standing and enter Fiscal Year 2012/13 in a forward lean.

IT IS, THEREFORE, RECOMMENDED that the City Council:

1. Conduct a Public Hearing on June 12, 2012, to receive citizen comments on the proposed Fiscal Year 2012/13 Annual Budget;
2. Provide direction to staff regarding any modifications to be made prior to adoption of the Annual Budget; and
3. Consider adoption of the Final Annual Budget during the evening session of the City Council's June 26, 2012, meeting.

Respectfully Submitted,

SCOTT C. BARBER
City Manager

Attachment: Preliminary Annual Budget

COMMUNITY PROFILE

COMMUNITY PROFILE

Introduction

Designated as one of “America’s Most Livable Communities,” the City of Riverside offers a highly educated and skilled workforce, lower land and facility costs for businesses, reliable City-owned municipal utilities, exceptional quality of life, affordable housing, and ease of access to transportation. The City is a rapidly growing urban center with 308,511 residents, currently ranked as the twelfth largest city in California and the sixth largest city in Southern California. Riverside is the largest city in, and is at the center of, the region known as the Inland Empire. With a population of over 4.2 million, the Inland Empire is ranked between Detroit and Phoenix as the 12th largest metropolitan statistical area in the United States by the U.S. Census Bureau, and is one of the fastest growing regions in the country.

Riverside was named by the Intelligent Community Forum (ICF) as the most Intelligent Community of the year 2012 for its excellence in many of the key markers of success in the 21st century, including: high technology, workforce development, digital inclusion, arts, innovation, collaboration and social capital. Possessing a clear vision of the future, Riverside will continue to lead in the social and economic growth of the Inland Empire.

With a current student population of approximately 60,000, the City is home to four internationally recognized colleges and universities, including the prestigious University of California, Riverside. The City is located approximately 60 miles east of Downtown Los Angeles and is centrally placed within a short distance from the Coachella Valley, San Bernardino Mountains, Southern California beaches, and Ontario International Airport.

Heritage

Founded in 1870 by John North and a group of Easterners who wished to establish a colony dedicated to furthering education and culture, Riverside was built on land that was once a Spanish rancho. Investors from England and Canada transplanted traditions and activities adopted by prosperous citizens: the first golf course and polo field in Southern California were built in Riverside. The first orange trees were planted in 1871, but the citrus industry in Riverside began two years later when Eliza Tibbets received two Brazilian navel orange trees from the Department of Agriculture in Washington. The trees thrived in the Southern California climate and the navel orange industry grew rapidly. Within a few years, the

GENERAL STATISTICS

Population (2011 estimate)	308,511
Median Age	30.0
Owner Occupied Housing Units	51,185
Renter Occupied Housing Units	40,747
Average Household Income	\$69,901
Median Home Price	\$209,250
Ethnicity-Persons (by Single Race Classification)	
White	34.0%
Hispanic or Latino	56.5%
Black or African American	6.9%
Asian	7.2%
American Indian or Alaska Native	1.1%
Other	5.0%

successful cultivation of the newly discovered navel orange led to a California Gold Rush of a different kind: the establishment of the citrus industry, which is commemorated in the landscapes and exhibits of the California Citrus State Historic Park and the restored packing houses in the Downtown’s Marketplace district. By 1882, there were more than half a million citrus trees in California, almost half of which were in Riverside. The development of refrigerated railroad cars and innovative irrigation systems established Riverside as the wealthiest city per capita in the nation by 1895.

As the City prospered, a small guest hotel designed in the popular Mission Revival style grew to become the world-famous Mission Inn, favored by presidents, royalty, and movie stars. Postcards of lush orange groves, swimming pools, and magnificent homes have attracted vacationers and entrepreneurs throughout the years. Many relocated to the warm, dry climate for reasons of health and to escape Eastern winters. Victoria Avenue with its landmark homes serves as a reminder of European investors who settled here.

Riverside’s citizens are proud of the City’s unique character born of a tradition of careful planning, from the City’s carefully laid out historic Mile Square to its 1924 Civic Center designed by the same planner responsible for San Francisco’s, Charles Cheney. Through the City’s Office of Historic Preservation, Riverside is committed to preserving the past as a firm foundation for the future. Over 100 City Landmarks, 20 National Register Sites, and 2 National Landmarks have been designated by the City Council, all offering enjoyment and education to City residents and visitors. Riverside is fortunate to have a

COMMUNITY PROFILE

wealth of sites and buildings that provide a link to the city's past and a strong sense of place. This is the result of the hard work and careful planning of the city's Historic Preservation Program. Created by the City Council in 1969, it identifies and advances the preservation of Riverside's historic neighborhoods, and civic and commercial resources. Examples include the Mission Inn, the Chinatown site, the National Packing House, Citrus Experiment Station, and engineering feats like the Gage Canal. Many of these landmarks are found in the Downtown's Mission Inn Historic District. California's Mission Revival style, born in Riverside, can be seen throughout the City, most notably in the Mission Inn, the Municipal Auditorium, the First Church of Christ Scientist, and the Fox Theater.

The Mission Inn was developed from the Glenwood Tavern, owned by Captain Christopher Columbus Miller, who moved to Riverside in 1874 to survey land for the Gage Canal, which brought water to Riverside. His son Frank developed a lasting interest in culture and the arts and took over the expansion of the Inn. Over the years he embellished and expanded it into a unique resort known all over the world. It has played host to numerous movie stars, musicians, and heads of state. Ronald and Nancy Reagan honeymooned there, and Richard and Pat Nixon were married on its grounds. Teddy Roosevelt planted a tree in its courtyard, and a special chair, built for President William Howard Taft when he visited, is still in the Inn's collection.

Many of Riverside's historic buildings are open to the public including the Catherine Bettner home, restored and renamed the Heritage House, which is open for tours. The Riverside Art Museum was designed by America's most successful woman architect, Julia Morgan, famous for William Randolph Hearst's Castle in San Simeon. It was originally constructed for the YWCA on land donated by Frank Miller. Benedict Castle was built as a private residence by Henry Jekel and is now occupied by Teen Challenge. It is available for special events and filming as are many of Riverside's historic homes and neighborhoods.

The unique City Raincross Symbol is derived from combining a replica of the mass bell used by Father Junipero Serra, missionary priest and founder of the California Missions, and the cross to which the Navajo and Central American Indians prayed for rain. Called the "Raincross" symbol, it was designed for the Mission Inn and given to the city by Frank Miller. The Raincross

symbol has been identified with Riverside since 1907. Variations of the symbol are used extensively throughout Riverside in architecture, street signs and lighting standards, and it is used on the City flag. Playing on the nostalgia for the state's Spanish heritage and the romanticized images of the missions and the Indians portrayed by Helen Hunt Jackson in her novels, Miller, Matthew Gage, the Sunkist Cooperative, the Santa Fe Railroad, and other city boosters worked together to market Riverside as a Spanish Mediterranean Mecca. Riverside's climate and landscapes continue to evoke this Mediterranean paradise. There is a strong community support for historic preservation for a city that reveres its past and has built on that firm foundation.

Demographics

A city is defined by its assets, the most important one being the people that populate it and work within its boundaries. Riverside is distinctly proud of its highly diverse, sophisticated, and civic-minded people, and of its sense of place and legacy. The City has carefully planned for growth while preserving local history, being cognizant of both the citrus-based past and the modern future.

Housing, Workforce, and Job Growth

With a median single family home price of \$209,250 in 2012, compared to \$450,000 in Orange County and \$325,000 in Los Angeles County, Riverside draws many families pursuing the American Dream. Young couples and on-the-go professionals are also drawn by the City's many affordable condos.

CITY GROWTH

Fiscal Year	Assessed Valuation	Population	Area in Square Miles
1950/51	60,011,450	46,399	39.20

2011/12	16,342,830,000	308,511	81.51

COMMUNITY PROFILE

Businesses are taking advantage of Riverside's lower land cost, strategic location, and established transportation networks as a key portal for the movement of goods and services between the greater Los Angeles area and the rest of North America. The City is home to major industries such as advanced manufacturing, health and medical services, and retail and professional firms. As the region's largest city and the county seat of California's fourth largest county (Riverside County), legal and government services also are a significant presence.

Also reflecting its evolution as a high-technology community, a Citywide free wireless network benefits residents and merchants by providing free access to the Internet throughout the City. Through the City's SmartRiverside nonprofit, qualified low income families throughout the City are provided with free computers with wireless internet access and computer training through its Digital Inclusion program. To date, nearly 6,000 families have benefitted from this important program.

Population, Household Income, and Retail Sales

Centered in one of the nation's fastest-growing regions, Riverside has grown steadily in recent years both in area and population. Between fiscal years 2000/01 and 2011/12, the City's population has increased by over 15%, reflecting nearly a 6% per year growth rate. Similarly, the City has grown through annexations to more than 81 square miles during the same period. Currently, the City's population is approximately 308,511.

Riverside is now Southern California's third largest suburban retail center with \$4.8 billion in annual sales. The City has become a magnet for high-end retail establishments, reflecting the changing demographics in the City.

TOP TEN MAJOR EMPLOYERS

County of Riverside	11,100 Employees
Riverside Unified School District	5,600 Employees
University of California, Riverside	5,600 Employees
Kaiser Hospital	4,500 Employees
City of Riverside	2,700 Employees
Riverside Community College District	2,100 Employees
Riverside Community Hospital	1,900 Employees
Alvord Unified School District	1,700 Employees
Riverside County Office of Education	1,600 Employees
Parkview Community Hospital	1,400 Employees

Riverside has a zone of influence that has encompassed some 346,000 shoppers in 2012.

While the City's roster of upscale stores is diverse, Riverside retailers have one thing in common: success. Official sales numbers from such popular outlets as California Pizza Kitchen, Trader Joe's and Panera Bread Company have shown that these Riverside locations are consistently among the best performing in their district, region, or chain.

COMMUNITY PROFILE

The Galleria at Tyler, one of the region's most successful retail centers, recently enhanced with a 200,000-square-foot expansion accommodating the growing demand for retail and entertainment options.

Tourism and Major Events

The City of Riverside is a focal point for tourism in the Inland Empire. The Riverside tourism industry is supported by the Riverside Convention Center and a variety of local hotels, such as the historic Mission Inn Hotel & Spa. An assortment of historical landmarks, performing arts centers, museums, shops, restaurants, and places of entertainment are available for visitors to explore. Besides the many permanent attractions available to visitors, Riverside is also host to many annual events.

The City's Arts & Cultural Affairs Division has created several popular arts and entertainment activities, including the Downtown Farmers Market, held every Saturday, where shoppers can purchase fresh organic produce and beautiful flowers while enjoying chef demonstrations; and an expanded annual Festival of Lights with family-friendly activities and entertainment surrounded by the nation's second largest holiday lighting display.

Transportation

The City of Riverside is strategically situated among major transportation links. Included in these links are major highways, commuter train stations, and airports. With its proximity to ports, railroads, and freeways, Riverside is on the way to establishing itself as a leader in Southern California's international trade economy. Also contributing to the City's emergence as a logistics hub is the March Global Port – formerly March Air Force base. The March Global Port is home to air cargo facilities as well as an expansive foreign trade zone (FTZ), where products and goods can be stored duty free. Most firms participating in the FTZ program save hundreds of thousands of dollars annually. It should come as no surprise that Riverside is viewed by many as the economic engine of the Inland Empire.

Freeway Access

The City of Riverside can be accessed via Interstates 215 and 15 from the north and south, and via the 91 and 60 freeways from the east and west. Through these connections, the City is connected to Southern California's freeway network, providing easy access to Los Angeles,

San Diego, Orange County, the Coachella Valley, and beyond.

Bus and Taxi Service

Riverside has a modern downtown transit terminal served by Greyhound Trailways Lines, the Southern California Rapid Transit District, and the Riverside Transit Agency (RTA). Private charter bus companies and taxicab services are also available. The RTA provides fixed route bus service throughout a 2,500 square mile area in Western Riverside County, including within the City of Riverside. Additionally, the City's Parks, Recreation, and Community Services Department provides special transportation for seniors 60 years of age or older and those with disabilities.

Passenger/Commuter and Freight Railroad Service

For rail travelers and commuters, the Metrolink system offers a network of commuter trains that connect Los Angeles, Orange, Riverside, San Diego, San Bernardino, Ventura, and Kern Counties. The Metrolink system has two stations in the City, the Downtown (near Mission Inn Avenue and Park Avenue) and La Sierra (near La Sierra Avenue and Indiana Avenue) Stations. From these stations, travelers can reach almost any Southern California Metrolink destination in a short time, as well as connect to Amtrak trains. An Amtrak station is also located in the downtown area.

The BNSF Railway and Union Pacific Railroad lines run through the City, providing dependable daily freight service to Riverside businesses. Reciprocal switching agreements exist between the companies.

COMMUNITY PROFILE

Airports Offering Passenger and Cargo Service

Located just 16 miles northwest of Riverside, Ontario International Airport provides passenger service to cities all over the world, as well as highly accessible cargo service. Commuter services are also available at the airport. Several major airfreight carriers, as well as AeroMexico Airlines, Alaska Airlines, American Airlines, Continental Airlines, Delta Airlines, Great Lakes Airlines, Southwest Airlines, United Airlines, and US Airways, serve Ontario. In addition, within approximately one hour's drive of the City are the Los Angeles International, John Wayne (Orange County), Bob Hope (Burbank), and Palm Springs International Airports.

Riverside Airport

The City boasts its own airport, which has been serving the community for over 50 years. Originally designated as the Arlington Airport, Riverside Airport has been transformed from a single, dirt runway airfield serving light aircraft into a corporate aviation and business facility unique in its varied services to the Inland Empire. Today, Riverside's main runway of 5,400 feet, as well as its second, cross-wind runway, serve the daily needs of small aircraft, business jets, cargo aircraft, and helicopters.

Infrastructure

Cities must provide the critical facilities that enable their inhabitants to live, work, and play. As many Southern California cities are creating new "downtowns," Riverside is fortunate to have an established core area characterized by unique, independently-owned fine dining establishments and eclectic shopping options, made all the more attractive by modern touches. Downtown Riverside is truly defined by charm, history, commerce, and entertainment.

One of the prominent goals of the City's recently completed \$1.5 billion investment in infrastructure and public facilities – the Riverside Renaissance Initiative – was to protect and enhance these distinctive elements of the downtown. Capital projects included expansion of the Riverside Convention Center, renovation of the Main Street Pedestrian Mall, and restoration of the historic Fox Theatre into a state of the art performing arts center. The Fox Performing Arts Center, opened in January 2010, is drawing more people downtown for first class entertainment, on par with what Los Angeles audiences see at top theaters.

In addition, private development is anticipated to add nearly 1,000 upscale residential lofts, condos, and townhouses, as well as retail space and additional Class A office space over the next five years, as evidenced by the recently completed six-floor Citrus Tower office development. One of the most important developments is the transformation of a two-block area in the downtown, known as the Fox Plaza, into a vibrant urban village and business district with residential and commercial components. Specifically, the \$200-million development will include luxury condominiums, prime retail space, and a 125-room Hyatt Place hotel. The first phase of Fox Plaza, including the hotel, was recently completed.

In addition to the downtown projects, citywide infrastructure improvements have been made, including the rehabilitation of many existing parks, recreation facilities, and community centers, as well as the addition of new facilities to serve the growing community. New library facilities have been completed including the Orange Terrace, Arlanza, and Marcy branches, and the Arlington Library has recently been significantly expanded. Public safety enhancements include the addition of several new fire stations and improvements to existing stations. The City has also recently remodeled existing Police Department facilities and opened the Magnolia Station. With the conclusion of the Riverside Renaissance Initiative, the City is continuing to invest in infrastructure and public facilities to ensure that Riverside remains one of the best places to live and work in Southern California.

Reliable municipal utility service is important to residents and businesses alike. Public utility projects include three new water reservoirs, a new electric power plant, a new connection to the power grid, service upgrades, and a new water treatment plant. To keep Riverside on the move, the City has undertaken multiple railroad grade separation projects, several improved freeway interchanges, and citywide beautification projects that have or will widen and/or repave numerous City streets, repair or add sidewalks, and enhance medians with landscape improvements.

STRATEGIC BUDGET PRIORITIES

STRATEGIC BUDGET PRIORITIES

THE CITY'S MISSION AND COMMUNITY VISION

The City of Riverside is committed to providing high quality municipal services to ensure a safe, inclusive, and livable community.

In late spring 2009 a Committee composed of a sub-committee of the Workforce Advisory Panel and the Council of Economic Development Advisors worked with David W. Stewart, Ph.D. (Dean of the A. Gary Anderson School of Management at UC Riverside) to create 10 bold and far-reaching inspirational statements titled "*A Vision for Riverside*" that served as a touchstone for the strategic visioning process.

On May 26, 2009, the City Council approved "A Vision for Riverside", to guide our City of Arts & Innovation to a leading position in the region, country, and world. The City Council stipulated that significant community input should be a major component of data gathering. From the public input data as well as thorough analysis by the Committee, *Seizing Our Destiny* was created. *Seizing Our Destiny* showcases the community's vision for the future of Riverside and highlights our next steps toward this goal.

SEIZING OUR DESTINY

To arrive at our proposed destination of increasing the community's quality of life through intelligent growth, encouraging innovation, positioning Riverside as the location of choice for diverse and dynamic people, and attracting desirable businesses and jobs to the region, *Riverside will pursue 11 Strategic Routes.*

1. Economy

Strong Innovative Economy That Builds Community

Riverside attracts, nurtures, and sustains an exciting nexus of cutting-edge, 21st Century business people and leaders whose products, services, and organizations have a profoundly positive impact on the region and the world.

2. Workforce

Well Developed, Highly Sought-After Workforce

Riverside develops diverse, highly trained, next-generation employees that embrace the entrepreneurial spirit and take full advantage of the abundance of skill-building opportunities needed to compete in the identified five highly desirable industries.

3. Learning

Lifelong Learning for All

Riverside values education as a high priority and supports a culture of education that ensures a passion for learning, job prosperity, and an increased quality of life for all through a full slate of educational opportunities.

STRATEGIC BUDGET PRIORITIES

SEIZING OUR DESTINY (CONTINUED)

4. *Healthcare*

Home of Next-Century Health Care

Riverside is the home of next-century health care, research, device and pharmaceutical development and manufacturing, and highly-skilled, diverse medical professionals that attract patients, retirees, students, and workers committed to wellness.

5. *Green*

Being a Green Machine

Riverside is the international magnet and model for sustainable business, environmental innovation, and green living with a synergistic partnership of industry, City leadership, and residents.

6. *Entertainment*

Around the City, Around the Year, Around the Clock

Riverside buzzes with an unmatched array of nationally recognized and regionally distinctive destinations delighting people of diverse interests, age groups, and lifestyles by providing a mix of popular venues for dining, shopping, entertainment, and socializing.

7. *Places*

Transforming Spaces Into Places

Riverside is a highly desirable place to live, work, and play because it has respectfully developed its historical heritage and spaces into undeniably inviting places.

8. *Recreation*

Big City Recreation With a Hometown Feel

Riverside boasts connected neighborhoods through the ingenious use of multi-use trails, parks, recreational facilities, and services. The City's dynamic residents take advantage of the year-round temperate climate and utilize miles of trails and tree-lined streets to enjoy the spectacular natural environment.

9. *Creativity*

Creativity Central

The history, culture, architecture, and natural beauty of Riverside has given birth to a valued community of artists, galleries, and performance venues offering visitors, residents, and artists an oasis of cultural opportunity.

10. *Community*

Collaborating to Build Community

Riverside passionately pursues the common good through collaborations and connections among government, academic institutions, for-profit businesses, nonprofit and community-based organizations, faith congregations, and civic and community leaders within the City and the Inland Southern California region.

11. *Our Story*

Telling Our Story

Riverside is known for exciting events, interesting people, and innovative businesses, and is routinely featured in a positive light in regional, national, and international media, which attracts people to visit and live in the city.

STRATEGIC BUDGET PRIORITIES

THE CITY COUNCIL'S STRATEGIC GOALS

Economic Development

Environmental Leadership

Transportation

Livable Communities and Neighborhoods

Arts and Innovation

The City Council developed Strategic Goals for the City in 2004 and amended these goals in 2008 and again in 2009. The Strategic Goals are at the heart of what our community expects from its local government. In turn, these goals, along with the Seizing Our Destiny Strategic Routes, are woven throughout the fiscal year 2012/13 Annual Budget in order to allocate the resources necessary to achieve our shared Community Vision. Each Department's section of the budget document therefore includes tables linking department accomplishments and goals with the related Seizing Our Destiny Strategic Route(s) and City Council Strategic Goal(s).

Riverside seeks to solve the community's current problems, while reaching forward to becoming a key economic and cultural center of Southern California. The City is committed to enabling our residents to play a meaningful role in the evolution of the City, and ensuring that their values are reflected both in the work that we do and in the results that we achieve.

Strategic planning is a vital process that allows cities to take control of and shape their futures. Strategic planning is proactive: it is about thinking, planning, and anticipating the kinds of things we will need to do in order to achieve our vision and goals. Effective strategic planning involves an understanding of the services we provide, who our customers are, and how well we are meeting their expectations and needs.

Strategic planning allows the City organization to better align its services with City Council and community priorities. Through the strategic planning process, we collectively formulate goals, expectations, and strategies for improving life in the City. When done well, strategic planning involves input and participation from a broad cross-section of the community and City employees. This guarantees that we are harnessing the best resources possible in planning our future, as well as providing an all-important forum for civic participation, ownership, and engagement.

Finally, strategic planning ensures a wise and effective utilization of City resources, mainly through the annual budget process. Because we have identified our goals and expectations, we can now concertedly allocate resources, where necessary, to ensure that we are positioned to meet these goals. The resulting plans outline how we will achieve our goals and focus attention on the results the community seeks.

Strategic Planning allows the City to establish alignment among the community, elected officials, and City employees. The outcome is a unified vision, strategy, and implementation plan for improving life in the City.

In order to best achieve this alignment, the development of the City's strategic planning process has entailed a variety of meetings, workshops, and surveys. These events were designed to elicit information ranging from City Council input on the strengths and weaknesses of the

STRATEGIC BUDGET PRIORITIES

City and key issues the City needs to resolve, to employee input on whether they are given the right tools to get the right job done, to community input on the most pressing issues of the day—and of the future.

The Seizing our Destiny Strategic Routes and the City Council's Strategic Goals represent the synthesis of this myriad input. The City then uses these tools to assess and realign resources where necessary, hence, to build its budget, ensuring concerted focus on realizing the Community Vision.

The City also conducts "Mayor's Night Out" once a month at various locations throughout the City's neighborhoods. Mayor's Night Out is intended to provide information to residents about City programs and projects. Similarly, residents have the opportunity to voice input about City performance. City Council members, the City Manager, and City staff from various Departments are on hand to respond to questions and comments. In addition, material regarding City services and activities, as well as neighborhood accomplishments, is available.

GUIDE TO THE BUDGET

GUIDE TO THE BUDGET

What is the Budget?

The Annual Budget sets forth a strategic resource allocation plan that addresses the City Council's Strategic Goals. The Budget can be thought of as a policy document, financial plan, operations guide, and communication device all in one.

The Budget also

- determines the quality and quantity of City programs and services;
- details expenditure requirements and the estimated revenue available to meet these requirements;
- connects the activities of individual City Departments to the City Council's Strategic Goals and Seizing Our Destiny program routes;
- sets targets and provides a means of measuring actual accomplishments against goals; and
- serves as a communication device that promotes the City's vision and direction, fiscal health and vitality, and what the public is getting for its tax dollars.

Through the Annual Budget document, the City demonstrates its accountability to its residents, customers, and the community-at-large. Additionally, the Annual Budget provides the legal authority for expenditures and a means for control of municipal operations throughout the fiscal year. Accordingly, the City Charter mandates that a budget be adopted prior to the beginning of the fiscal year.

The budget process furnishes department heads with an opportunity to justify departmental work programs, to propose changes in services, and to recommend revisions in organizational structure and work methods. It also enables the City Manager to review these aspects and make appropriate recommendations to the City Council.

Presentation of the budget to the City Council provides an opportunity to explain municipal programs and organizational structures. It also allows the Council to judge the adequacy of the proposed operating programs, to determine basic organizational and personnel staffing patterns, and to establish the level of municipal services to be rendered with the available resources.

In order to accomplish these objectives, the annual budget must combine a detailed explanation of anticipated financial resources for the ensuing fiscal year with proposed expenditures, supported by sufficient

information on the proposed programs and activities to assess the appropriateness of the recommended levels of services.

The Operating Budget, Capital Budget, and Capital Improvement Program

The Annual Budget document contains information about both the City's operating and capital budgets for a particular fiscal year. Typically, when one refers to the City's Annual Budget, the meaning is the combination of the operating and capital budgets. The operating budget details the funding for the day-to-day operations and obligations of the City for a particular fiscal year such as personnel costs, employee benefits, telephone expense, and building maintenance. The capital budget details planned expenditures for the same fiscal year to construct, maintain, or improve City facilities such as fire and police stations, parks, recreation centers, sewers, and electric and water infrastructure.

The Capital Improvement Program (CIP) is a separate five-year planning document that details planned capital expenditures. Capital projects range from road maintenance or construction to the renovation of municipal buildings, recreation centers and ball fields, to water main and sewerage system replacement. The CIP relates these capital projects' needs to the financial sources that will support their realization and the timeframe in which both the financing and work will take place. Capital improvement projects typically carry considerable future impact, meaning, they have a life span of at least five years or more. They are often financed over a longer period of time, in effect spreading the cost of the project across generations of users. Because of the more long-term nature of the CIP and the sometimes complex nature of capital project financing, the CIP is presented in a separate document. However, the first year of the CIP is integrally related to the Annual Budget document, and so a summary of the CIP is provided in Section J.

Most expenditures found in year one of the CIP are included in the Annual Budget's capital budget component. However, certain projects for which funding is not yet secure or planning is not complete are budgeted through supplemental appropriations later during the fiscal year. Additionally, debt-financed projects are typically reflected twice in the Annual Budget as an original capital expenditure from the proceeds of the debt and as payments of principal and interest over a number of years. For example, the City's Measure G Bond Initiative funded

GUIDE TO THE BUDGET

construction of various projects for the Riverside Fire Department several years ago. Because bonds were issued to fund these projects, payments of principal and interest are still shown in the Annual Budget each year as the principal used to construct the various projects financed through Measure G and related interest costs are paid.

How is the Budget Developed?

The City of Riverside's fiscal year begins each July first and concludes on June 30. In accordance with fundamental democratic principles, the City embraces the notion and practice of citizen participation, especially in key planning and resource allocation activities. Therefore, the development of the budget process begins early in the prior fiscal year to ensure adequate planning and community input into that planning. The mode of community input especially important to the budget development process is through the City Council Strategic Plan. In addition, Departments obtain citizen input through Boards and Commission meetings, Mayor's Night Out forums, public hearings, and other forms of written and oral communication.

The development of the Annual Budget is comprised of three distinct phases.

- Phase One: Strategic Planning and Program Assessment
- Phase Two: Budget Directive and Departmental Submittal
- Phase Three: Budget Preparation and Adoption

Phase One represents the planning and assessment phase. Departments focus on the what, why, how, and how well they deliver individual services. This phase includes both strategic plan development and data gathering, such as performance information. This phase can begin as early as the start of the fiscal year. Phase Two consists of the City Manager's Budget Policy Directive and Departmental Budget Submittal, and runs from December through March. Phase Three covers the period when the Preliminary Budget is prepared and presented to the City Council through Budget Adoption.

Strategic Planning and Program Assessment

The City Council Strategic Plan is a process that brings into alignment the community's priorities and needs, City Council Strategic Goals, and City operations. The City

Council's Strategic Goals then are used as a roadmap to realize the community vision through building a budget that effectively utilizes City resources.

Program Assessment is a crucial component of the Budget Development process. It engages City staff in linking past assumptions and decisions with current issues before focusing on dollars. Program Assessment is also designed to elicit evaluation of current service delivery efforts, as well as to provide baseline and performance information on the services (activities) that a Department currently provides. Program Assessment is conducted around five main themes: the What, Why, How, How Well, and Impact of the program in question.

Budget Directive and Departmental Submittal

The City Manager establishes a Budget Directive based on short and long-term financial and organizational goals. Budget kickoff begins in December at a meeting attended by the City's Departmental Budget Coordinators and key staff from the Finance Department and Administration Division of the Office of the City Manager. Policy directives, general budgeting guidelines, and the technical and procedural aspects of preparing the budget are discussed. The Budget Preparation Manual, distributed to each departmental representative in electronic format, provides the information necessary to prepare the Budget Submittal in an accurate and timely manner. Departments have approximately two months to prepare their budgets based on the City Manager's Budget Directive.

A City Manager Review is then conducted for each Department including the City Manager or applicable Assistant City Manager, key staff from the Finance Department and Administration Division of the Office of the City Manager, Department Heads, and Departmental Budget Coordinators. Staff presents an overview of the department's proposed budget, including increases, reductions, and/or other significant budgetary changes. The aim of the City Manager Review is to finalize decisions regarding departmental budget submittals and to discuss other outstanding issues.

Budget Preparation and Adoption

This phase consists of the preparation of the Preliminary Budget through Budget Adoption, and includes the publication of a "Budget-in-Brief" for wider distribution to the general public.

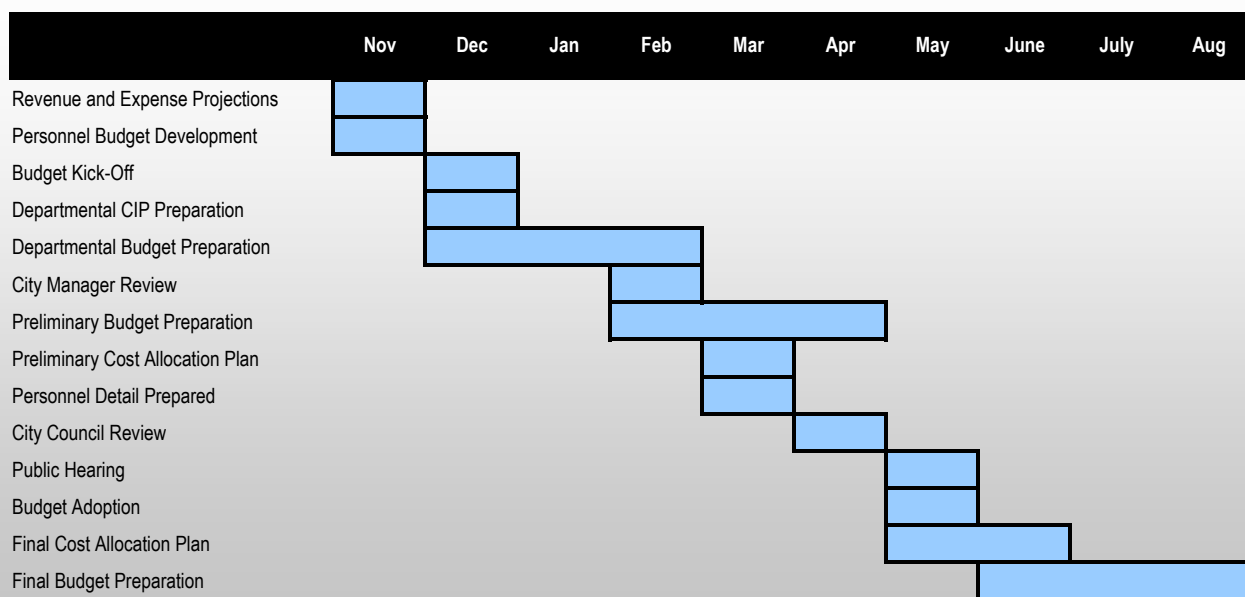

GUIDE TO THE BUDGET

Although the City strives to avoid as much technical language as possible, budget documents can still be rather cumbersome and dense in nature. The Budget-in-Brief is a user-friendly, manageable document for the public and other interested persons to read.

Once the City Manager Reviews have taken place and all departmental budget issues are resolved, the Finance Department prepares the Preliminary Budget. The Preliminary Budget takes into account any changes agreed upon at the City Manager Reviews and any other City Manager-directed changes.

The City Manager presents the Preliminary Budget to the City Council in one or more workshop sessions typically held in April. Although public comment is welcome throughout the workshop sessions, a specially designated Public Hearing is expressly held for public participation. Subsequent to the Public Hearing, the City Manager will ask the City Council to adopt the Annual Budget with any necessary revisions made between the time of the publication of the Preliminary Budget and the date of adoption. The Annual Budget is effective July first, and the printed document is available as soon as the year-end accounting and final cost allocation plan are completed.

BUDGET DEVELOPMENT PROCESS TIMELINE

GUIDE TO THE BUDGET

How to Read the Budget

Budgets play a crucial role in communicating to elected officials, city employees, and the public the City's plans for the use of its resources. Yet budgets are complex documents that can be difficult to grasp at first glance. Although the City has made every effort to make the document as easy to navigate as possible, this section provides the reader with some basic understanding of the constituent components of the Annual Budget document. Additional sections to which the reader should refer are the Budget Summary Tab and the Glossary of Terms Tab. The Budget Document is comprised of the following 12 main sections:

- City Manager's Budget Message
- Community Profile
- Strategic Budget Priorities
- Guide to the Budget
- Budget Summary
- Fund Balance Summary
- Revenue Summary
- Expenditure Summary
- Departmental Summaries
- Capital Improvement Program Summary
- Personnel Detail
- Glossary of Terms

City Manager's Budget Message

The City Manager's Budget Message is a transmittal letter addressed to the Mayor and City Council that introduces the Annual Budget. The Budget Message outlines the organizing principles of the budget and the assumptions on which the budget was developed (e.g., economy, strategic plan requirements, revenues, and expenditure needs) to accomplish the City's objectives for the year.

The City Manager's Budget Message aims to provide the reader with highlights of the operating and capital budgets and a sufficient context to understand how and why budgetary changes occurred between fiscal years.

Community Profile

The Community Profile provides a snapshot of the City for which the Annual Budget has been developed. The purpose of this section is to give the reader an at-a-glance look at the City's main assets, including information on tourism, transportation, and City heritage, as well as demographic data and basic infrastructure statistics.

Strategic Budget Priorities

The City's Annual Budget is expressly shaped by the City Council's Strategic Goals. In this way, City leadership can be assured that resources are allocated wisely and effectively toward meeting the Strategic Goals. This section describes the linkage between the City's Mission and Community Vision, Seizing Our Destiny program routes, and the City Council's Strategic Goals.

Guide to the Budget

The Guide to the Budget allows the reader to understand the purpose of the budget, how the budget is developed, how to read the budget, and the financial and operational policies that guide the budget development and planning processes as a whole.

Budget Summary

The Budget Summary provides a concise and informative narrative summary of the Annual Budget including fund descriptions, planned expenditures, and estimated revenues. The following sections then expand upon this summary to provide additional summarized detail.

Fund Balance Summary

The Fund Balance Summary provides a Citywide summary of beginning and projected year-end balances for each of the City's funds.

Revenue Summary

The Revenue Summary provides a Citywide summary of projected and historical revenues.

Expenditure Summary

The Expenditure Summary provides a Citywide summary of projected and historical expenditures.

Departmental Summaries

The Departmental Summaries contain detailed budget information for the basic organizational units of the City, its Departments. The Departments are presented in alphabetical order. Each departmental summary presents the following information:

- **Mission Statement** – Each department has formulated a Mission Statement that presents “the what, for whom, and why” the department exists.
- **Organizational Chart** – The Organizational Chart diagrams the relationships of the Divisions comprising a department. The total number of

GUIDE TO THE BUDGET

Full Time Equivalents (FTEs) in each Division is also shown. The purpose of this chart is to highlight programmatic activities rather than to portray reporting relationships among staff.

- **Services Provided by Department** – This section provides detailed information on the breadth and scope of the Department's work.
- **Personnel Summary by Division** – This table provides comparative information on budgeted personnel for four fiscal years for each of the Divisions presented in the Organizational Chart. Percentage change data between the prior and current fiscal years is also provided.
- **Department Goals, Accomplishments, and Objectives** – This section lists the Department's long-term strategic goals and the related accomplishments for the prior fiscal year and objectives for the current fiscal year. These accomplishments and objectives are also linked to the City Council's Strategic Goals and the Seizing Our Destiny program routes.
- **Budget Summary by Division** – This table provides comparative information on budgeted expenditures for four fiscal years for each of the Divisions presented in the Organizational Chart, as well as Divisions without personnel. Percentage change data between the prior and current fiscal years is also provided.
- **Budget Summary by Budget Category** – This table provides comparative information on budgeted expenditures for four fiscal years for each budget category of the City's chart of accounts. Budget categories combine expenditures within broad categories together to illustrate the cost of personnel, capital projects, debt service, and other key expenditure groupings in aggregate for the entire Department. Percentage change data between the prior and current fiscal years is also provided.
- **Summary of Significant Budget Adjustments** – This section provides a narrative description of significant changes within each Department that have resulted in increases or decreases in the Department's budget.
- **Departmental Budget Detail** – This section provides line item detail for each Division and Section with the Department.

Capital Improvement Program Summary

This section looks at the City's five-year Capital Improvement Program including funding sources, project highlights, and the specific projects for which funds are allocated for the fiscal year detailed in the Annual Budget. A more in-depth Capital Improvement Program document is available from the Finance Department and is featured on the City's web site.

Personnel Detail

The Personnel Detail section includes the titles and job codes of the full-time and part-time positions authorized for each Department. A comparative table that provides four years of historical data and a Citywide organizational chart are also presented in this section.

Glossary of Terms

Budget documents may be difficult to read and may contain terms unfamiliar to the reader. This section attempts to cover the key terms used throughout the Annual Budget document and in the budgeting process, in general.

Accounting and Budgetary Basis

The modified accrual basis of accounting is used by all General, Special Revenue, Debt Service, and Capital Projects Funds. This means that revenues are recognized when they become both measurable and available. Measurable means the amount of the transaction can be determined and available means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Expenditures are recorded when liabilities are incurred, except that principal and interest payments on long-term debt are recognized as expenditures when due. The accrual basis of accounting is utilized by all Enterprise and Internal Service Funds. This means that revenues are recorded when earned and that expenses are recorded at the time liabilities are incurred.

The City's basis for budgeting is consistent with accounting principles generally accepted in the United States of America and with the City's financial statements as presented in the Comprehensive Annual Financial Report (CAFR). Exceptions are as follows:

- Capital expenditures within the Enterprise Funds and Internal Service Funds are recorded as

GUIDE TO THE BUDGET

assets on an accounting basis but are shown as expenditures on a budgetary basis.

- Depreciation of capital assets and amortization of various deferred charges are recorded on an accounting basis only.
- Principal payments on long-term debt within the Enterprise Funds and Internal Service Funds are applied to the outstanding liability on an accounting basis but are shown as expenditures on a budgetary basis.

Funds are appropriated for all of the City's funds (General, Special Revenue, Enterprise, etc.).

Accounting Structure and Terminology

The complexities of the account structure utilized by the City do not lend themselves to a narrative and straight-forward description. However, some brief discussion is warranted to assist citizens with reviewing the City's budget. In the Departmental Budget Detail sections of the Annual Budget, expenditures are shown by General Ledger (GL) account. In certain other sections of the Annual Budget, such as the Revenue Summary, GL accounts may also be shown. These GL accounts are the fundamental building blocks through which the budget is constructed. The City's GL structure includes two primary components: key and object.

GL keys are seven digit numbers representing the location of the expenditure (such as the Police Department). For expenditures, the first two digits are the Department number of the organizational unit, digits three and four are the Division (an organizational unit within a Department), digits five and six are the Section (an organizational unit within a Division), and the final digit is used for various purposes. Data is presented in the Departmental Budget Detail at the Section level. Additionally, certain projects have their own GL key starting with the number nine and will be shown with the budget for the responsible Department. For revenue, GL keys typically begin with four zeros and end with the three digit number of the applicable fund.

GL objects are six digit numbers indicating the type of expenditure or revenue (such as telephone expense). Each of these objects has a text description. For expenditures, this description can be found next to the individual line item in the Departmental Budget Detail. For

revenues, the object description is the category of revenue.

Cost Allocation Plan and Direct Charges

The City employs a complex multi-step plan for distributing the costs of internal services to various Departments and funds. Through these allocations, a more realistic picture of the cost of doing business for the City's various organizational units and services is obtained.

For example, the budgets for internal service Departments (such as Human Resources and Information Systems) are allocated to public service Departments (such as the Police Department and Public Works Department). This allocation of costs adjusts each Department's budget to a truer representation of the cost for providing its services to the City's citizens and customers. Any fees or charges set for City Services are then based upon the expenditures of this adjusted budget, which includes an appropriate amount of overhead or allocated costs.

Allocated costs are primarily determined through the City's Cost Allocation Plan (CAP). The CAP uses various statistical data to distribute the identified service costs to the appropriate Departments and funds. Additionally, in certain circumstances direct charges from one organizational unit to another are included in the budget outside of the CAP. Direct charges are typically utilized when the origin and destination of a specific cost are readily apparent and fixed.

Financial and Operational Policies

The guiding principles of the City's budget development process are financial and operational policies. These policies promote and ensure organizational continuity, consistency, transparency, and responsibility from year to year. This section identifies some of the major short and long-term planning documents, financial and operational policies, and fiscal management tools that the City of Riverside employs in order to guarantee fiscal and programmatic integrity and to guide the development of the City's Annual Budget.

Adjustments to the Adopted Budget

Per the City Charter, Section 601 (d), the City Manager shall "keep the City Council advised of the financial condition and future needs of the City and make such recommendations as may seem desirable to the City Manager." In order to accomplish this mandate, the City

GUIDE TO THE BUDGET

Manager annually presents a mid-year fiscal review to the City Council, typically held between January and March. This review includes needed adjustments to personnel and non-personnel budgets that have been identified by staff since the adoption of the Annual Budget. Additionally, at any meeting after the adoption of the budget, whether before or after the Mid-Year Review, the City Council may amend or supplement the budget by motion adopted by the affirmative votes of at least five members so as to authorize the transfer of unused balances appropriated for one purpose to another purpose or to appropriate available funds not included in the budget.

The Annual Budget, as adopted by the City Council, establishes the total appropriation provided for each City Department's operations. To ensure that the expenditures of each Department do not exceed the departmental appropriation, expenditures for each Department are legally limited to the amounts authorized by the City Council in the budget document, plus carryover amounts and supplemental appropriations individually approved by the City Council. The City Manager is legally authorized to transfer budgeted amounts between Divisions and accounts within the same Department over the course of a fiscal year. Transfer of appropriations between Departments or funds and increased appropriations must be authorized by the City Council. Thus, expenditures may not legally exceed budgeted appropriations at the Department level within a fund. City Council approval is also required for all transfers from unappropriated fund balances or contingency reserves.

Continued/Carryover Appropriations

The City's Municipal Code states that all unexpended or unencumbered appropriations shall lapse at the end of the fiscal year, except for appropriations for capital projects that are required for the completion of the approved project. Other encumbered funds from the previous fiscal year are carried over to the current fiscal year through a list of continued appropriations. Additionally, the City has established a carryover review process during which Departments submit justification for unencumbered, available funds that are requested for carryover. The final list of continued appropriations, including both encumbrances from the previous year and unencumbered funds approved for carryover, is then adopted by the City Council and becomes part of the City's Annual Budget. These continuing appropriations are not included in the Annual Budget document.

Proposition 4 (Gann) Appropriation Limit

Article 13-B of the California Constitution was added by the November 1979 passage of the Gann Initiative. This legislation mandated that California Cities must compute an appropriation limit, which places a ceiling on the total amount of tax revenues that the City can appropriate annually. The legislation also provides that the governing body shall annually establish its appropriations limit by resolution.

The appropriations limit is calculated by determining appropriations financed by proceeds of taxes in the 1978/79 base year and adjusting the limit each subsequent year for changes in the cost of living and population. This Appropriation Limit is the maximum limit of proceeds from taxes the City may collect or spend each year. Budgeted appropriations are limited to actual revenues if they are lower than the limit. The Appropriations Limit may be amended at any time during the fiscal year to reflect new data.

Three Year General Fund Financial Plan

The City's Three Year General Fund Financial Plan projects the fiscal health of the City's General Fund and allows management to understand the fiscal gaps that may exist between revenue projections and projected expenditure requirements. In this way, policymakers can issue directives that range from maintaining the status quo to closing the gap between revenues and expenditures. The City Manager's Budget Directive is largely based on the information drawn from the Plan data, as is the Mid-Year Budget Review.

Revenue estimates are prepared through an objective, analytical process based on year-to-date trends, prior years' data, and anticipated one-time adjustments. In all instances, the City provides reasonable revenue projections to prevent undue or unbalanced reliance on certain revenues and to ensure the ability to provide ongoing services.

Using the Three Year General Fund Financial Plan as a guide, the Finance Department issues budget targets to Departments in consultation with the Office of the City Manager, which require Departments to submit budget proposals that are constrained by the resources anticipated to be available in the upcoming fiscal year.

GUIDE TO THE BUDGET

General Fund Managed Savings Program

Management is expected to be fiscally responsible with the City's allocated resources. Moreover, as part of its daily work, management is expected to continuously identify efficiencies and methods that would lead to significant improvements in services. In times of fiscal concern, management is called upon to identify savings that might be generated by reducing expenditures in areas that will have the least impact on significant service areas. The resultant unencumbered balance is returned to the General Fund. Managed savings is shown as a negative budgeted expenditure line item in the summary sections of the Annual Budget. This effectively reduces the legal spending authority for the General Fund to a level some percentage below the total of all budget line items. The City's Management team is continually challenged throughout the year to achieve the managed savings target in the Annual Budget, and consistently does so.

Balanced Budget

The City's policy is to adopt a balanced budget, which means that planned expenditures do not exceed planned funds available. Available funds may include the use of fund balances on hand, provided that in the case of the General Fund the available fund balance does not drop below the 15 percent level required by the Economic Contingency Reserve Policy detailed below.

Economic Contingency Reserve

Since 2001, the City has annually earmarked an amount equivalent to 15 percent of the General Fund expenditure budget for an Economic Contingency Reserve. This reserve is intended to provide a cushion against fluctuations in revenue and expenses. The budget is developed in such a way as to ensure that the level of reserves never drops below 15 percent.

One Time Revenues

The City's policy is to avoid the use of one time revenues to fund ongoing operations, though when considered as part of the City's Three Year General Fund Financial Plan, usage of one time revenue may be appropriate to bridge short-term gaps in available resources.

Cash/Investment Management

One of the City's highest fiscal management priorities is maintaining the value of its cash and investment assets. The City values its cash and investments in accordance with the provisions of Government and Accounting

Standards Board (GASB) Statement No. 31, "Accounting and Financial Reporting for Certain Investments and External Investment Pools (GASB 31)," which requires governmental entities, including governmental external investment pools, to report certain investments at fair value in the statement of net assets/balance sheet and recognize the corresponding change in the fair value of investments in the year in which the change occurred. Fair value is determined using published market prices.

Cash accounts for all funds are pooled for investment purposes to enhance safety and liquidity while maximizing interest earnings. Investments are stated at fair value. All highly liquid investments (including restricted assets) with a maturity of three months or less when purchased are considered cash equivalents. Cash and investments held on behalf of proprietary funds by the City Treasurer are considered highly liquid and are classified as cash equivalents for the purpose of presentations in the Statement of Cash Flows.

Debt Management

The California Constitution requires that long-term debt pledged by the full faith and credit of the City can only be approved by voter referendum. Per State of California statute, the City's debt limit is set at 15 percent of total adjusted assessed valuation of all the real and personal property within the City. Currently, the City's total General Obligation Debt is significantly below its debt limit. The City also carries bonded debt secured by specific revenue sources, and Certificates of Participation secured by interests in City assets. Specific details on the City's outstanding debt can be found in the Budget Summary Section.

Risk Management

The City is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. Internal Service Funds have been established to account for and finance the uninsured risks of loss. Various insurance policies are carried by the City to cover risks of loss beyond the self-insured amounts covered by the Internal Service Funds. Using an internally developed allocation model, the cost of the various insurance coverage, whether self-insured or externally insured, are allocated to City Departments.

This Page Intentionally Left Blank

BUDGET SUMMARY

BUDGET SUMMARY

Overview of the Annual Budget

The City's total combined Annual Budget for fiscal year 2012/13 amounts to \$1,153,626,371. This equates to an increase of 16.62% versus the previous year's Budget, excluding interfund transfers and managed savings. The decrease in the current operations, or operating, budget – the Citywide total Budget excluding debt service, capital projects, equipment purchases, charges to/from others, interfund transfers, and managed savings – is 1.43%.

Included in the \$1.15 billion total Annual Budget amount are the City's Internal Service Funds and transfers to the General Fund from the Electric and Water Funds. These expenditures and transfers are found in the budget twice, because the revenue to the Internal Service Funds is a budgeted expenditure in the City's other funds and the interfund transfers are revenue to the General Fund that is then spent by the General Fund departments. When these two items are excluded from the total, the adjusted total Annual Budget amounts to \$1,089,362,445.

In this Section, the fund structure of the City's funds is described, significant changes between the current year's Annual Budget and the prior fiscal year are discussed, and other relevant information required to understand the Sections that follow is provided. Subsequently, each of the City's Major Funds, defined as any fund constituting more than 5.00% of the City's Annual Budget, is summarized and described. The City's major funds are:

- The General Fund
- The Electric Fund
- The Water Fund
- The Sewer Fund

BUDGET SUMMARY

Overview of the Annual Budget (Continued)

Additionally, due to their material nature to the City's operations, the Refuse Fund and the Airport Fund are also reported as Major Funds, though they comprise less than 5.00% of the City's Annual Budget. Similarly, the Capital Outlay Fund, though often more than 5.00% of the City's Annual Budget, is excluded because it is a capital projects fund.

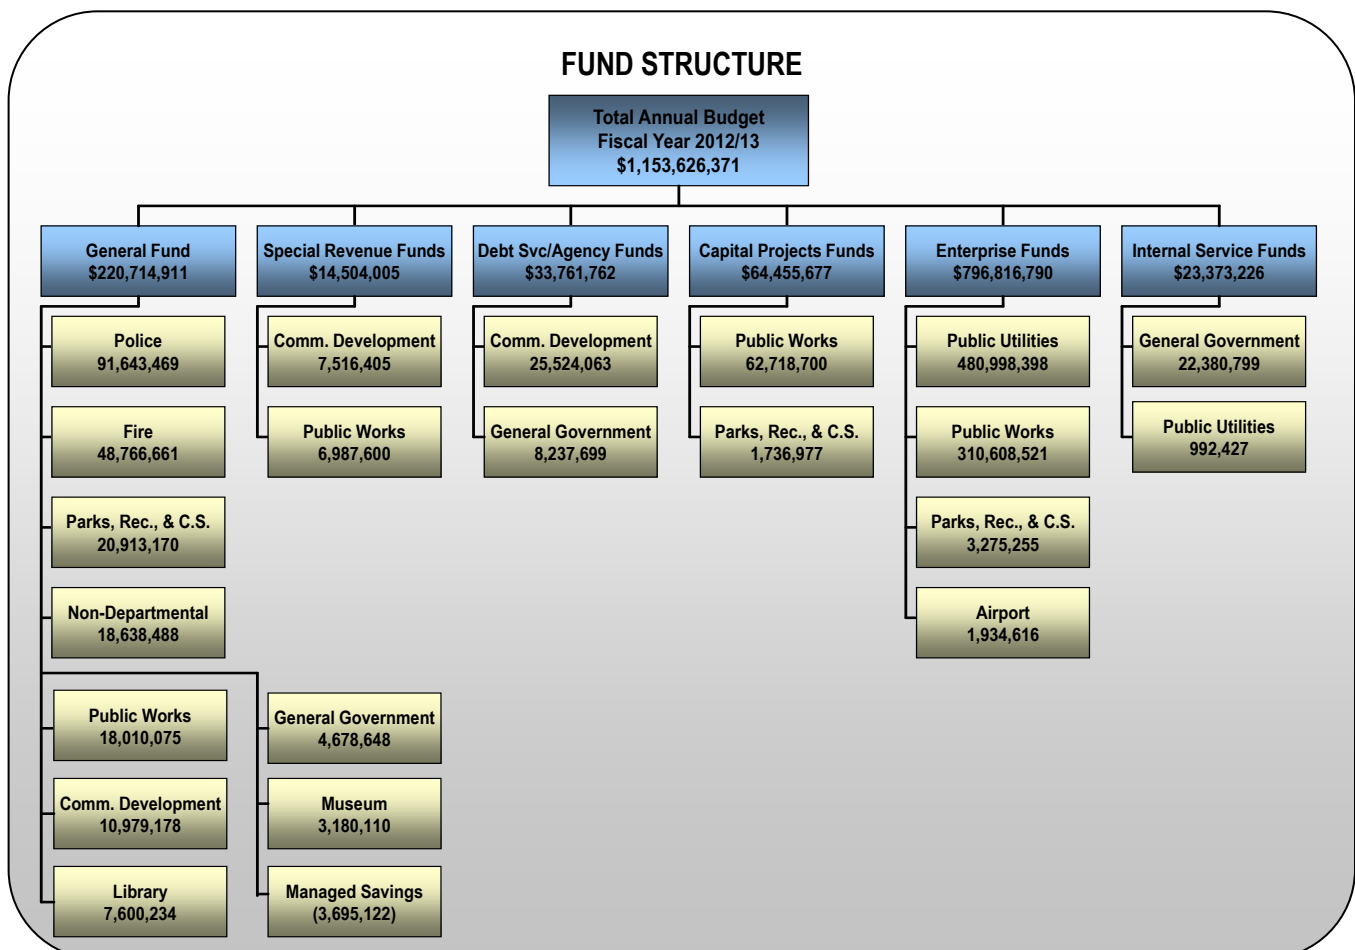

The term "General Government" is used to refer to a combination of all City Departments that are not public service Departments. These Departments include the Office of the Mayor, City Council, Office of the City Attorney, Office of the City Clerk, Office of the City Manager, and the Human Resources, Finance, General Services, and Information Technology Departments.

Grant revenue and expenditures are not typically budgeted. However, historical actual expenditures shown for fiscal years 2009/10 and 2010/11 include grants and other supplemental appropriations.

Fund Structure

The City organizes its resources into seven main fund categories: General Fund, Special Revenue Funds, Debt Service Funds, Capital Projects Funds, Enterprise Funds, Internal Service Funds, and Agency Funds. Within each category are multiple funds that each relate to a Department. Funds are categorized primarily for accounting purposes; therefore the Annual Budget typically discusses funds as they relate to Departments rather than categories. Below is a diagram illustrating the relationship between the seven fund categories and the City's various Departments. Each Department may have more than one fund within each category.

As can be seen from the following descriptions of fund categories, in many cases individual City Departments span multiple funds within a single category, or in some cases multiple categories. The reasons for this separation of activities are primarily of an accounting nature and can be reviewed in more detail in the City's CAFR.

BUDGET SUMMARY

General Fund

The General Fund is the City's primary operating fund where core City services such as police, fire, parks, recreation, and street maintenance are budgeted. The General Fund is described in more detail later in this Section.

Special Revenue Funds

Special Revenue Funds are used to account for specific monies that are legally restricted for use for a particular purpose. Funds included in this category relate to City Departments as follows.

The Community Development Department's budget includes Special Revenue Funds, which are used to account for Federal grants received from the Department of Housing and Urban Development (HUD) to be used for the development of a viable urban community by providing decent housing, a suitable living environment, and expanding economic opportunities principally for persons of low and moderate incomes.

The Public Works Department's budget includes three Special Revenue Funds. These funds include the Special Gas Tax Fund, used to account for the construction and maintenance of City streets funded by the City's share of state gasoline taxes; the Air Quality Improvement Fund, used to account for qualified air pollution reduction programs funded by the South Coast Air Quality Management District; and the National Pollution Discharge Elimination System (NPDES) Fund, used to account for storm drain maintenance and inspection required for California storm water permits funded by a special assessment district of Riverside County.

A final fund included in this category is the Successor Agency Administration Fund. As a result of the dissolution of the Redevelopment Agency, this fund is now being used to track administrative expenditures related to the Successor Agency.

Debt Service Funds

Debt Service Funds are used to account for the accumulation of resources and payment of long-term debt obligations of the City and related entities. Funds in this category are the Debt Service Fund – General, used to account for debt service associated with certificates of participation issued by the Riverside Municipal Improvements Corporation or the Riverside Public

Financing Authority and certain other General Fund-related debt service.

Capital Projects Funds

Capital Projects Funds are used to account for the acquisition and construction of major capital facilities other than those financed by Enterprise Funds or the General Fund.

The Public Works Department's budget includes four Capital Projects Funds. These funds include the Storm Drain Fund, used to account for the acquisition, construction, and installation of storm drains in the City; the Capital Outlay Fund, used to account for the construction and installation of street and highway capital improvements; the Measure A Fund, used to account for transportation improvements funded by the 1/2% sales tax approved by Riverside County voters in 1988; and the Transportation Development Impact Fees Fund, used to account for transportation improvements funded by impact fees.

The Parks, Recreation, and Community Services Department's budget includes two Capital Projects Funds. These funds include the Local Park Special Capital Improvements Fund, used to account for capital projects to construct parks and recreation facilities funded by impact fees; and the Regional Park Special Capital Improvements Fund, used to account for capital projects to construct regional parks and recreation facilities funded by impact fees.

Enterprise Funds

Enterprise Funds are used to account for activities that are financed and operated in a manner similar to private businesses. The City's intent is that the operational and capital costs of providing these services be recovered primarily through user fees and charges.

Riverside Public Utilities is budgeted in four Enterprise Funds. These funds include the Electric Fund, used to account for expenditures of the City's electric utility; the Electric Public Benefits Charge Fund, used to account for public benefits funds related to the City's electric utility; the Water Fund, used to account for expenditures of the City's water utility; and the Water Conservation and Reclamation Program Fund, used to account for public benefits funds related to the City's water utility. The Electric and Water Funds are described in more detail later in this Section.

BUDGET SUMMARY

The Public Works Department's budget includes three Enterprise Funds. These funds include the Refuse Collection Fund, used to account for expenditures associated with the City's refuse collection services; the Sewer Service Fund, used to account for expenditures related to the City's sewer system; and the Public Parking fund, used to account for expenditures related to the various parking facilities operated by the City principally in downtown Riverside. The Refuse and Sewer Funds are described in more detail later in this Section.

The Parks, Recreation, and Community Services Department's budget includes an Enterprise Fund. The Special Transit fund is used to account for expenditures related to the City's fleet of minibuses, which are used to transport senior citizens and disabled persons.

Finally, the Riverside Airport is entirely budgeted in an Enterprise Fund. The Airport Fund is described in more detail later in this Section.

Internal Service Funds

Internal Service Funds are used to account for the operational and capital cost of providing centralized services to City Departments. The costs of these services are recovered through the City's Cost Allocation Plan or other cost reimbursement methods. Funds in this category include the City's insurance-related funds, which are budgeted in the Human Resources Department and Office of the City Manager. They are the Workers' Compensation Insurance Trust Fund, the Unemployment Insurance Trust Fund, and the Liability Insurance Trust Fund. Riverside Public Utilities' budget includes the Central Stores Fund, used to account for purchases; and the General Services Department's budget includes the Central Garage Fund, used to account for vehicle maintenance and motor pool functions.

Agency Funds

Agency Funds are used to account for funds that held by the City as an agent for another entity.

A number of Agency Funds, budgeted in the Finance Department, are used to account for debt service payments for the various assessment districts (ADs) and community facilities districts (CFDs) located throughout the City.

The Community Development Department's budget also includes various Agency Funds, which are used to

account for financial obligations related to the Successor Agency to the City's former Redevelopment Agency.

Funds Not Budgeted

There are certain City funds that do not appear in the budget and that have not been described in this Section, either because they are no longer active or because they are never budgeted in the Annual Budget. Funds in the second category include the Capital Projects Funds related to the City's assessment districts and CFDs, certain Public Works Capital Projects Funds, and certain Capital Projects Funds used to account for expenditures associated with bond or certificate of participation issues completed mid-year in prior budget years. Appropriations were or are made to these funds on an as-needed basis through supplemental appropriations approved by the City Council during the budget year.

Summary of Significant Budget Adjustments

Detailed listings by department of significant budget adjustments can be found in Section I of the Annual Budget. This summary is intended as a high-level overview of significant structural changes to the budget or organization. Please refer to Section I for a detailed discussion of specific budgetary adjustments at the department level.

Fund Reorganizations

As a result of the elimination of the Redevelopment Agency, Fund 170 is now being used by the City to track administrative expenditures related to the Successor Agency. Additionally, the former Redevelopment Agency Debt Service Funds have been re-categorized as Agency Funds and are now being used to account for expenditures associated with the Successor Agency to the Redevelopment Agency. The former Redevelopment Agency's Low and Moderate Income Housing Funds (formerly categorized as Special Revenue Funds) and Capital Projects Funds are no longer utilized and are therefore no longer included in the City's Annual Budget. There were no other material changes to the City's fund structure other than those related to the dissolution of the Redevelopment Agency.

Department Reorganizations

During fiscal year 2011/12 or effective at the beginning of fiscal year 2012/13, the following reorganizations occurred throughout the City. A reorganization can be defined as the transfer of a particular function from one department to

BUDGET SUMMARY

another department or one fund to another fund that has no impact on the net Annual Budget.

1. The Economic Development Division was transferred from the Development Department to the City Manager's Office.
2. The Capital Projects was transferred from the Development Department to the General Services Department.
3. The Arts & Cultural Affairs Division was transferred from the Development Department to the Museum Department.
4. The remaining Divisions of the Development Department were merged into the Community Development Department.
5. The Finance Division was separated from the Office of the City Manager and established as its own Department.
6. The Safety Section of the new Finance Department was transferred to the Human Resources Department.
7. The Network Services, Systems and Operations Services, and Application Services Divisions were consolidated into the Administration Division of the Information Technology Department.
8. The Community Services Bureau of the Police Department was created and staffed with personnel transferred from the Office of the Chief.
9. The Internal Audit function of the Office of the City Manager was split off from the Administration Division into a new Internal Audit Division.
10. The Non-Departmental section of the 2012/13 budget was created to represent activities that are not budgeted within a specific General Fund department, as more specifically described in Section I.

Programmatic and Staffing Changes

Citywide staffing decreased by 6.42 full time equivalents. Due to the constraints imposed by the current economic conditions, additional staffing authorizations were kept to a minimum. However, certain additional staffing requests were approved, the majority of which facilitate addressing identified City Council priorities. Each department's summary in Section I outlines the reasons for the increases or decreases in personnel.

The budget was increased primarily to address identified City Council priorities as articulated in the City Manager's Budget Message. Additionally, as a result of the dissolution of the Redevelopment Agency due to the State's redirection of resources to its own budgetary challenges, General Fund support for these programs was increased per the direction of the City Council. Each department's summary in Section I outlines the reasons for significant increases or decreases in expenditures.

The transmittal letter included in Section A references "minor administrative adjustments" in addition to any listed last minute additions to the budget. These minor administrative adjustments do not have a material impact on the budget as a whole, though the budget numbers presented in the City Manager's Budget Message may be slightly different than the final budget numbers presented in the Annual Budget.

Interfund Transfers

Throughout the Annual Budget reference is made to interfund transfers. An interfund transfer is a transfer of funds from one City fund to another City fund. These transfers appear as a resource in the fund receiving the transfer and as a budget requirement in the fund that is sending the transfer. While this does result in the revenue and expenditure being "double counted" in the Annual Budget, this presentation provides a truer picture of the actual expenditures for the City's Enterprise Funds, from which the transferred funds originate. Transfers for fiscal year 2012/13 are budgeted at \$34,423,500 from the Electric Fund to the General Fund and \$6,467,200 from the Water Fund to the General Fund. Both transfers are made as authorized by City Charter Section 1204(f).

Outstanding Debt

As discussed in the City's Debt Management Policy, found in the Guide to the Budget Section, the City's legal debt limit is set by State of California Statute at 15% of the City's adjusted assessed valuation. Of the \$1.72 billion in debt currently outstanding, only \$16.1 million is supported by tax revenues (the Measure G Fire Facility Projects Bonds) and is therefore subject to the legal debt

BUDGET SUMMARY

limit. The City's assessed valuation for the current fiscal year is \$16.3 billion, resulting in a debt limit of \$612.9 million and a current ratio of debt to assessed value of 2.63%. The remaining outstanding debt detailed in the table on the facing page is supported by other specific revenue streams and is not subject to the legal debt limit. Excluded are minor debts such as capital leases.

During fiscal year 2011/12, several debt transactions were completed. The General Fund entered into a private placement financing totaling \$4.0 million to finance a portion of the construction of a new park facility at the Tequesquite Arroyo. The Electric Fund issued revenue refunding bonds totaling \$56.5 million and entered into a loan totaling \$45.6 million to acquire a previously constructed power plant from the City of Corona. The Water Fund issued revenue refunding bonds totaling \$59.0 million. The General Fund entered into a private placement financing on behalf of the Parking Fund totaling \$25.0 million to construct a new parking garage and adjacent exhibit and theater spaces to service the Fox Performing Arts Center. Lastly, two assessment district bond issues were refunded totaling \$11.9 million.

Bond proceeds totaling \$293.3 million are included in the Measure A, Electric Fund, Water Fund, and Sewer Fund portions of the Annual Budget that relate to various debt issues. These funds are reflected as a resource in the various revenue tables but are not included in revenue to avoid skewing historical comparisons, as bond proceeds are not included in historical revenues.

The Electric Fund, Water Fund, and Sewer Fund bond proceeds shown in the Annual Budget are proceeds of previous bond issues that remain on hand. The bond proceeds shown in the Measure A Fund relate to a planned financing that will be supported by both Gas Tax and Measure A revenues. The proceeds of the proposed financing will be utilized to construct and rehabilitate streets throughout the City. Two additional debt transactions were completed following June 30, 2012, but prior to publication of the Annual Budget. First, the City refunded the Series 2003 Certificates of Participation to achieve a lower interest rate. Second, the City entered into a private placement transaction to finance the rehabilitation and expansion of the City's Convention Center, which will be supported by a recently approved increase in the City's transient occupancy tax rate. No other debt issuances are planned for the 2012/13 fiscal year

LEGAL DEBT LIMIT CALCULATION

	As of June 30, 2012
Fiscal Year 2011/12 Assessed Valuation	16,342,830,000
Conversion Percentage	25.00%

BUDGET SUMMARY – GENERAL FUND

Overview of the General Fund

The City's General Fund budget for fiscal year 2012/13 amounts to \$220,714,911, including managed savings. This equates to an increase of 4.48% versus the previous year's Annual Budget. The increase in the current operations budget is 1.41%.

Core city services such as police, fire, parks, recreation, and street maintenance are budgeted in the General Fund. Therefore, the General Fund's growth can be more closely tied to the growth of the City and the economic activity within the City than the Annual Budget as a whole. The General Fund budget increase this year reflects the current economic conditions while cautiously increasing the City's investment in public safety, transportation, economic development, and other critical needs as outlined in the City Manager's Budget Message.

General Fund Revenue Sources

The General Fund is supported by a diverse set of revenue sources. Included are tax revenues, fees charged for services, licenses and permits, and other more minor sources. In the pages that follow, each of the major General Fund revenue sources is described with information about historical trends, current budgeted revenues, and forecast methodology.

An important part of the overall General Fund financial picture is interfund transfers. The General Fund will receive \$40.9 million from the Electric and Water Funds, which is a transfer of certain operating revenues as authorized by the City Charter.

BUDGET SUMMARY – GENERAL FUND

Sales and Use Taxes

Sales and Use Taxes are imposed on retail transactions, usually at the point of sale. They are collected and remitted to the California State Board of Equalization, which administers the program. In Riverside County, Sales Tax is assessed at the rate of 7.75% of the transaction value. Included in this rate are one percentage point for local sales tax, 0.5 percentage point for Measure "A" transportation programs, and 0.5 percentage point for Local Public Safety Augmentation (LPSA). The Board of Equalization distributes Sales Tax monies on the basis of point of sale data, while Use Tax monies are allocated from various dollar pools at County or State levels based on taxable sales for the defined areas. The LPSA monies are distributed via the County of Riverside to cities based on their proportionate share of property tax losses due to the State's Educational Revenue Augmentation Fund (ERAF) shifts.

Sales and Use Tax revenues are one of the two largest revenue sources for the General Fund, representing 28.56% of total estimated revenues in fiscal year 2012/13. Following the downturn in the economy beginning in 2007, sales tax revenues declined sharply. Recent years have seen a steadily increasing trend, which is anticipated to continue. For fiscal year 2012/13, budgeted Sales and Use Tax revenues are estimated to increase from the prior year's budgeted revenues based on forecast data prepared by outside expert consultants and validated by the City staff. The budgeted amount of \$51.08 million represents an increase of 11.51%, though the increase versus the actual amount in the prior year is smaller.

Property Taxes

Property taxes are levied at one percent of assessed value, as established in 1978 by California's Proposition 13. The County of Riverside administers the property tax program and the City of Riverside receives approximately 12% of the receipts generated by property taxes levied within the City limits. The balance of the assessment received is allocated between various schools, Riverside County, and the Successor Agency to the City's Redevelopment Agency.

Property Tax revenues are one of the two largest revenue sources for the General Fund, representing 27.26% of total estimated revenues in fiscal year 2012/13. Property Tax revenues have fallen slightly in recent years as a result of the depressed housing market in Southern California. Due to the City's older housing stock, new retail and commercial construction, annexations, and higher assessed values for properties as they are sold (Proposition 13 also limits annual increases in assessed value so that properties are often assessed considerably below actual value until resold), decreases have not been as high as those seen in surrounding communities. For fiscal year 2012/13, budgeted Property Tax revenues are estimated to increase versus the previous fiscal year based on forecast data prepared by outside expert consultants and validated by City staff. The budgeted amount of \$48.77 million represents an increase of 4.62%.

GENERAL FUND – BUDGET SUMMARY

Utility Users Taxes

Utility Users Taxes are imposed on telephone, electrical, gas, water, and cable television services within the City limits at a rate of 6.5 percent of taxable services.

Utility Users Tax revenues represent 15.88% of total estimated General Fund revenues in fiscal year 2012/13. These revenues are largely predictable and increase at a steady and measurable rate as the customer base of the City's utilities increases. For fiscal year 2012/13, budgeted Utility Users Tax revenues have also been adjusted to reflect growing competition in the cable television market. The budgeted amount of \$28.40 million represents an increase of 3.17%.

Charges for Services

The City has developed service fees that are designed to recover a specified portion of the service cost. This is referred to as the recovery level and is established by the City Council. The primary revenue source in this category is fees for processing various development-related applications.

Charges for Services revenue represents 6.57% of total estimated General Fund revenues in fiscal year 2012/13. Revenue from many Charges for Services remains relatively steady and increases each year with the growth in the City's population and inflation. Certain Charges for Services, however, are tied to the construction industry and are thus more closely tied to current economic trends. For fiscal year 2012/13, budgeted Charges for Services are estimated to increase primarily as a result of an anticipated gradual reversal of the decline in the housing market. The budgeted amount of \$11.76 million represents an increase of 5.06%.

(MILLIONS)

HISTORICAL CHARGES FOR SVCS. REVENUE
(MILLIONS)

BUDGET SUMMARY – GENERAL FUND

Licenses and Permits

Licenses and permits generate revenue from a wide variety of activity, ranging from business and animal licenses, to building-related permits. The most significant revenue sources are Business Licenses and Building Permit Fees. Business Licenses are required for all establishments conducting business within the City limits and are renewed annually. License fees are based on gross sales, the type of business, and the number of employees. Building Permits are issued by the City and required for various types of construction within the City limits.

Licenses and Permits revenue represents 4.17% of total estimated General Fund revenues in fiscal year 2012/13. Revenue from some Licenses and Permits remains relatively steady and increases each year with the growth in the City's population and inflation. Other Licenses and Permits, however, are tied to the construction industry and are thus more closely tied to current economic trends. For fiscal year 2012/13, budgeted Licenses and Permits revenues are estimated to increase primarily as a result of an anticipated gradual reversal of the decline in the housing market. The budgeted amount of \$7.46 million represents an increase of 0.47%.

Fines and Forfeits

Fines and Forfeits revenue is generated primarily by fines paid to the City for violations of the municipal code or for traffic violations.

Fines and Forfeits revenue represents 2.77% of total estimated General Fund revenues in fiscal year 2012/13. Revenue from most Fines & Forfeits sources remains relatively steady and increases each year with the growth in the City's population and inflation. With the implementation mid-year in fiscal year 2006/07 of the City's Photo Red Light Enforcement Program, however, there was a significant increase in Fines and Forfeits revenue for fiscal year 2007/08. These revenues are designated for traffic safety-related expenditures and offset expenditures budgeted in the Public Works Department budget for that purpose. For fiscal year 2012/13, budgeted Fines and Forfeits revenues are estimated to decrease primarily as a result of lower revenue from the Photo Red Light Enforcement Program and the success of the City's Neglected Property Abatement (NPA) Program. The NPA Program was designed to incentivize banks to maintain bank-owned homes, which it has done successfully. However, as compliance increases revenue decreases. The budgeted amount of \$4.96 million represents a decrease of 43.65%.

GENERAL FUND – BUDGET SUMMARY

This Page Intentionally Left Blank

BUDGET SUMMARY – ELECTRIC FUND

Overview of the Electric Fund

The City's Electric Fund budget for fiscal year 2012/13 amounts to \$369,109,297. This equates to a decrease of 2.95% versus the previous year's Annual Budget. This decrease is primarily attributable to capital projects that were budgeted in fiscal year 2012/13 at a lower level than fiscal year 2011/12. The increase in the current operations budget is 0.84%.

The operating and capital expenditures of the Electric Utility component of Riverside Public Utilities are budgeted in the Electric Fund. In addition to offering lower residential rates than its competitors, Riverside Public Utilities also bolsters economic development within the City by offering discounted commercial rates to large power users and high tech companies. Expenditures in the Electric Fund range from personnel operating the City's power plants to capital expenditures to construct new transmission lines as the City grows.

Electric Fund Revenue Sources

The Electric Fund is supported almost exclusively by Charges for Services. These charges include charges for residential and commercial electricity usage by the Utility's customers as well as other miscellaneous items. As an Enterprise Fund, capital and operational cost are recovered through charges for services. Rate increases may be necessary due to increased costs or inflation.

Growth in Electric Fund Charges for Services is primarily tied to growth in the customer base of the Utility, rates, and/or electricity demand. Riverside Public Utilities prepares revenue projections based upon an analysis of various statistics and trends. The results of this analysis are included in the Annual Budget. The budgeted amount of \$324.33 million represents an increase of 1.67%.

An important part of the overall Electric Fund financial picture is interfund transfers. The Electric Fund will transfer \$34.42 million out to the General Fund, which is a transfer of certain operating revenues as authorized by the City Charter. These funds are used by the City to augment the provisioning of core city services such as police, fire, parks, and street maintenance.

BUDGET SUMMARY – WATER FUND

Overview of the Water Fund

The City's Water Fund budget for fiscal year 2012/13 amounts to \$96,846,128. This equates to an increase of 12.55% from the previous year's Annual Budget. This increase is primarily attributable to an increase in capital expenditures versus the prior year's budget. The increase in the current operations budget is 0.66%.

The operating and capital expenditures of the Water Utility component of Riverside Public Utilities are budgeted in the Water Fund. Expenditures in the Water Fund range from personnel maintaining water lines to capital expenditures to construct new water lines as the City grows.

Water Fund Revenue Sources

The Water Fund is supported almost exclusively by Charges for Services. These charges include residential and commercial water usage by the Utility's customers as well as other miscellaneous items. As an Enterprise Fund, capital and operational cost are recovered through charges for services. Rate increases may be necessary due to increased costs or inflation.

Growth in Water Fund Charges for Services is primarily tied to growth in the customer base of the Utility, rates, and/or water demand. Riverside Public Utilities prepares revenue projections based upon an analysis of various statistics and trends. The results of this analysis are included in the Annual Budget. The budgeted amount of \$61.30 million represents a decrease of 3.72%.

An important part of the overall Water Fund financial picture is interfund transfers. The Water Fund will transfer \$6.47 million out to the General Fund, which is a transfer of certain operating revenues as authorized by the City Charter. These funds are used by the City to augment the provisioning of core city services such as police, fire, parks, and street maintenance.

BUDGET SUMMARY – SEWER FUND

Overview of the Sewer Fund

The City's Sewer Fund budget for fiscal year 2012/13 amounts to \$281,286,339. This equates to an increase of 186.20% versus the previous year's Annual Budget. The increase is primarily attributable to significant capital projects budgeted in fiscal year 2012/13. The decrease in the current operations budget is 0.45%.

The operating and capital expenditures related to the City's sewer system and treatment plant are budgeted in the Sewer Fund. Expenditures in the Sewer Funds include the cost of constructing and maintaining sewer lines and facilities and well as the operational costs associated with the City's Water Quality Control Plant, which serves the residential and commercial sewer needs within the City as well as the Jurupa, Rubidoux, and Edgemont Community Service Districts.

Sewer Funds Revenue Sources

The Sewer Fund is supported almost exclusively by Charges for Services. These charges include residential and commercial sewer usage charges and other miscellaneous items. As an Enterprise Fund, capital and operational cost are recovered through charges for services. Rate increases may be necessary due to increased costs or inflation.

Growth in Sewer Fund Charges for Services is primarily tied to growth in the customer base, rates, and/or demand. The Public Works Department prepares revenue projections based upon an analysis of various statistics and trends. The results of this analysis are included in the Annual Budget. The budgeted amount of \$44.24 million represents an increase of 15.20% and reflects an ongoing multi-year rate increase.

BUDGET SUMMARY – REFUSE FUND

Overview of the Refuse Fund

The City's Refuse Fund budget for fiscal year 2012/13 amounts to \$21,952,667. This equates to an increase of 5.71% versus the previous year's Annual Budget. The increase in the current operations budget is 3.53%.

The operating and capital expenditures related to the City's refuse collection services are budgeted in the Refuse Fund. The City provides approximately 70 percent of residential service, with the remainder provided by private companies. Commercial refuse service is provided solely by the private sector.

Refuse Fund Revenue Sources

The Refuse Fund is supported almost exclusively by Charges for Services. These charges include residential refuse collection charges and other miscellaneous items. As an Enterprise Fund, capital and operational cost are recovered through charges for services. Rate increases may be necessary due to increased costs or inflation.

Growth in Refuse Fund Charges for Services is primarily tied to growth in the customer base, rates, and/or demand. The Public Works Department prepares revenue projections based upon analysis of various statistics and trends. The results of this analysis are included in the Annual Budget. The budgeted amount of \$18.99 million represents an increase of 1.89%.

Additionally, a small amount of revenue is received by the Refuse Fund related to parking tickets issued for violations of no parking zones on street sweeping days. These revenues offset interfund charges from the Public Parking Fund related to enforcement of the no parking zones.

BUDGET SUMMARY – AIRPORT FUND

Overview of the Airport Fund

The City's Airport Fund budget for fiscal year 2012/13 amounts to \$1,934,616. This equates to a decrease of 5.04% versus the previous year's Annual Budget. The decrease in the current operations budget is 1.34% and primarily related to the Airport reducing costs in anticipation of again leasing the Fixed Base Operator formerly operated by a private party.

The operating and capital expenditures of the Riverside Airport are budgeted in the Airport Fund. The Riverside Airport serves the needs of local business jets, cargo aircraft, police and military helicopters, and private pilots and leases open space for short-term projects. Expenditures in the Airport Fund range from maintaining the terminal building to capital expenditures to reconstruct or expand the airfield.

Airport Fund Revenue Sources

The Airport Fund is supported almost exclusively by Charges for Services. These charges include leases, fuel sales and flowage charges, and landing fees. As an Enterprise Fund, capital and operational cost are recovered through charges for services. Rate increases may be necessary due to increased costs or inflation.

Growth in Airport Fund Charges for Services is primarily tied to growth in the customer base of the Airport and/or the number of leased facilities on the Airport. The Riverside Airport projects revenue based upon an analysis of historical trends, which in recent years have been slightly negative. The results of this analysis are included in the Annual Budget. The budgeted amount of \$1.67 million represents a decrease of 4.90%.

¹ The General Fund Current Operations Budget reflects a reduction for Managed Savings of (\$3,695,122).

² The negative year-end fund balance shown for this fund will be addressed through the upcoming lease of the Airport's FBO and budgetary savings.

³ The negative year-end fund balance shown for this fund will be addressed through a contribution in 2013/14 from the Riverside Community College District for the purchase of parking spaces in Parking Garage 7.

⁴ The negative year-end fund balance shown for this fund will be addressed through the receipt of SERAF loan repayments in fiscal year 2013/14.

⁵ The negative year-end fund balance shown for this fund will be addressed through a deficit recovery plan to be completed in 2013/14.

⁶ The negative year-end fund balance shown for this fund will be addressed through a deficit recovery plan to be completed over 10 years.

CITY COUNCIL

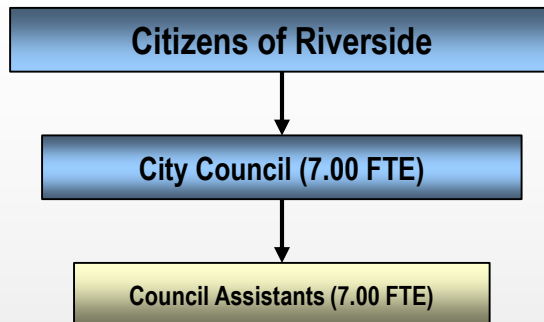

MISSION STATEMENT

The mission of the City Council is to provide proactive community leadership in the formulation of public policy in order to promote the economic interests of the City, a high quality of life, and a safe and attractive environment for the Citizenry.

CITY COUNCIL

DEPARTMENT ORGANIZATIONAL CHART

PERSONNEL BY DIVISION

HISTORICAL PERSONNEL

CITY COUNCIL

SERVICES PROVIDED BY DEPARTMENT

The City Council serves as the elected legislative and policy-making body of the City, enacting all laws and directing any actions necessary to provide for the general welfare of the community. The City Charter states: "All powers of the City shall be vested in the City Council except as otherwise provided in this Charter (Section CH. 406)." As part of the ward districted boundary system of government, each Council Member represents a different ward, ensuring that the citizenry receives equal representation.

COMMUNITY DEVELOPMENT DEPARTMENT

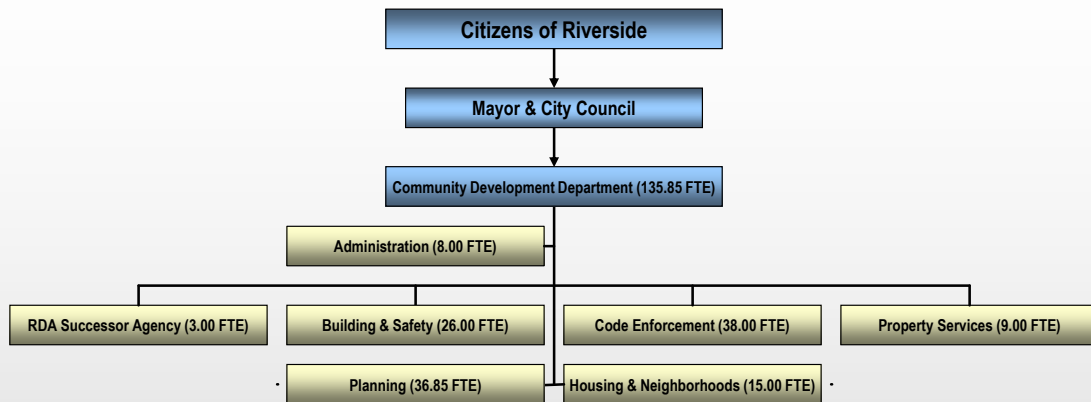

MISSION STATEMENT

The mission of the Community Development Department, through its diverse services, is to continuously improve Riverside's quality of life by facilitating investment and economic development that is beneficial to the City – and its neighborhoods and business districts – and meets or exceeds community expectations.

COMMUNITY DEVELOPMENT DEPARTMENT

DEPARTMENT ORGANIZATIONAL CHART

PERSONNEL BY DIVISION

HISTORICAL PERSONNEL

COMMUNITY DEVELOPMENT DEPARTMENT

SERVICES PROVIDED BY DEPARTMENT

The Community Development Department serves the City's quality of life through its divisions of Planning, Building and Safety, Code Enforcement, Successor Agency, Housing and Neighborhoods, and Real Property. The activities of these divisions are guided by local, state and federal laws and regulations.

The Planning Division is responsible for the preparation and administration of several of these documents, and, through its professional planning experience, applies them in advising the City's decision makers on such matters as General Plan amendments, annexations, zoning changes, variances, conditional use permits, planned residential development permits, land divisions, design review cases, ordinance amendments, and historic preservation matters. Boards and commissions supported by the Planning Division include City Planning Commission, Cultural Heritage Board, and several ad hoc planning committees.

The Building and Safety Division administers and enforces the latest editions of the ICC Building Codes through the plan check process and is responsible for conducting all field inspections of construction work for compliance with these codes.

The Code Enforcement Division conducts proactive, equitable enforcement of state adopted and local municipal codes that pertain to neighborhood safety and livability matters such as amelioration of abandoned and foreclosed properties, abatement of weeds and debris on privately owned properties, removal of abandoned vehicles, and the disposition of buildings in dangerous disrepair.

The Successor Agency is responsible for the dissolution of the former redevelopment agency including facilitating the completion of state authorized projects.

The Housing and Neighborhoods division administers entitlement funds such as the Community Development Block Grant (CDBG), HOME program, Emergency Shelter Grants and the Housing Opportunities for Persons with AIDS (HOPWA). Additionally, the Division provides neighborhood organizing support, leadership training and a link between neighborhood groups and the services and resources available to them in addressing quality of life issues at the neighborhood level. Also, the Housing and Neighborhood division manages the City's Housing Authority and all of the City's homeless programs.

The Real Property Division represents the City in all negotiations of leases to and from the City, property management and surplus property sales and acquisition of properties for City projects. This division also provides cost estimates and appraisal reports for the City as well as managing a Telecommunications Site Leasing Program.

COMMUNITY DEVELOPMENT DEPARTMENT

DEPARTMENT GOALS

1. To attract, protect and increase private investment to stimulate the economy and increase the number of jobs in the City.
2. To increase, preserve and protect the City's housing stock to ensure available housing for all residents.
3. To provide valued Planning and Building services that contribute to orderly and responsible growth, revitalization and development of the built and natural environment.
4. To revitalize and stabilize neighborhoods through timely, responsive strategic public investment and effective code enforcement of property maintenance concerns.
5. To blend the collective experience and talents from the Community Development Department and the Development Department into one aligned team providing exceptional internal and external customer service that advances the quality of life in the City.

FISCAL YEAR 2011/12 DEPARTMENT ACCOMPLISHMENTS

The budget for the Community Development Department in prior years has been restated to reflect the Development Department as though it has historically been consolidated with the Community Development Department in order to provide more meaningful budgetary trend analysis.

SUMMARY OF SIGNIFICANT BUDGET ADJUSTMENTS – PRIOR YEAR TO CURRENT YEAR

Personnel Adjustments

1. The Economic Development Division was transferred to the Office of the City Manager, with the capital projects staff moving to the General Services Department and the arts & cultural affairs staff moving to the Metropolitan Museum.
2. The staffing of the former Redevelopment Agency was reduced significantly due to the dissolution of the Agency.
3. Various positions in other Divisions were also eliminated due to the dissolution of the Redevelopment Agency.
4. Various vacant positions were unfunded as part of the strategy to balance the General Fund budget.

Other Adjustments

1. The non-personnel budget decreased primarily as a result of a change in the handling of redevelopment pass-through payments to other taxing entities as a result of the dissolution of the Redevelopment Agency.
2. The special projects budget decreased primarily as a result of the transfer of the Economic Development Division to the Office of the City Manager.
3. The debt service budget decreased as a result of a reduction in the debt of the former Redevelopment Agency.
4. The charges from others and charges to others budgets decreased as a result of the dissolution of the Redevelopment Agency.

FINANCE DEPARTMENT

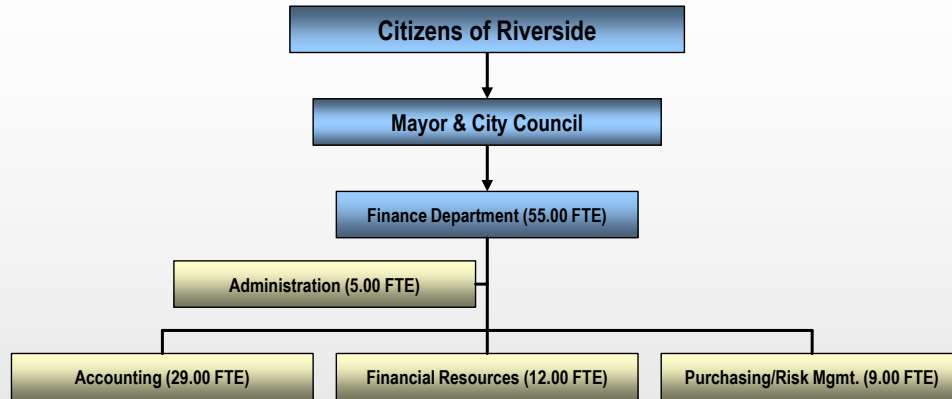

MISSION STATEMENT

The mission of the Finance Department is to provide fiduciary control of the City's assets, perform fiscally related services, and provide accurate, timely, and useful financial information to support the delivery of municipal services to the City organization and the public. The Finance Department consists of the Administration, Accounting, Financial Resources, and Purchasing & Risk Management Divisions.

FINANCE DEPARTMENT

DEPARTMENT ORGANIZATIONAL CHART

PERSONNEL BY DIVISION

HISTORICAL PERSONNEL

FINANCE DEPARTMENT

SERVICES PROVIDED BY DEPARTMENT

The Finance Department is responsible for all financial record keeping and reporting functions required by the City Charter of the Chief Financial Officer. Finance functions include centralized accounting, preparing the City's annual budget and capital improvement program, revenue & investment management, debt administration, purchasing, and risk management.

PERSONNEL SUMMARY BY DIVISION

	Budgeted 2009/10	Budgeted 2010/11	Budgeted 2011/12	Budgeted 2012/13	Change
Administration	5.50	5.50	5.00	5.00	-

Total Budget	\$ 32,716,682	\$ 27,621,312	\$ 19,957,604	\$ 16,221,365	-18.72%

The budget for the Office of the City Manager in prior years has been restated to reflect the Finance Department as a separate department in order to provide more meaningful budgetary trend analysis.

SUMMARY OF SIGNIFICANT BUDGET ADJUSTMENTS – PRIOR YEAR TO CURRENT YEAR

Personnel Adjustments

1. The Safety Section was transferred to the Human Resources Department.
2. Various vacant positions were unfunded as party of the strategy to balance the General Fund budget.

Other Adjustments

1. The decrease in special projects funding is attributable to the transfer of training funds associated with the Safety Section to the Human Resources Department.
2. The decrease in the debt service budget is primarily attributable to 1) an accounting change to reflect debt associated with certain parking facilities directly in the Public Works Department budget rather than budgeting for the debt service in the Finance Department budget and allocating the costs; and 2) the maturity of several assessment district bond issues.
3. The increase in the charges to others budget and the charges from others budget is primarily attributable to debt service associated with the Riverside Renaissance Certificates of Participation being charged to the General Fund rather than the Local Park Impact Fees Fund. These costs are then passed on to the Parks, Recreation, and Community Services Department for a net impact to the Finance Department budget of \$0.

FIRE DEPARTMENT

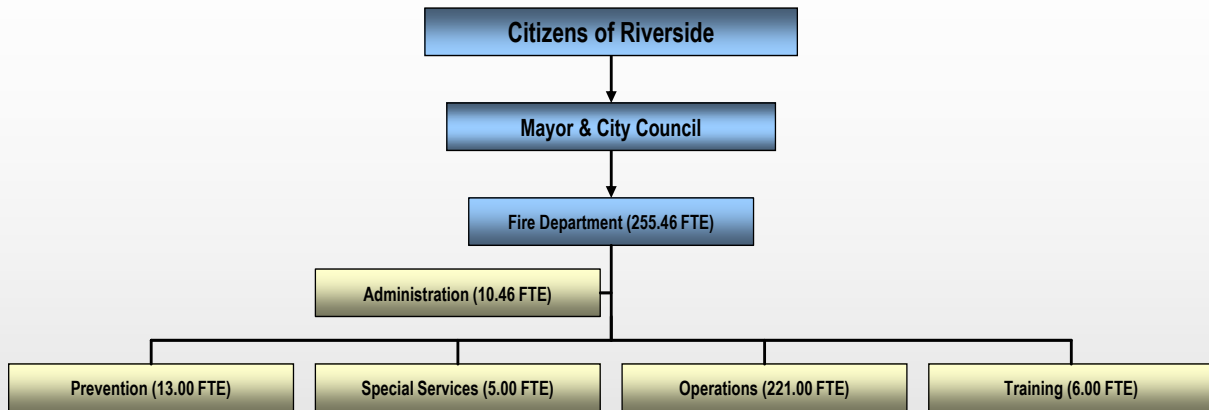

MISSION STATEMENT

The mission of the Fire Department is to protect life, property, and the environment within the City through proactive life safety, community education, and emergency service programs utilizing responsible fiscal management, a highly trained workforce, progressive technology, and modern equipment. We do this in order to preserve and enhance the quality of life for the citizens of Riverside.

FIRE DEPARTMENT

DEPARTMENT ORGANIZATIONAL CHART

PERSONNEL BY DIVISION

HISTORICAL PERSONNEL

FIRE DEPARTMENT

SERVICES PROVIDED BY DEPARTMENT

The Fire Department is divided into three functions: 1) Administration, which includes the Prevention and Special Services Divisions; 2) Operations, which includes the Training Division; and 3) Urban Search & Rescue. Major facilities include 14 fire stations strategically placed throughout the City and a fire training tower used in the advanced training of the City's employees. The Citywide Emergency Operations Center is located at the training facility and is operated and maintained by the Fire Department.

Special programs within the Fire Department include the Arson Investigation Team; F.R.I.E.N.D.S., a juvenile arson intervention program; Advanced Life Support provided by the Paramedic Program; Emergency Services; Hazardous Materials Team; and the Certified Unified Program Agency (CUPA) program to regulate hazardous materials in cooperation with the County of Riverside. The Fire Department responds to more than 28,000 calls for service annually. The Operations Division staffs and maintains a Federal Urban Search and Rescue (USAR) Team (California Task Force-6) that provides highly trained rescue personnel and equipment to disaster incidents anywhere in the nation. This is one of eight specialized rescue teams strategically located throughout California.

The Fire Department also stores and operates two State of California Office of Emergency Services fire units (one structure unit and one wildland unit), which are deployed to assist other communities requesting aid.

PERSONNEL SUMMARY BY DIVISION

	Budgeted 2009/10	Budgeted 2010/11	Budgeted 2011/12	Budgeted 2012/13	Change

FIRE DEPARTMENT

DEPARTMENT GOALS

1. To respond quickly to Fire, EMS, and hazardous materials-related incidents so as to minimize the loss of life, damage to property, and economic impact to the community.
2. To use technology to expand and improve the services and abilities of the Department.
3. To ensure that the City and its residents are prepared to effectively respond to major disasters by providing information and education in fire safety and emergency preparedness.
4. To comply with all Federal, State, and County requirements for emergency response and planning.
5. To provide prompt and courteous response to calls for service and fire hazard complaints.

FISCAL YEAR 2011/12 DEPARTMENT ACCOMPLISHMENTS

Accomplishment	Related Goal	Related City Council Goal	Related Seizing Our Destiny Strategic Route
1 Implemented Priority EMS Dispatch.	Goal #1	Livable Communities	N/A
2 Provided succession mentoring for aspiring company officers.	Goal #1	Livable Communities	N/A
3 Received over \$4 million in grant funding for UASI and US&R programs.	Goal #1	Livable Communities	N/A
4 Began construction on replacement downtown fire station.	Goal #1	Livable Communities	N/A
5 Completed Fire Station Alerting System project.	Goal #1	Livable Communities	N/A
6 Achieved Type III CAL-EMA certification for Hazardous Materials Team.	Goal #1	Livable Communities	N/A
7 Trained 147 basic and 380 advanced CERT volunteers.	Goal #3	Livable Communities	N/A
8 Placed in service one new Fire Engine, Hazmat Unit and one Breathing Support Unit.	Goal #3	Livable Communities	N/A
9 Provided fire safety outreach to 48,920 residents at 303 events.	Goal #3	Livable Communities	N/A

FIRE DEPARTMENT

FISCAL YEAR 2011/12 DEPARTMENT ACCOMPLISHMENTS (CONTINUED)

Accomplishment	Related Goal	Related City Council Priority	Related Seizing Our Destiny Strategic Route
10 Awarded \$98,000 from the 2011 Assistance to Firefighters Grant program to purchase Capnography Waveform Monitoring Devices and Blue Card Command Certification Training.	Goal #5	Livable Communities	N/A

FISCAL YEAR 2012/13 DEPARTMENT OBJECTIVES

Objective	Related Goal	Related City Council Goal	Related Seizing Our Destiny Strategic Route
1 To achieve Wildland CICCIS Requirements for all Fire Company Officers by Spring 2012.	Goal #1	N/A	N/A
2 To provide succession mentoring for all aspiring company officers by Spring 2013.	Goal #1	N/A	N/A
3 To complete construction on replacement Downtown Fire Station - estimated December 2012.	Goal #1	Livable Communities	N/A
4 To achieve Type II CAL-EMA Certification for the Hazardous Materials Team by June, 2013.	Goal #1	Livable Communities	N/A
5 To complete purchase of CBRNE (Mass Decontamination) Vehicle through UASI grant by June 2013.	Goal #1	Livable Communities	N/A
6 To train all US&R Task Force Members to the new CBRNE 16 hour enhanced operations course.	Goal #1	Livable Communities	N/A
7 To achieve compliance with FCC-mandated Narrowbanding for radio communications by January, 2013, and seek grant funding to add 2nd radio transmitter site.	Goal #1	Livable Communities	N/A
8 To update the five-year US&R Strategic Plan.	Goal #1	Livable Communities	N/A
9 To implement CA Emergency Medical Services Information System reporting by August 2012.	Goal #2	N/A	N/A
10 To utilize Fire View Software to evaluate and reduce response times by 5% by Spring 2012.	Goal #3	Livable Communities	N/A

SUMMARY OF SIGNIFICANT BUDGET ADJUSTMENTS – PRIOR YEAR TO CURRENT YEAR

Personnel Adjustments

1. Various vacant positions were unfunded as part of the strategy to balance the General Fund budget.

Other Adjustments

1. The increase in charges from others is the result of the reinstatement of a charge for 25% of the Communications Division from the Police Department, which was discontinued in 2010/11. It has been determined that reinstating the charge better reflects the full cost of providing Fire Department services.
2. The increase in charges to others is the result of a change in the method used to charge certain staff time to non-General Fund programs. The net budgetary impact to the Fire Department budget is \$0.

GENERAL SERVICES DEPARTMENT

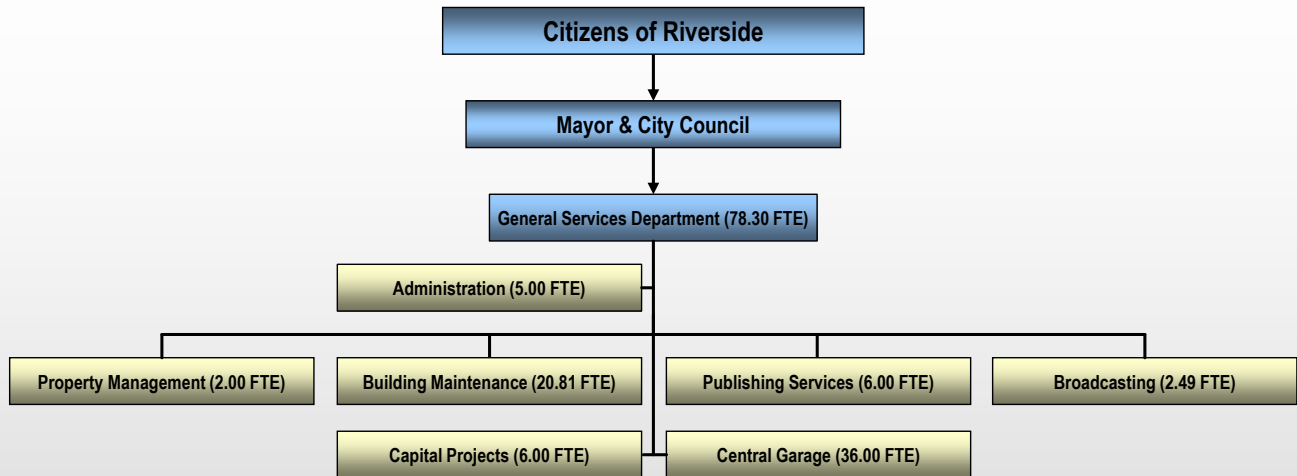

MISSION STATEMENT

The mission of the General Services Department is to provide timely, quality, and efficient services to all City departments in support of their departmental outcomes through Administration, Property Management, Fleet Management, Publishing, Building Maintenance, and Project Management Services.

GENERAL SERVICES DEPARTMENT

DEPARTMENT ORGANIZATIONAL CHART

PERSONNEL BY DIVISION

HISTORICAL PERSONNEL

GENERAL SERVICES DEPARTMENT

SERVICES PROVIDED BY DEPARTMENT

The General Services Department is responsible for providing support services to all City departments and includes the functions of Property Management, Building Services, Publishing, Broadcast Services, Capital Projects and Fleet Management. The cost of these services is allocated to user departments through the charges to/from or the Central Garage fund.

The Administration Division is responsible for providing leadership, administrative support, and fiscal management to enable the Divisions of the Department to achieve their goals.

The Building Services Division supports over 133 buildings and facilities located throughout the City through corrective and preventative maintenance programs as well as providing new facility design, construction specifications, and project management services for both new construction and existing building improvements.

The Fleet Management Division provides maintenance and repair services for the City's fleet of vehicles and equipment, writes specifications, and acquires new and replacement vehicles and equipment.

The Broadcast Services Division provides live and recorded programming all day, every day, to city cable subscribers. It focuses on governmental meetings and news events, but also offers various programs highlighting the many aspects of living and working in Riverside.

The Capital Projects Division facilitates new construction and rehabilitation of public development projects in various areas of the city. Other Divisions include the Property Management Division, which represents the City in the negotiation of leases and property management services, and the Publishing Services Division, which provides printing services to users throughout the City.

GENERAL SERVICES DEPARTMENT

DEPARTMENT GOALS

1. To research and develop an environmentally friendly approach to building maintenance at key City facilities, such as energy efficient lighting, use of recycled products, and low flush plumbing.
2. To research and develop environmentally friendly construction practices that implement supplemental energy sources, such as cool roofs, voltaic panels, water reclamation systems, and natural grading and bio swales for ground water clarification.
3. To provide capital projects that will assist in the development and enhancement of City facilities.
4. To support the advancement of mechanics' skills by continuing to promote the Automotive Service Excellence (ASE) Certification Program and continued recognition as a Blue Seal of Excellence shop.
5. To provide the Community with award-winning, timely programming about Riverside and its programs and projects on the GTV channel.

FISCAL YEAR 2011/12 DEPARTMENT ACCOMPLISHMENTS

Accomplishment	Related Goal	Related City Council Goal	Related Seizing Our Destiny Strategic Route
1 Completed the Corporation Yard facility renovation.	Goal #1 / Goal #2	Economic Development/ Livable Communities	Green
2 Won grants to promote air quality that offset the cost of Alternative Fuel Vehicles and infrastructure.	Goal #1 / Goal #2	Env. Leadership / Transportation / Livable Communities	Economy / Green / Community
3 Achieved replacement of the City Hall Domestic Water Pump (grant-funded).	Goal #1 / Goal #2	Environmental Leadership	Economy / Green
4 Completed renovation of the Hyatt Hotel.	Goal #1 / Goal #2 / Goal #3	Economic Development	Economy / Community
5 Completed Renovation of the Municipal Auditorium, Marcy Library and Municipal Metropolitan Museum.	Goal #1 / Goal #2 / Goal #3	Economic Development / Arts and Innovation	Creativity / Community
6 Achieved and maintained the ASE Blue Seal of Excellence Shop recognition.	Goal #4	Env. Leadership / Transportation	Learning / Green / Our Story
7 Increased broadcasting capabilities with live programming of events within the city, such as the State of the City, Festival of Lights and local athletic events.	Goal #5	Arts & Innovation	Entertainment / Recreation / Creativity / Community / Our Story
8 Won three STAR awards for GTV for excellence in government programming in California and Nevada in 22 categories.	Goal #5	Arts and Innovation / Economic Development	Our Story

GENERAL SERVICES DEPARTMENT

FISCAL YEAR 2012/13 DEPARTMENT OBJECTIVES

Objective	Related Goal	Related City Council Goal	Related Seizing Our Destiny Strategic Route
1 To complete renovation of the Magnolia Station Dispatch Data Center.	Goal #1 / Goal #2	Livable Communities	Community
2 To replace the HVAC system at the Utility Operations Center.	Goal #1 / Goal #2	Env. Leadership / Livable Communities	Community
3 To complete the design for the Main Library Renovation.	Goal #1 / Goal #2 / Goal #3	Economic Development / Env. Leadership / Livable Communities	Community / Learning
4 To complete the renovation of the Fox Entertainment Plaza.	Goal #1 / Goal #2 / Goal #3	Economic Development / Livable Communities / Arts and Innovation	Creativity / Our Story
5 To complete renovation of the downtown Fire Station.	Goal #1 / Goal #2 / Goal #3	Livable Communities	Community
6 To expand our alternative fuel infrastructure by installing an E85 fueling station.	Goal #1 / Goal #3	Env. Leadership / Transportation / Livable Communities	Economy / Green
7 To construct the Convention Center Renovation Project	Goal #2 / Goal #3	Economic Development	Economy / Green / Entertainment / Places
8 To complete the Special Transportation CNG Vehicle Repair Facility.	Goal #2 / Goal #3	Env. Leadership / Transportation / Livable Communities	Economy / Green / Entertainment / Places
9 To implement Wireless Automated Fueling (WAF) - requires no operator input when fueling vehicles, allows collection of vehicle information daily and tracks utilization information daily.	Goal #3	Env. Leadership / Transportation / Livable Communities	Economy / Green
10 To expand GTV programming while maintaining the quality/quantity of existing shows and increasing sponsorships.	Goal #5	Arts and Innovation / Economic Development	Our Story

SUMMARY OF SIGNIFICANT BUDGET ADJUSTMENTS – PRIOR YEAR TO CURRENT YEAR

Personnel Adjustments

1. One Air Conditioning Technician position was transferred from the Building Services Division to the Parks, Recreation, and Community Services Department.
2. The Capital Projects Division was added and staffed with existing personnel transferred from the Development Department.
3. Various vacant positions were unfunded as part of the strategy to balance the General Fund budget.

Other Adjustments

1. The increase in the special projects budget is primarily attributable to an increase in appropriations from cable television (PEG) revenue.
2. The increase in the charges to others budget is the result of the addition of the Capital Projects Division, which charges time to capital projects.

HUMAN RESOURCES DEPARTMENT

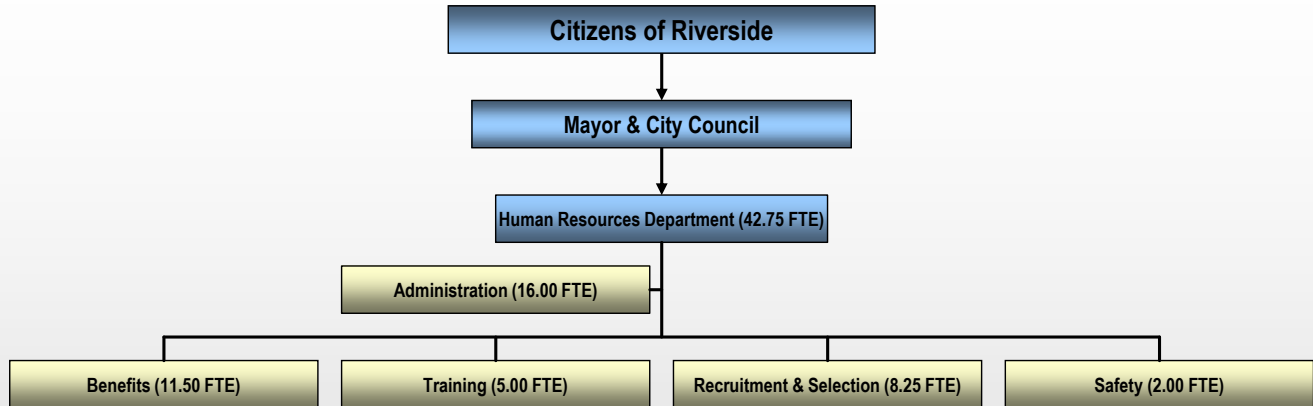

MISSION STATEMENT

The Mission of the Human Resources Department is to provide highly progressive personnel services as a business partner with City Departments and to offer the highest degree of professionalism and integrity to support a workforce that is representative of the community and free of discriminatory practices.

HUMAN RESOURCES DEPARTMENT

DEPARTMENT ORGANIZATIONAL CHART

PERSONNEL BY DIVISION

HISTORICAL PERSONNEL

HUMAN RESOURCES DEPARTMENT

SERVICES PROVIDED BY DEPARTMENT

The Human Resources Department balances service and regulatory requirements with responsibilities in critical areas including Benefits, Classification and Compensation, Employee and Employer Relations, Records Management and Employee Transactions, Recruitment and Selection, Training and Development, Municipal Volunteer Program, and Special Youth Job Training Programs. Our goal is to provide a safe and discriminatory free work environment for all – the workforce, prospective employees, and the community. Equally important, the Human Resources Department is to partner with Departments in meeting their multiple personnel, staffing, and related needs.

We are committed to providing quality service to our internal customers in order that they can fulfill their goals and objectives to the City Council and citizens of Riverside. We are equally committed to provide the workforce with training in order that they can meet the contemporary requirements of their respective positions and develop into the best employees they can possibly be. We assure employees an objective Human Resources Department to assist them in a multitude of personnel assistance and guidance needs they may have during their career with the City.

HUMAN RESOURCES DEPARTMENT

DEPARTMENT GOALS

1. To attract, test, and certify qualified applicants in a fair, open manner and in compliance with federal, state, and local regulations.
2. To ensure competitive salaries, proper classifications, well-designed career ladders, and comprehensive benefits for all employees.
3. To provide effective skill, supervisory, and professional development training for current and new employees including special programs designed to promote youth and community opportunities.
4. To provide administrative support services, policy direction, and leadership to achieve Citywide department objectives.
5. To negotiate, adopt, and administer agreements between the City and bargaining units and provide fair and consistent consultation services related to employee disciplinary matters.

SUMMARY OF SIGNIFICANT BUDGET ADJUSTMENTS – PRIOR YEAR TO CURRENT YEAR

Personnel Adjustments

1. The Safety Division was added with existing personnel transferred from the Office of the City Manager.
2. Various vacant positions were unfunded as part of the strategy to balance the General Fund budget.

Other Adjustments

1. The increase in the special projects budget is the result of transferred line items related to the Safety Division.

INFORMATION TECHNOLOGY DEPARTMENT

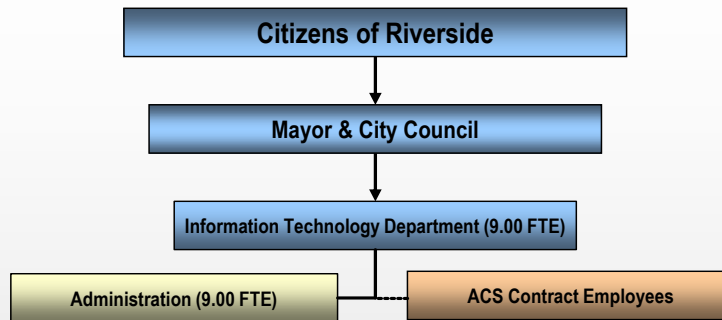

MISSION STATEMENT

The mission of the Information Technology Department is to work collaboratively with other member agencies and private partnerships to improve the quality of urban life in the City; achieve practical and reliable solutions to City problems, and optimize opportunities through information technology leadership and professional service; and provide an exciting, challenging, and rewarding environment where staff members derive satisfaction from continued professional growth, personal accomplishments, and the success of City of Riverside departments in meeting their operational and service objectives.

INFORMATION TECHNOLOGY DEPARTMENT

DEPARTMENT ORGANIZATIONAL CHART

PERSONNEL BY DIVISION

HISTORICAL PERSONNEL

INFORMATION TECHNOLOGY DEPARTMENT

SERVICES PROVIDED BY DEPARTMENT

The Information Technology Department is responsible for Citywide information system solutions and long-term strategic technology direction. Information Technology Officers are responsible for project management for all approved projects, assistance in identifying specific opportunities for automation, assistance in defining application requirements, releasing RFPs, evaluating proposals, and selecting the best solutions to meet the City's needs.

Network Services functions include management of the City's local and municipal area networks, including copper, fiber, and wireless; video surveillance; and telecommunication services. The group also assures adequate security measures are in place to protect the City's network from unauthorized access.

Systems and Operations Services functions include system administration, storage administration, and operation services including email. The group focuses on system design, disaster preparedness, conformance to standards, and maximizing system performance.

Application Services functions include selection and integration of new commercial-off-the-shelf (COTS) solutions, maintenance and upgrade of existing COTS solutions, analysis of existing business processes, proposing improved business processes, developing and maintaining the City's Internet and Intranet web pages, and providing Geographic Information System (GIS) services including the generation of complex maps for the City Council, management, and staff.

Client Services functions include help desk and desktop services - receiving problem and service calls, tracking and routing the calls to appropriate IT staff for timely resolution. The group supports replacement and installation of new desktop and laptop computers and standard desktop applications, such as Microsoft Office and Outlook.

INFORMATION TECHNOLOGY DEPARTMENT

DEPARTMENT GOALS

1. To maintain a state of the art technology infrastructure that provides high reliability and excellent customer service.
2. To improve operational efficiencies to reduce cost.
3. To integrate enterprise data to improve data accessibility and analysis.
4. To expand digital inclusion for all residents and reach over 5,000 families.
5. To provide more e-government (online) services and apps for our citizens and businesses as well as our employees that work in the field.

FISCAL YEAR 2011/12 DEPARTMENT ACCOMPLISHMENTS

Accomplishment	Related Goal	Related City Council Goal	Related Seizing Our Destiny Strategic Route
1 Created the Office of Economic Development website.	Goal #1	Economic Development	Creativity
2 Created the Explore Riverside Mobile Application.	Goal #1 / Goal #2 / Goal #3	Economic Development	Community / Our Story
3 Designed the Street Light Out for the 311 Mobile Application.	Goal #1 / Goal #2 / Goal #3	Economic Development	Community / Our Story
4 Created the GOEnforce Code Enforcement Application.	Goal #1 / Goal #2 / Goal #4	Livable Communities	Community / Our Story
5 Implemented automated web-based permit scheduling for Public Works.	Goal #1 / Goal #5	Arts & Innovation	Creativity
6 Over 5,000 families have benefited from the City's Digital Inclusion Program.	Goal #1 / Goal #4 / Goal #5	Economic Development	Community / Learning
7 Implemented the Portfolio Modeling System (Ascend Analytics) for Public Utilities.	Goal #2 / Goal #5	Environmental Leadership	Green
8 Completed Netmotion replacement of RadiolP for Police/Fire mobile devices.	Goal #5	Arts & Innovation	Creativity
9 Designed the iPad Paperless Agenda for City Council and the Public Utilities Board.	Goal #5	Arts & Innovation	Creativity

INFORMATION TECHNOLOGY DEPARTMENT

SUMMARY OF SIGNIFICANT BUDGET ADJUSTMENTS – PRIOR YEAR TO CURRENT YEAR

Personnel Adjustments

1. The Network Services, Systems and Operations Services, and Application Services Division personnel were consolidated into the Administration Division.

Other Adjustments

1. All of the non-personnel budgets in the various Divisions in the Department were consolidated into the Administration Division to reduce the complexity of the Department's budget.
2. The decrease in special projects is the result of a reduction to the budget for the citywide wi-fi program.
3. The decrease in equipment outlay and charges to others is the result of the removal of several large one-time costs in the prior fiscal year that was charged to an end-user department.

OFFICE OF THE CITY ATTORNEY

MISSION STATEMENT

The mission of the Office of the City Attorney is to provide excellent and ethical legal advice, effective legal representation, and other quality legal services for the City Council, City officers, and City employees in order that they may lawfully attain the City Council's goals and other department program outcomes without undue risk to the City.

OFFICE OF THE CITY ATTORNEY

DEPARTMENT ORGANIZATIONAL CHART

PERSONNEL BY DIVISION

HISTORICAL PERSONNEL

OFFICE OF THE CITY ATTORNEY

SERVICES PROVIDED BY DEPARTMENT

The role of the Office of the City Attorney is to represent and advise the City Council and all of the City's boards, commissions, officers, and employees in all legal actions or proceedings to which the City is a party. The Office of the City Attorney serves as general counsel to the Successor Agency of the City of Riverside. The Office of the City Attorney provides general legal services including, but not limited to, civil litigation defense and prosecutions; rendering of legal advice; preparation of various types of legal documents including ordinances, resolutions, agreements and security instruments; and representation of the City before various boards, commissions, and judicial tribunals. The members of the Office have varied expertise and represent their client departments in complex and challenging issues facing the City and its residents.

SUMMARY OF SIGNIFICANT BUDGET ADJUSTMENTS – PRIOR YEAR TO CURRENT YEAR

Personnel Adjustments

1. Various vacant positions were unfunded as part of the strategy to balance the General Fund budget.

Other Adjustments

1. The increase in the non-personnel budget is primarily attributable to correction of an error in the liability insurance budget line item from the prior year's budget.

HISTORICAL PERSONNEL

OFFICE OF THE CITY CLERK

SERVICES PROVIDED BY DEPARTMENT

The City Clerk's Office is organized around Legislative Services, Election Services, and Records Management. The Legislative Services Program provides administrative and technical support to the City Council and public through accurate and timely documentation and access to the official actions of the City Council in compliance with State and municipal requirements. The Elections Program administers the City's municipal elections and related activities for candidates and voters so that they may be guaranteed fair and impartial elections in compliance with State and municipal requirements. The Records Management Program preserves and protects the official records of the City for administrative departments and the public so that they may be guaranteed timely access to information and the legislative process in compliance with State and municipal requirements. The City Clerk's Office also operates a Passport Acceptance Facility.

OFFICE OF THE CITY MANAGER

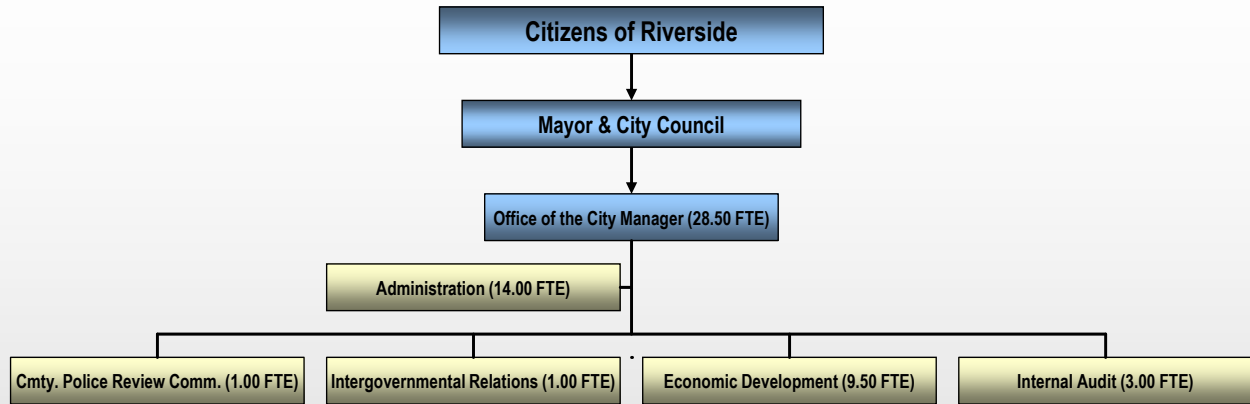

MISSION STATEMENT

The mission of the Office of the City Manager is to provide leadership, direction, and support to City Departments in implementing City Council Strategic Goals and directives, and to promote a City organization that is customer and results-focused in the provisioning of City services.

OFFICE OF THE CITY MANAGER

DEPARTMENT ORGANIZATIONAL CHART

PERSONNEL BY DIVISION

HISTORICAL PERSONNEL

OFFICE OF THE CITY MANAGER

SERVICES PROVIDED BY DEPARTMENT

The Office of the City Manager is responsible for carrying out the policies and goals formulated by the City Council and required by the City Charter through the provision of administrative leadership of the entire City organization. Functions include producing alternative solutions to community problems for City Council consideration, providing timely and accurate information regarding the City and its services to the public, and providing administrative direction to City Departments.

The Office of Economic Development is committed to providing the City Council with a forward-thinking, collaborative strategy to position Riverside as a leader in our "new economy." Building on the community vision established with Seizing Our Destiny, the Office of Economic Development will assist the City to fuel intelligent growth, be a catalyst for innovation, continue to be a location of choice, and become an increasingly unified city that leverages its people, partnerships and spirit. Simply put, the goal of economic development is to help businesses create jobs for our community and every City employee will have a role to play.

The Internal Audit Division provides the City Manager and Department Directors with independent, objective and useful information regarding the services and functions of the City.

The Intergovernmental Relations Division is responsible for ensuring the City Council's legislative priorities are communicated to community, state and federal partners and stakeholders.

The Community Police Review Commission independently reviews citizen complaint investigations, recommends changes in the Riverside Police Department policies, conducts on-going public outreach and when deemed appropriate, conducts independent investigations of citizen complaints.

PERSONNEL SUMMARY BY DIVISION

OFFICE OF THE CITY MANAGER

DEPARTMENT GOALS

1. To communicate and market the City's attributes in order to ensure its place as the economic and cultural powerhouse of the region and as a business-friendly city.
2. To work extensively on workforce and organizational development, including improving employer/employee relations, succession planning, and outreach to ensure a diverse and inclusive organization.
3. To continually refine the City's comprehensive legislative program, allowing the City to streamline responses to pending legislation and to work more closely with legislators on securing needed new legislation.
4. To attract, protect, and increase private investment to stimulate the economy and increase the number of jobs in the City.
5. To energize each City employee about economic development and their role on the "team".

OFFICE OF THE MAYOR

MISSION STATEMENT

The Office of the Mayor carries out a threefold mission. One, it provides leadership and works with the City Council in developing public policy that furthers the vision, and the reality, of Riverside as an exciting, diverse, urban, and successful city. Two, the Office of the Mayor provides leadership and support to residents by representing their interests within the City organization, bringing them to the table to work together on the City's issues and opportunities and communicating with them towards the shared vision. Three, the Mayor acts as the chief spokesperson and ambassador.

OFFICE OF THE MAYOR

DEPARTMENT ORGANIZATIONAL CHART

HISTORICAL PERSONNEL

OFFICE OF THE MAYOR

SERVICES PROVIDED BY DEPARTMENT

The Office of the Mayor provides services related to each of its main mission areas. The first is to provide leadership and work with the City Council to develop public policy. The Mayor's Office conducts best practices analyses, consults with the community, and proposes policy calls for adoption by the City Council and implementation by the City Manager. These policy proposals range widely, including neighborhood initiatives, clean and green projects, and high technology advances. The second is to take the lead in supporting residents and bringing them to the table to work together. The Mayor regularly forms working groups and taskforces to examine and make recommendations. And, the third is to act as the chief spokesperson and ambassador for the City at the local, region, state, and federal levels. The Mayor participates in leadership roles on Boards and Commissions including the California Air Resources Board, League of California Cities, National League of Cities, Southern California Association of Governments, and South Coast Air Quality Management District, to ensure that we have a strong intergovernmental voice in shaping the future of our City.

SUMMARY OF SIGNIFICANT BUDGET ADJUSTMENTS – PRIOR YEAR TO CURRENT YEAR

Personnel Adjustments

1. Two vacant positions were eliminated.

Other Adjustments

1. The increase in the non-personnel budget is primarily attributable to an increase in the professional services budget.

PARKS, RECREATION, AND COMMUNITY SERVICES DEPARTMENT

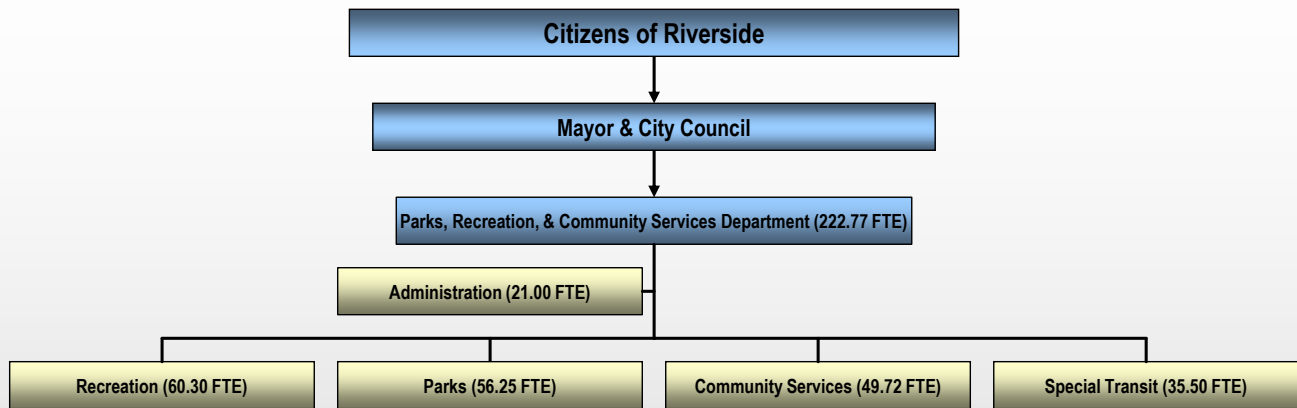

MISSION STATEMENT

The mission of the Parks, Recreation, and Community Services Department is to provide innovative recreational experiences and social enrichment opportunities to address the changing needs for people of all ages and cultures, in a variety of safe and attractive parks, trails, landscapes, and facilities.

PARKS, RECREATION, AND COMMUNITY SERVICES DEPARTMENT

DEPARTMENT ORGANIZATIONAL CHART

PERSONNEL BY DIVISION

HISTORICAL PERSONNEL

PARKS, RECREATION, AND COMMUNITY SERVICES DEPARTMENT

SERVICES PROVIDED BY DEPARTMENT

The Administrative Division is responsible for fiscal and personnel management. This Division is also responsible for grant administration and clerical support services, including the preparation of the Parks, Recreation, and Community Services Commission agenda and minutes. The Planning and Design program is responsible for the planning, design, and construction of an assortment of capital improvement projects, as well as providing Advance Planning and Plan Check services for the City's map review, building permit, and planning processes.

The Recreation Division and the Community Services Division provide opportunities for residents of all ages and abilities to enjoy a wide variety of recreation and human services programs. These programs offer opportunities for adult and youth team sports and activities; provide safe, wholesome, fun programs and facilities for family activities; strengthen the community image and create a sense of place; provide opportunities for physical exercise and social and emotional development; make available after school programs or programs for youth at risk; promote cultural unity and diversity; and offer service to the elderly, persons with disabilities, and low income populations. The recreation and community services programs are offered through the 11 community centers, 2 social service centers, 1 youth opportunity center, 7 pools, contract classes, mobile recreation programs, 24 after school program sites, and over 23 community-wide special events and 5 Citywide special events annually. Additionally, the Community Services Division oversees the Special Transportation Program, which operates and maintains a fleet of 25 minibuses. It is anticipated that this dial-a-ride service will transport over 15,000 senior and handicapped passengers per month.

The Parks Division is responsible for the maintenance of parks, facilities, and sports fields. In addition, the Division manages approximately 26 contracts totaling approximately \$3 million including swimming pools, janitorial services, park security services, backflow device testing and repair, landscape maintenance, and turf maintenance. The Division also manages the Parks volunteer program, provides special event support, and manages the parks tree maintenance program. The parks system is comprised of 55 parks totaling approximately 2,900 acres. Riverside's urban forest is home to over 50,000 park trees. This Division is also responsible for the development and maintenance of trails throughout the City. The Parks Division also provides skilled maintenance for the Department's infrastructure in the trades of carpentry, masonry, electrical, plumbing and metal fabrication, tractor operation, and irrigation system maintenance.

SUMMARY OF SIGNIFICANT BUDGET ADJUSTMENTS – PRIOR YEAR TO CURRENT YEAR

Personnel Adjustments

1. One Air Conditioning Technician position was transferred from the General Services Department.
2. 3.26 FTEs were added in the Recreation Division to enhance staffing for recreation programs.
3. Various vacant positions were unfunded as part of the strategy to balance the General Fund budget.

Other Adjustments

1. The increase in the debt service budget is the result of additional debt service associated with Riverside Renaissance projects.

POLICE DEPARTMENT

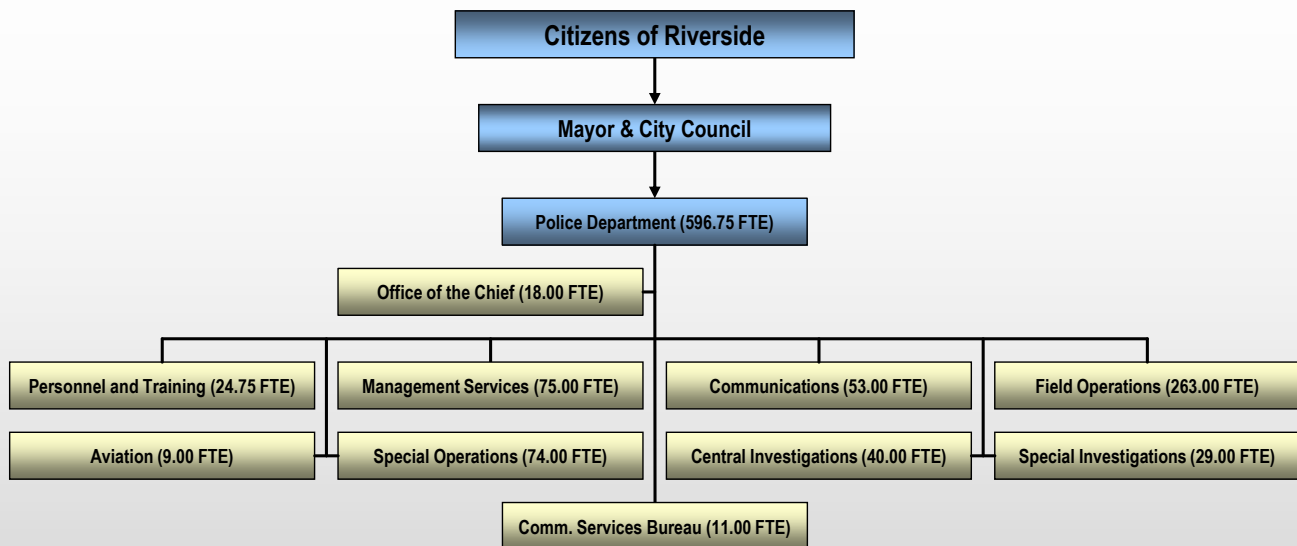

MISSION STATEMENT

The Riverside Police Department is dedicated to excellence as a law enforcement agency. We are committed to developing innovative solutions to the challenges we face and to becoming a leader in the police profession. We recognize our fellow employees and community as our most treasured assets. We dedicate ourselves to being part of the community we serve through improved communication, greater partnerships and a shared commitment to neighborhood safety. We embrace the principles of community policing, as we seek the participation of law-abiding citizens to reduce crime, the fear of crime and the perception of crime. We are committed to securing and maintaining public safety through the dedicated efforts of police officers and civilian employees who are trained and equipped to fight crime and foster public confidence in a respectful, efficient and ethical manner. We respect the Constitutional rights of all people to liberty, equality and justice.

POLICE DEPARTMENT

DEPARTMENT ORGANIZATIONAL CHART

PERSONNEL BY DIVISION

HISTORICAL PERSONNEL

POLICE DEPARTMENT

SERVICES PROVIDED BY DEPARTMENT

The Office of the Chief of Police includes department Administration, which provides policy development and leadership direction. The Chief's Office also includes the Intelligence Unit, which gathers and disseminates criminal intelligence information, and the Community Services Bureau.

The Community Services Bureau was established to strengthen the relationship between the community and the Police Department by providing a proactive and innovative approach to problem solving, personal safety, and crime prevention. Programs included are Citizen's Academy, Crime Free Multi Housing, Police Explorer Post 714, Neighborhood and Business Watch, Opportunity with Education (OWE), Teen 2 Teen, Traffic Education, the Volunteer Unit, and Youth Court.

The Support Services Division includes the Police Personnel Bureau, Training Bureau, Office of Internal Affairs and the Public Safety Communications Center. The Personnel Bureau conducts recruitments, background checks on applicants, manages issuance of police uniforms & equipment to employees and is the department's liaison to the City's Workers' Compensation Office and City Safety Officer. The Training Bureau has the primary responsibility for training all employees of the department which include sworn officers and civilian support staff. The Training Bureau also oversees the department's firing Range, Force Training Unit, Field Training Officer (FTO) Program, and the recently re-established Reserve Police Officer Program. The Office of Internal Affairs is responsible for investigating citizen complaints and internal misconduct involving department employees.

The Public Safety Communications Center is the primary answering point for all 9-1-1 emergency calls for the City of Riverside. Communications personnel are responsible for answering emergency and non-emergency calls and dispatching resources for Police, Fire, and Emergency Medical Services. Additional services include maintenance and administration of all radio system's infrastructure, emergency telephone communications, and FCC radio licenses.

Management Services provides business and support services for the Department, which include: Financial and Budget Management, Grants Administration, Court Services, Records Management, Property and Evidence Control, Special Permits, Fleet Services, Facilities Management, Crime Analysis, Alarm Enforcement, Data Entry, Public Counter Services, and the Telephone Report Writing Unit.

Field Operations is the largest division of the Department and is responsible for responding to in-progress calls, conducting criminal investigations, enhancing safety through traffic enforcement and education, special event coordination, resolving disputes and making arrests. This division includes the Watch Commanders, Traffic Bureau, Canine Unit, and the Galleria at Tyler.

Special Operations includes the following services: Four Neighborhood Policing Centers (NPCs), University Neighborhood Enhancement Team (UNET), the School Resource Officer Program, Aviation, Special Weapons and Tactics (SWAT), Multi-Enforcement Tactical Resource Officers (METRO), Technical Services Unit (TSU), Parole and Corrections Team (PACT), and Mobile Field Force. The Aviation Unit provides aerial support for ground operations in observing, preventing, and interdicting criminal activity. The Unit also provides support for rescue, fire spotting, and direct fire suppression by aerial application of water on non-structural fires.

The Centralized Investigations Bureau is responsible for conducting follow-up criminal investigations and preparing cases for prosecution. Investigations include homicides, officer involved shootings, assaults, armed robberies, sexual assaults, domestic violence, fraud cases, computer crimes, identity theft and graffiti vandalism. The Evidence Unit collects and processes seized evidence from crime scenes.

Special Investigations conducts investigations of cases involving drugs, vice activities, gangs, and narcotics. Special Investigations also oversees preliminary asset forfeiture activities and provides assistance to several Federal and State drug task forces.

POLICE DEPARTMENT

DEPARTMENT GOALS

1. To reduce crime, the fear of crime, and the perception of crime in our community.
2. To integrate the ideals of community policing throughout the department.
3. To develop and mentor personnel to ensure they are prepared to lead the department in the future.
4. To enhance the department's service to youth.
5. To achieve operational excellence and efficiency.

FISCAL YEAR 2011/12 DEPARTMENT ACCOMPLISHMENTS

	Accomplishment	Related Goal	Related City Council Goal	Related Seizing Our Destiny Strategic Route
1	Utilized funds from the DNA Cold Case Grant to help obtain arrests on two unsolved murders and one violent sexual assault.	Goal #1	Livable Communities	N/A
2	Made Forty-seven arrests for graffiti vandalism and \$76,619 in civil restitution was received.	Goal #1	Livable Communities	Community
3	Riverside experienced a 9.5% decrease in violent crime and a 12.9% decrease in motor vehicle theft since last year, a reduction more than twice the national average.	Goal #1	Livable Communities	N/A
4	Reinstituted the Parole and Corrections Team (PACT) to address the impact of AB 109.	Goal #1 / Goal #2	Livable Communities	Community
5	Enhanced the Volunteer program by creating a Mounted Enforcement Team.	Goal #1 / Goal #2	Livable Communities	Community
6	Reestablished two valuable RPD programs: Citizen's Academy with two graduating classes and Crime Free Multi-Housing with 90 new apartment communities completing the program.	Goal #1 / Goal #2	Livable Communities	Community
7	Awarded \$1.2 million in grants including \$570,000 from the Urban Area Strategic Initiative (UASI) to purchase a robot for bomb and critical incident response.	Goal #1 / Goal #5	Livable Communities	Community
8	Created the Riverside Police Foundation (RPF), a non-profit foundation that assists the police department with raising funds to help support community outreach programs geared towards a service to youth.	Goal #4	Livable Communities	Community
9	Created Opportunities With Education (OWE) an intervention/prevention program aimed to assist at-risk children and their families.	Goal #4	Livable Communities	Community

POLICE DEPARTMENT

FISCAL YEAR 2011/12 DEPARTMENT ACCOMPLISHMENTS (CONTINUED)

Accomplishment	Related Goal	Related City Council Priority	Related Seizing Our Destiny Strategic Route
10 Answered 448,021 incoming calls for service in the Public Safety Communications Center and processed 16,444 Emergency Medical Dispatching incidents.	Goal #5	Livable Communities	N/A

FISCAL YEAR 2012/13 DEPARTMENT OBJECTIVES

Objective	Related Goal	Related City Council Goal	Related Seizing Our Destiny Strategic Route
1 To expand the Vice Unit to enhance enforcement of illegal activity including prostitution, human trafficking and underage alcohol purchases.	Goal #1	Livable Communities	Community
2 To host the International Crime Free Multi-Housing Conference.	Goal #1	Livable Communities	N/A

SUMMARY OF SIGNIFICANT BUDGET ADJUSTMENTS – PRIOR YEAR TO CURRENT YEAR

Personnel Adjustments

1. The Community Services Bureau was created and staffed with personnel transferred from the Office of the Chief.
2. Various miscellaneous positions were reclassified or transferred within the Department.
3. Various vacant positions were unfunded as part of the strategy to balance the General Fund budget.
4. Several non-sworn positions were deleted that are no longer in use.

Other Adjustments

1. The increase in charges to others is the result of the reinstatement of a charge for 25% of the Communications Division to the Fire Department, which was discontinued in 2010/11. It has been determined that reinstating the charge better reflects the full cost of providing Fire Department services.

PUBLIC WORKS DEPARTMENT

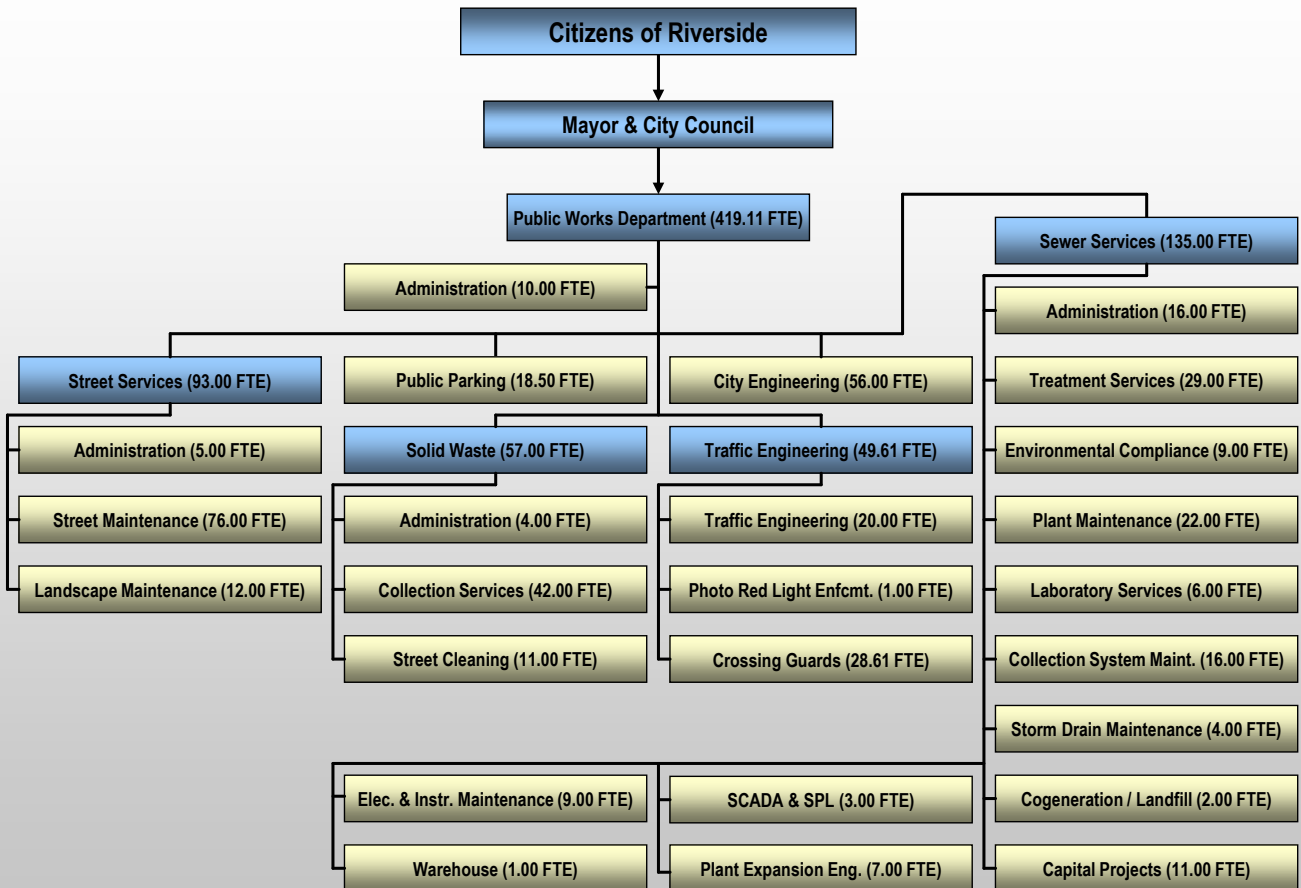

MISSION STATEMENT

The mission of the Public Works Department is to enhance the quality of life for City residents and businesses by operating and maintaining the City's street, trees, landscape, wastewater, storm drain, and refuse systems in the most effective, efficient, and responsible manner.

PUBLIC WORKS DEPARTMENT

DEPARTMENT ORGANIZATIONAL CHART

PERSONNEL BY DIVISION

HISTORICAL PERSONNEL

PUBLIC WORKS DEPARTMENT

SERVICES PROVIDED BY DEPARTMENT

The Public Works Department maintains, operates, and improves the City's infrastructure, including a 40 million gallon a day sewerage treatment plant, 1,000 miles of sewers, 870 miles of streets, 300 miles of storm drains, and 360 traffic signals.

Infrastructure facilities are maintained and improved to provide adequate capacity for future growth as well as efficient, cost effective service for existing customers. In addition, infrastructure improvements are constructed to beautify neighborhoods or improve safety and neighborhood livability.

The Department also provides solid waste collection, street maintenance, and construction inspection services. Approximately two thirds of all residential customers receive City solid waste services, with the remaining customers receiving service from a private waste hauler. All commercial customers are serviced by one of three private solid waste haulers. The Street Services Division actively addresses public health issues through street sweeping, storm drain cleaning, and vector control services. The Solid Waste Collection System includes enhancements through the Clean Up Riverside's Environment (C.U.R.E.) program. Department personnel also provide construction permitting, inspection, and plan checking services to assure compliance with City standards.

PUBLIC WORKS DEPARTMENT

DEPARTMENT GOALS

1. To improve and restore the aging infrastructure, including the urban forest and improve the quality of the City's neighborhoods.
2. To increase revenue sources.
3. To enhance employee satisfaction and obtain and retain qualified personnel.
4. To become a leader in environmental innovation.
5. To enhance employee safety and disaster preparedness.

FISCAL YEAR 2011/12 DEPARTMENT ACCOMPLISHMENTS

Accomplishment	Related Goal	Related City Council Goal	Related Seizing Our Destiny Strategic Route
1 Trimmed 14,360 street trees and 16,000 trees for utility line clearance.	Goal #1	Livable Communities	Our Story
2 Slurry sealed 9.14 miles and paved 4.45 miles by City workforce and 12.20 miles paved by construction contractors.	Goal #1	Livable Communities	Our Story
3 Removed 93,355 square feet of graffiti.	Goal #1	Livable Communities	Our Story
4 Completed the Magnolia Grade Separation Project.	Goal #1	Transportation	Our Story
5 Began a street improvement project on Van Buren Boulevard from Garfield to Wells.	Goal #1	Transportation	Our Story
6 Began a construction improvement project along BNSF Railroad Crossing Quiet Zone.	Goal #1	Transportation	Our Story
7 Awarded bicycle grants for projects on University Avenue and Canyon Crest Drive.	Goal #2	Livable Communities	Our Story
8 Prevented 9,500,000 pounds of debris from entering the Storm Drain System.	Goal #4	Environmental Leadership	Green
9 Collected 8,204,000 pounds of recyclable/bulky items and introduced recycling of light bulbs and batteries at Clean Up Riverside Environment (CURE) events.	Goal #4	Environmental Leadership	Green

PUBLIC WORKS DEPARTMENT

FISCAL YEAR 2011/12 DEPARTMENT ACCOMPLISHMENTS (CONTINUED)

	Accomplishment	Related Goal	Related City Council Priority	Related Seizing Our Destiny Strategic Route
10	Awarded a \$192 Million construction contract for the Water Quality Control Plant Expansion.	Goal #4	Environmental Leadership	Our Story

FISCAL YEAR 2012/13 DEPARTMENT OBJECTIVES

	Objective	Related Goal	Related City Council Goal	Related Seizing Our Destiny Strategic Route
1	To incorporate crack seal maintenance process for slurry sealed streets.	Goal #1	Transportation	Our Story
2	To begin Grade Separation construction projects on Iowa Avenue and Streeter Avenue.	Goal #1	Transportation	Our Story
3	To begin construction of the Van Buren Boulevard Improvements from Wells Avenue to Jackson Street.	Goal #1	Transportation	Our Story
4	To begin construction of the Main Street Improvements from First Street to 60 Freeway.	Goal #1	Transportation	Our Story
5	To complete the Quiet Zone project.	Goal #1	Transportation	Our Story
6	To implement a pavement rehabilitation and maintenance program.	Goal #1	Transportation	Our Story
7	To identify grant opportunities for tree planting and upgrade irrigation.	Goal #2	Livable Communities	Green
8	To implement an automated permit parking management system.	Goal #2	Transportation	Our Story
9	To develop a program for residents to dispose of needle/syringe (sharps).	Goal #4	Environmental Leadership	Our Story

SUMMARY OF SIGNIFICANT BUDGET ADJUSTMENTS – PRIOR YEAR TO CURRENT YEAR

Personnel Adjustments

1. Six positions were added in the Department to support critical programs.
2. Various vacant positions were unfunded as part of the strategy to balance the General Fund budget.

Other Adjustments

1. The decrease in equipment outlay is primarily attributable to a reduction in equipment and vehicle acquisitions in the Sewer Fund.
2. The increase in debt service is attributable to 1) principal payments beginning on the Series 2009 Sewer Revenue Bonds and 2) an accounting change to reflect debt associated with certain parking facilities directly in the Public Works Department budget rather than budgeting for the debt service in the Finance Department budget and allocating the costs.
3. The increase in capital outlay & grants is primarily attributable to an increase in the current year's cyclical, bond-funded Sewer Capital Improvement Program.
4. The decrease in charges to others is primarily attributable to the elimination of charges to the former Redevelopment Agency associated with City street crews constructing street capital improvement projects.

RIVERSIDE AIRPORT

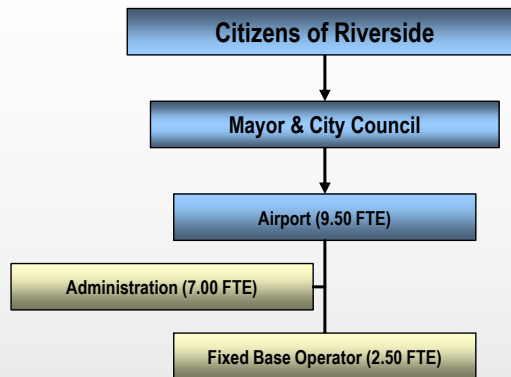

MISSION STATEMENT

The Riverside Airport is committed to providing public services that meet or exceed the expectations of the community, its tenants, and the flying public. This commitment includes operating and maintaining a safe, reliable, and efficient Airport, continuing an aggressive Capital Improvement Program, promoting aviation and all aeronautical activities, facilitating a business friendly environment, and providing outstanding customer service.

DEPARTMENT ORGANIZATIONAL CHART

PERSONNEL BY DIVISION

HISTORICAL PERSONNEL

RIVERSIDE AIRPORT

SERVICES PROVIDED BY DEPARTMENT

The Riverside Airport is comprised of 525 acres and has been serving our community for over 50 years. Originally designated as the Arlington Airport, Riverside Airport has since transformed itself from a single, dirt-runway "airfield" for light aircraft, into a corporate aviation and business Airport, unique through its services to the Inland Empire. Today, Riverside's main runway, over a mile in length, as well as its second cross-wind runway, serves the daily needs of general aviation aircraft including business jets. In fact in recent years the Riverside Airport has handled over 100,000 flight operations annually, making it one of the busiest Airports in the region.

The Airport has also become home to many community events, the largest of which is the annual Air Show that attracts over 70,000 people to this one-day spectacle. Other attractions include the Chamber of Commerce Casino Night and the RCC Monte Carlo Night in the Airport's terminal, Commemorative Air Force Formation Flying Clinic, and fly-ins of vintage aircraft throughout the year.

The City Council recently entered into a contract with Coffman Associates to update the Airport Master Plan. This update will assist the Riverside Airport to plan for the future by having the infrastructure and amenities in place that will allow for increased activity. An exciting hangar development on the west side of the Airport will be breaking ground in the very near future. This project will bring much-needed capacity to the Airport and should be attractive to high-end aircraft owners from Orange County and other surrounding communities. The Airport will continue to market itself to support businesses associated with the corporate jet segment of general aviation. While the Airport looks to expand the corporate jet presence at the Airport, it remains a goal to provide outstanding service to all segments of General Aviation.

SUMMARY OF SIGNIFICANT BUDGET ADJUSTMENTS – PRIOR YEAR TO CURRENT YEAR

Personnel Adjustments

1. None.

Other Adjustments

1. The decrease in charges from others is the result of a change to the cost allocation plan allocations for capital projects, which was implemented to reduce excessive allocations to the Airport resulting from an unusually high level of recent construction expenditures that will not continue.

RIVERSIDE METROPOLITAN MUSEUM

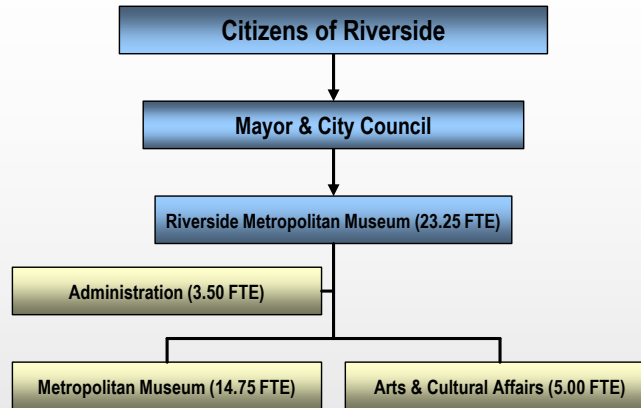

MISSION STATEMENT

The Riverside Metropolitan Museum is a center for learning and a community museum that collects, exhibits, and interprets cultural and natural history. In a rapidly changing community, the museum provides an understanding and appreciation of our region's legacy.

RIVERSIDE METROPOLITAN MUSEUM

DEPARTMENT ORGANIZATIONAL CHART

PERSONNEL BY DIVISION

HISTORICAL PERSONNEL

RIVERSIDE METROPOLITAN MUSEUM

SERVICES PROVIDED BY DEPARTMENT

The Riverside Metropolitan Museum provides stewardship of two National Register Historic buildings: the Main Museum (a downtown Italianate facility used to showcase the City's collections) and Heritage House (the Queen Anne style home of wealthy citrus widow Catharine Bettner located on Magnolia Avenue). Moreover, the Museum is steward of the National Historic Landmark Harada House, a premier symbol of the advancement of civil rights under the 14th Amendment to the Constitution of the United States. The Department is, most importantly, caretaker for a significant artifact collection of more than 80,000 objects representing the cultural & natural history of the region. The Department actively partners with the community and outside agencies & organizations to supply a wide array of services to the region including, but not limited to:

1. **A Free Public Museum:** featuring informative, aesthetic and continually changing exhibits that explore the rich heritage and exciting contemporary cultural mosaic of this region.
2. **Focus on Kidz:** a diverse offering of curriculum based school programs and activities for families relating to the Museum's exhibitions, including our newest program "Discovery Days" a weekly nature-study workshop for preschoolers & their parents.
3. **Riverside Metropolitan Museum's MYDP:** (Museum Youth Diversity Project): a project where high school students develop and facilitate workshops for elementary students and community organizations on issues of diversity and tolerance.
4. **Nature Lab:** an informal, hands-on, natural science learning center housing the only live-animal museum exhibit in the city.
5. **Harada House:** a National Historic Landmark embodying a major era in the advancement of civil rights and citizenship.
6. **Heritage House:** a National Register Site (1891) restored Victorian orange grower's estate home, located on Magnolia Ave.
7. **The Riverside Museum Associates (RMA) Multicultural Council:** A dynamic group that fosters the City's "Building a More Inclusive Community" philosophy and organizes the annual Family Village Festival (in its 10th year), which showcases the various cultures in the Riverside community.
8. **Museum Website:** featuring web access to Museum collections, online exhibits, and related topics of interest for teachers and Internet visitors.
9. **Significant Archival Reference Services** in the fields of Local History, Anthropology, Natural History, and the Life Science, Earth Science, and Botany of the region.
10. **An Increased Role as a "Cultural Anchor" in Riverside:** with continued collaborative leadership for community-based, citywide cultural programming efforts such as: ARTS WALK; Family Fun Day on First Sundays; Festival of Lights; and Day of the Dead.
11. **Museum Special Events** such as our Family Village Festival; Heritage House Chinese Moon Festival; "Music in the Gardens" event; Discovery Days; and exhibition receptions.
12. **Active Partner with Local Academic, Civic and Governmental Institutions:** including Smithsonian Affiliates Program; partnerships with UCR's and RCC's Federal Work-Study program; Riverside and Alvord Unified School Districts; The Inland Orange Conservancy; Riverside County Department of Public Health; Division 9 Gallery; Sherman Indian High School; California Council for the Humanities; and the Riverside Arts Council.

RIVERSIDE METROPOLITAN MUSEUM

DEPARTMENT GOALS

1. To provide exhibits, programs, and activities that will enhance visitor experience and promote awareness of the regions historic, cultural, and natural resources.
2. To expand museum communication to the community through use of social networking sites.
3. To enhance the museum docent/volunteer program.
4. To support museum archival management, facility, and management for future growth.
5. To collaborate with other city departments to secure grant funding for programs, services, and activities.

FISCAL YEAR 2011/12 DEPARTMENT ACCOMPLISHMENTS

Accomplishment	Related Goal	Related City Council Goal	Related Seizing Our Destiny Strategic Route
1 Expanded programming and lecture series for permanent and traveling exhibitions.	Goal #1	Livable Communities / Arts & Innovation	Entertainment
2 Launched two nationally recognized traveling exhibitions.	Goal #1	Livable Communities / Arts & Innovation	Entertainment
3 Opened exhibition funded by a grant from the National Museum of American Indian.	Goal #1	Arts & Innovation	Entertainment
4 Developed new museum brochure and calendar that is distributed regularly to museum visitors.	Goal #1	N/A	Creativity
5 Sustained programming and educational activities for school groups, ArtsWalk and First Sundays.	Goal #1	Arts & Innovation	Places / Creativity
6 Launched revised museum website and social networking site for RMM programs and events.	Goal #1/Goal #2	N/A	Creativity
7 Collaborated with Community Development Department on grant award project for Harada themed District and walking tour.	Goal #4	N/A	Entertainment / Creativity
8 Attended the annual Smithsonian Institution Conference.	Goal #5	N/A	N/A

SUMMARY OF SIGNIFICANT BUDGET ADJUSTMENTS – PRIOR YEAR TO CURRENT YEAR

Personnel Adjustments

1. The Metropolitan Museum division was created and staffed with personnel transferred from the Administration division.
2. The Arts & Cultural Affairs division was transferred from the Development Department.
3. Various vacant positions were unfunded as part of the strategy to balance the General Fund budget.

Other Adjustments

1. The increase in the non-personnel and special projects budgets is attributed to the transfer of the Arts & Cultural Affairs division.

RIVERSIDE PUBLIC LIBRARY

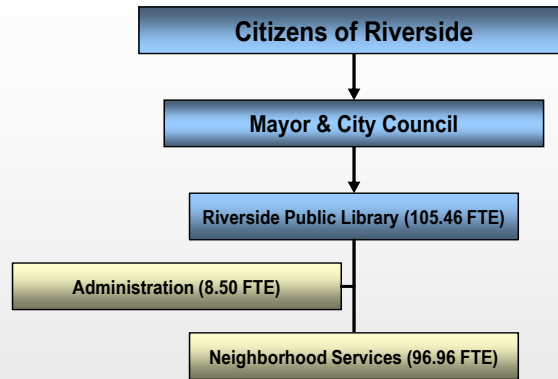

MISSION STATEMENT

The mission of the Riverside Public Library is to circulate books and other library resources, promote personal competency in seeking and evaluating information, and present quality programs in a welcoming environment to the residents of the City of Riverside so that they may become productive participants in the literate society.

RIVERSIDE PUBLIC LIBRARY

DEPARTMENT ORGANIZATIONAL CHART

PERSONNEL BY DIVISION

HISTORICAL PERSONNEL

RIVERSIDE PUBLIC LIBRARY

SERVICES PROVIDED BY DEPARTMENT

The Riverside Public Library supports the circulation of a collection of 1,230,000 items to over 300,000 active borrowers. The Library delivers its services through the Downtown Library and seven neighborhood branches: Arlanza, Arlington, Casa Blanca, Eastside, La Sierra, Marcy, and Orange Terrace.

The Literacy program actively recruits volunteer tutors to support adult learners and their young families. Other volunteers deliver library materials to incapacitated adults and registered family child care providers through Home Bound Service. The Library enhances local service with reciprocal borrowing agreements through the Inland Library System.

RIVERSIDE PUBLIC LIBRARY

DEPARTMENT GOALS

1. To create safe and attractive public spaces.
2. To cultivate library use by residents, with an emphasis on youth.
3. To serve as a local government and local business resource.
4. To serve as the Riverside technology center.
5. To serve as a Cultural Arts and Literacy Center, with a focus on special collections.

FISCAL YEAR 2011/12 DEPARTMENT ACCOMPLISHMENTS

Accomplishment	Related Goal	Related City Council Goal	Related Seizing Our Destiny Strategic Route
1 Continued the development of a building program for a new Downtown Library.	Goal #1	Livable Communities	Learning
2 Successfully developed and delivered cultural arts and literacy programming for youth and adults supported by grant funds and through partnerships with nonprofit organizations.	Goal #1	Livable Communities / Arts and Innovation	Learning / Creativity
3 Sustained partnership with local colleges and universities in providing homework related assistance.	Goal #2	Livable Communities	Learning
4 Effectively promoted electronic educational resources to students with over 2,018 users.	Goal #2	Livable Communities	Learning
5 Developed Early Learning programs and services at the Marcy Library while receiving additional \$12,000 in grant funding.	Goal #2	Livable Communities	Learning
6 Continued to expand the Library volunteer program with number of volunteers at 201, and 20,039 hours worked in the year.	Goal #2	Livable Communities	N/A
7 Developed themed library programs that specifically highlighted the cultural, historical, and technological components of each library neighborhood.	Goal #3	Livable Communities / Arts and Innovation	Learning / Entertainment

RIVERSIDE PUBLIC LIBRARY

FISCAL YEAR 2012/13 DEPARTMENT OBJECTIVES

	Objective	Related Goal	Related City Council Goal	Related Seizing Our Destiny Strategic Route
1	To continue the development of a building program for the new Downtown Library.	Goal #1	Livable Communities	Learning
2	To increase the development of the volunteer program by creating additional opportunities for people to contribute their valuable skills in addition to assisting with shelving materials.	Goal #2	Livable Communities	N/A
3	To enrich Early Learning programs at each of the libraries that use manipulative, technology, and learning resources to enhance children's early development.	Goal #2	Livable Communities	Learning
4	To enhance themed library programs that specifically highlight the cultural, historical, and technological components of each library neighborhood.	Goal #2	Livable Communities / Arts and Innovation	Learning / Entertainment
5	To enhance access to library resources for all residents via technological resources.	Goal #2 / Goal #4	Livable Communities	Learning
6	To develop resources and programming for small businesses and residents seeking employment or the enhancement of career related skills through partnerships with Workforce Development and local businesses.	Goal #3	Economic Development	Economy / Workforce
7	To continue partnering with local colleges and universities in providing homework related assistance.	Goal #3	Livable Communities	Learning
8	To promote electronic educational resources to students.	Goal #4	Livable Communities	Learning
9	To sustain cultural arts and literary programs through partnerships with nonprofit organizations.	Goal #5	Livable Communities / Arts and Innovation	Creativity

SUMMARY OF SIGNIFICANT BUDGET ADJUSTMENTS – PRIOR YEAR TO CURRENT YEAR

Personnel Adjustments

1. Various vacant positions were unfunded as part of the strategy to balance the General Fund budget.

Other Adjustments

1. The increase in charges from others is the result of the new accounting strategy to be utilized in fiscal year 2012/13 to account for Measure I expenditures. The increase is offset by an equivalent amount in charges to others for a net budgetary impact of \$0.

RIVERSIDE PUBLIC UTILITIES

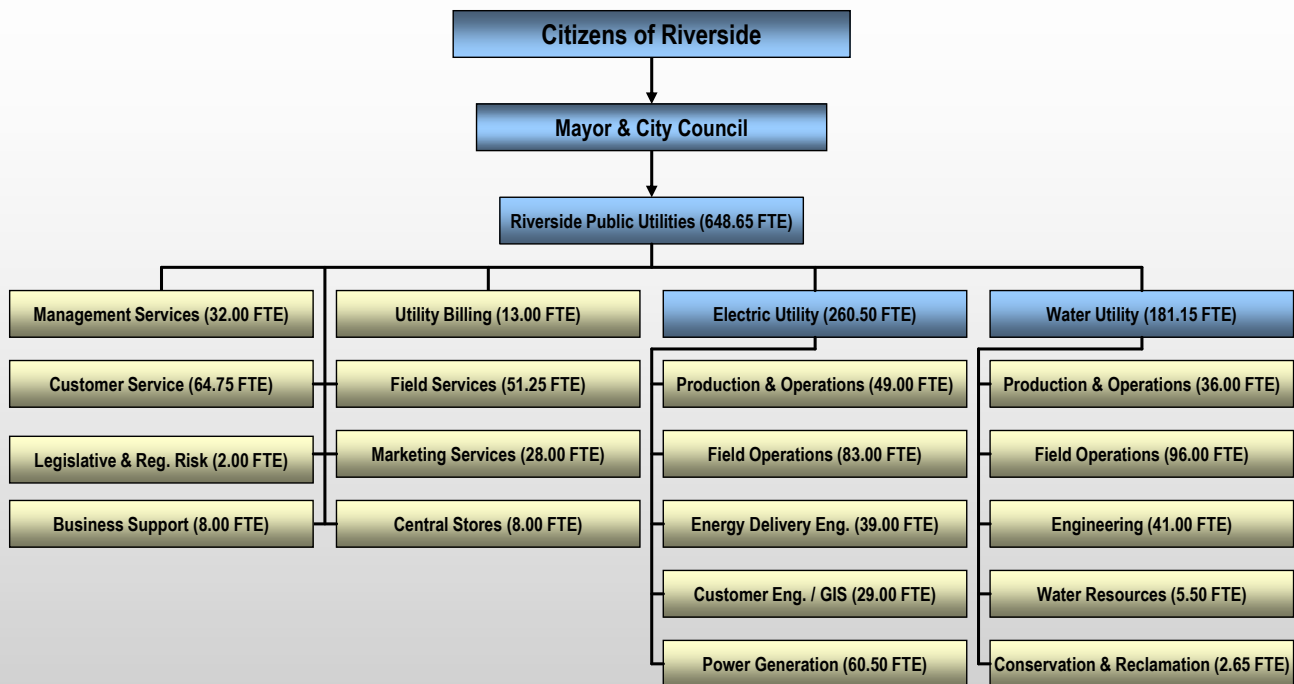

MISSION STATEMENT

Riverside Public Utilities is committed to the highest quality water and electric services at the lowest possible rates to benefit the community.

RIVERSIDE PUBLIC UTILITIES

DEPARTMENT ORGANIZATIONAL CHART

PERSONNEL BY DIVISION

HISTORICAL PERSONNEL

RIVERSIDE PUBLIC UTILITIES

SERVICES PROVIDED BY DEPARTMENT

Electric – Riverside Public Utilities provides electric service to 106,800 metered customers, with a service area population of approximately 308,500, encompassing 82 square miles. Riverside Public utilities owns, maintains, and operates 91 circuit miles of transmission lines, 1,308 circuit miles of distribution lines, 14 substations, and three generating plants totaling 265.5 megawatts.

The Electric Utility contributes a portion of its operating revenues to the City's General Fund. For FY 2012/13, this is estimated to be approximately \$34.4 million. This money is essential for providing needed public services, such as library books, street repairs, park maintenance, and increased public safety.

The Electric Utility acts competitively, by providing the highest quality, reliable utility services for our customers at the lowest rates possible to benefit the community, while maintaining a financially sound utility. Compared to other local utilities, Riverside's rates are lower, reliability is higher, and more funds are returned to the local community in the way of low income assistance, rebates, and community support. The Electric Utility is committed to renewable power, energy and water conservation, and community education. The most notable achievement is the commitment to an aggressive Renewable Portfolio Standard which will provide 50% of retail needs being served with renewable energy by 2013. Also proposed and currently in the environmental review stage is the Riverside Transmission Reliability Project (RTRP), the largest capital project in the history of Riverside Public Utilities, which will provide needed energy resources to the city while improving reliability to all customers.

Water – The Water Utility is responsible for providing adequate water supplies to its customers at the lowest possible cost. This includes assuring continued access to water resources while maintaining a high quality water supply and a reliable water distribution system. In addition, several significant water line replacements have been completed along with two water transmission main replacement projects. The replacement of Evans Reservoir (increasing capacity to 108 million gallons) has passed the half way mark and several projects were planned in support of keeping Riverside "water independent" and free of reliance on imported water supplies while ensuring improved reliability.

The Water Utility services 64,300 metered customers, with a service area population of approximately 308,500. The Water Utility maintains its own distribution system, which contains approximately 1,002 miles of pipeline ranging from 2 inches to 72 inches in diameter, 52 domestic wells, 15 active reservoirs (with a capacity of 92 million gallons) and 14 miles of canals in Riverside.

The Water Utility contributes a portion of its operating revenues to the City's General Fund, which is estimated to be approximately \$6.4 million for 2012/13.

RIVERSIDE PUBLIC UTILITIES

DEPARTMENT GOALS

1. To contribute to the City of Riverside's economic development while preserving RPU's financial strength.
2. To maximize the use of technology to improve utility operations.
3. To positively impact legislation and regulations at all levels of government.
4. To develop and implement a recycled water program.
5. To secure a second connection to the state electric transmission grid.

SUMMARY OF SIGNIFICANT BUDGET ADJUSTMENTS – PRIOR YEAR TO CURRENT YEAR

Personnel Adjustments

1. Nine positions were added across the Department in support of various programs.
2. Two positions were transferred out of the Department to the General Fund, with an offsetting increase in charges from others.
3. Other miscellaneous positions were reclassified or transferred within the Department.

Other Adjustments

1. The increase in the special projects budget is primarily attributable to an increase in the Electric Public Benefits budgets. Variations in appropriations for Public Benefits programs are normal year-to-year.
2. The decrease in the Equipment Outlay budget primarily relates to above average levels or purchases of new vehicles and equipment in the Field Operations Sections of the Electric Utility and the Water Utility in the prior year.

NON DEPARTMENTAL

PURPOSE

The Non Departmental budget represents activities that are not budgeted within a specific General Fund department. These items are typically large in nature, are required to be funded, and are therefore not subject to budget cuts. As a result, they are budgeted here in Non-Departmental in order to avoid inflating the General Fund budgets of other Departments.

NON DEPARTMENTAL

BUDGET SUMMARY BY SECTION

	Actual 2009/10	Actual 2010/11	Budgeted 2011/12	Budgeted 2012/13	Change
CM - Economic Development	1,100,000	1,100,000	1,100,000	1,500,000	36.36%
GS - Magnolia Property	27,286	80,291	85,000	85,000	0.00%

CAPITAL IMPROVEMENT PROGRAM SUMMARY

CAPITAL IMPROVEMENT PROGRAM SUMMARY

Capital Improvement Program Defined

The City's Capital Improvement Program (CIP) is a multi-year planning instrument that drives the evaluation and identification of capital infrastructure projects in need of renovation, repair, and/or construction. Capital projects range from road maintenance or construction to the renovation of municipal buildings, recreation centers, and ball fields, to water main and sewer repair. The CIP relates these projected capital needs to the financial sources that will support their realization and the timeframe in which both the financing and work will take place. Capital improvement programming is the process by which these capital projects are identified, prioritized, and selected, and thus are incorporated into the long-range fiscal and strategic planning of the City. The CIP document is designed to report to the City Council, the public, City staff, and other interested parties the capital management and planning strategies of the City.

Benefits of the Capital Improvement Program

Capital improvement programming links short and long-range general plans with growth, public and private development, and the annual budgetary process. In this way, the CIP attempts to achieve the goals and objectives of the City's residents, a variety of boards and commissions, and the City Council. The CIP carries the following primary benefits:

- Focuses attention on Citywide priorities and citizen expectations
- Provides a concrete implementation framework for the General Plan, Citywide Strategic Plan, and Visioning Report
- Fosters inter-departmental coordination of City infrastructure investments
- Promotes accountability for the long-term planning and investment of public funds for large-scale public purposes

Capital improvement projects typically carry considerable future impact, meaning that they have a life span of at least five years or more. They are often, but not always, financed over a longer period of time, in effect spreading the cost of the project across generations of users. In this sense, the choices made for how a project will be paid for is not only a financial question of fiscal capacity and prudence, but a philosophical issue as well.

Perhaps the greatest benefit of having a Capital Improvement Program is that the process focuses attention on improving or constructing the capital improvements necessary for providing the services and facilities expected by the residents and businesses of the City of Riverside, both today and tomorrow.

The CIP and the City's Annual Operating Budget

In order to reap the benefits of focused attention paid to long-term planning for capital projects, the Capital Improvement Program is for the most part developed separately from the City's Annual Operating Budget. However, the approval of the CIP does not signal appropriation of funds. Rather, the CIP serves as a planning instrument for both budgeting and infrastructure development. Appropriations are made for capital projects when the City Council approves the annual budget for the City.

The Capital Improvement Program document is different from the annual budget as it sets forth a five-year program. The first year's program contains projects that are included in the proposed Annual Operating Budget for the upcoming fiscal year. The remaining four years reflect staff's recommended priorities for the future and are reviewed and revised annually by the City Council.

Development and Adoption of the CIP

The development of the City's Capital Improvement Program occurs over approximately a six month period. The City Manager's Office initiates the CIP process by providing a preparation guide and schedules to the relevant departments. The schedules and project lists are reviewed at the departmental level and updated accordingly.

The development of the City's Capital Improvement Program is to a certain extent decentralized. This means that although the CIP is coordinated through the Finance Division of the City Manager's Office, individual departments are responsible for fully developing their individual Capital Improvement Programs. This is accomplished by identifying needs, performing appropriate fiscal and environmental impact analyses, conducting legislative and environmental scans to ensure that the CIP is current, acquiring input from various stakeholders, and selecting the final projects for consideration. Each

CAPITAL IMPROVEMENT PROGRAM SUMMARY

department then submits its CIP to the City Manager's Office.

The City Manager's Office evaluates the individual Capital Improvement Programs for consistency with the Citywide Strategic Plan, the General Plan, and citizen input. The City Manager's Office then finalizes the proposed Capital Improvement Program for preliminary City Council review and conceptual approval. Projects for which conceptual approval has been attained are inserted into the Operating Budget and proposed for adoption in May or June of each year.

Amending the Capital Budget

At any Council meeting after the adoption of the budget, the City Council may amend or supplement the budget by motion adopted by the affirmative votes of at least five members. This vote authorizes the transfer of unused balances appropriated for one purpose to another purpose or to appropriate available funds not included in the budget.

CIP Program Sections

Capital projects are grouped into ten program sections in the Capital Improvement Program. They are:

- Municipal Buildings and Facilities
- Parks, Recreation, and Community Services
- Transportation
- Grade Separations
- Sewer

- Storm Drain
- Refuse
- Public Parking
- Airport
- Electric
- Water

Municipal Buildings and Facilities

The Municipal Buildings and Facilities program includes expenditures for Departments that are not described in other sections of the CIP. Such projects include Police and Fire stations, Libraries, the Museum, the Municipal Auditorium, and the Convention Center. Projects of a recurring nature such as parking lot repaving and facility painting are also included in the Municipal Buildings and Facilities CIP, even for Departments described elsewhere in this document.

Parks, Recreation, and Community Services

The Parks, Recreation, and Community Services program includes projects to construct, maintain, and upgrade parks, game courts and fields, medians, community centers, and recreation buildings.

Transportation

The Transportation program includes projects to extend and widen streets, street resurfacing, construction of curbs, gutters, center medians, bikeways & pedestrian facilities, right-of-way acquisition, and traffic signal improvements.

CIP DEVELOPMENT PROCESS TIMELINE

CAPITAL IMPROVEMENT PROGRAM SUMMARY

Grade Separations

The Grade Separations program includes projects that grade separate the intersections of City streets with the BNSF and Union Pacific railroads as well as other, related rail projects.

Sewer

The Sewer program includes projects to increase system capacity for new users, replace aging or obsolete systems, and meet new regulatory requirements.

Storm Drain

The Storm Drain program includes projects that either eliminate a nuisance flow or provide additional flood protection.

Refuse

The Refuse program includes projects to meet the State mandate that the closed Tequesquite landfill not pollute the nearby Santa Ana River and adjacent groundwater.

Public Parking

The Public Parking program includes projects to construct new parking facilities and to improve existing facilities.

Airport

The Airport program includes projects to maintain the Airport, to improve safety, and to comply with Federal Aviation Administration (FAA) standards and regulations.

Electric

The Electric program includes projects to construct additions to the City's electric infrastructure and to maintain existing facilities.

Water

The Water program includes projects to construct additions to the City's water infrastructure and to maintain existing facilities.

Funding Sources

The City employs a combination of approaches to fund its capital projects. For many smaller improvement projects, funds are appropriated from cash on hand. Large-scale capital projects are funded through a variety of methods, including long-term financing, user fees, proceeds from bond issues, grants, assessments, impact fees, tax levies, certificates of participation (COPs), and reserve balances.

Since the City's various Departments are budgeted within numerous Funds, each potentially with multiple revenue streams, the funding sources are greatly varied and the process decentralized.

The Funds in which capital improvements are budgeted and the various funding sources that provide revenue to these Funds are described below by CIP program section. General Fund revenue sources are not described, due to the complex nature of sources providing revenue to the General Fund. The General Fund's major support comes from sales tax, property tax, fees for services rendered, the utility users tax, and transfers from the Electric and Water Funds. General Fund projects are budgeted on an availability of funds basis and funded from annual revenues.

In addition to the typical projects outlined in the CIP, this year's CIP includes numerous projects funded through the Riverside Renaissance Initiative. These projects will be funded by a diverse set of revenues including Certificates of Participation, land sale proceeds, and Redevelopment Agency funds.

Municipal Buildings and Facilities

Projects included in the Municipal Buildings and Facilities CIP are funded primarily from the General Fund (101). In certain cases, projects are funded from other Funds when a project impacts a non-General Fund Department (such as Public Utilities). In all cases other than certain Riverside Renaissance Projects, these projects are funded from annual revenues. Major revenue sources include:

- General Fund Revenues – General Fund revenues allocated to capital projects
- Other Fund Revenues – revenues allocated to minor capital projects from other City Funds

Parks, Recreation, and Community Services

Capital expenditures for the Parks, Recreation, and Community Services Department are budgeted in the General Fund (101), the Local Parks Fund (411), and the Regional Parks Fund (413). Neighborhood park improvements are funded through the Local Parks Fund, while regional park improvements are funded through the Regional Parks Fund. Major revenue sources include:

CAPITAL IMPROVEMENT PROGRAM SUMMARY

- General Fund Revenues – General Fund revenues allocated to capital projects
- Development Fees – portions of fees charged when property is developed that are dedicated to the funding of local and regional parks and recreation facilities

Local Park Fee and Regional Park Fee revenues are dependent on development. Therefore, the CIP only shows projects as funded for which fee revenues are already available or that are annual funding obligations. As funding becomes available, the Parks, Recreation, and Community Services Department requests that the City Council appropriate funds for projects contained in the Unfunded Capital Projects list. Projects are not programmed based on anticipated revenues.

Transportation & Grade Separations

Capital expenditures for the construction and improvement of transportation infrastructure are budgeted in the General Fund (101), the Special Gas Tax Fund (230), the Capital Outlay Fund (430), the Measure A Fund (432), the Transportation Development Impact Fees Fund (433), and the Transportation Uniform Mitigation Fees Fund (434). The allocation of revenues to the 230, 430, 432, 433, and 434 Funds is complex and is dictated by various regulations that are not important for the purposes of the CIP. In the detailed tables found in the Transportation program section of this document, these five funds are shown commingled, though in actuality specific revenues described below will be allocated to specific Funds. Revenue sources include:

- Signal Mitigation Fees – a City funding source generated from portions of fees charged when property is developed that are dedicated to funding new and upgraded traffic signals
- Transportation Impact Fees – a City funding source generated from portions of fees charged when property is developed that are dedicated to funding local transportation capacity improvements
- Measure A Sales Tax Revenue – a City and County funding source generated from Riverside County's half-cent sales tax dedicated to transportation projects that is allocated directly to the City of Riverside as well as through the Riverside County Transportation Commission
- Transportation Uniform Mitigation Fees (TUMF) – a regional funding source generated from portions of fees charged when property is developed that are dedicated to funding regional transportation capacity improvements
- State Gas Tax Revenue – revenue generated by the State's tax on gasoline sales that is dedicated to local transportation capacity improvements
- State Proposition 42 Revenue – revenue generated by additional gas tax revenues allocated to transportation projects by voter initiative
- State Proposition 1B Revenue – revenue generated by the sale of bonds authorized by voter initiative for transportation improvements
- Congestion Mitigation and Air Quality (CMAQ) Improvement Program – a Federal funding program authorized by the Intermodal Surface Transportation Efficiency Act (ISTEA) that provides grants primarily for traffic signal projects, transportation demand management projects, and transit projects
- Surface Transportation Program (STP) – a Federal funding program authorized by ISTEA that includes two funding mechanisms – one is a population formula program where local agencies receive funds for transportation improvement projects according to their respective populations and the other provides grants for projects that reduce traffic congestion, improve transportation circulation, and maintain transportation infrastructure
- Surface Transportation Program Local (STPL) – STPL is similar to STP, except that funds are dedicated to local street improvements
- Demonstration (DEMO) Funds – allocations of STP funds for specific projects earmarked by congress
- Congressional Earmarks – project-specific appropriations made by congress to fund transportation capacity improvements
- California Public Utilities Commission Grade Separation Program – a funding program administered by the California Public Utilities Commission that provides funding for railroad grade separations

CAPITAL IMPROVEMENT PROGRAM SUMMARY

- Railroad Funds – private funding from the Union Pacific and BNSF railroads to assist with the construction of railroad grade separations

Sewer

Capital expenditures for the construction and improvement of the City's sewer system are budgeted in the Sewer Fund (550), which is an enterprise fund. In addition to capital expenditures, operational expenditures related to the City's sewer system are budgeted in the Sewer Fund. Revenue sources include:

- Sewer Connection Fees – fees charged when property is developed that are dedicated to the funding of sewer infrastructure projects
- Service Charges – funds transferred from the Sewer Service Fund that are generated from service charges to users of the City's sewer system
- Community Services District (CSD) Payments – payments from Community Services Districts for which the City provides sewage treatment services
- State Revolving Loans – low interest loans provided by the State to fund capital improvements
- Bond Proceeds – proceeds from the sale of revenue bonds

Storm Drain

Capital expenditures for the construction and improvement of storm drains are budgeted in the Storm Drain Fund (410). Revenue sources include:

- Storm Drain Fees – fees charged when property is developed that are dedicated to the funding of storm drain infrastructure projects

Refuse

Expenditures for the maintenance of the City's closed landfill are budgeted in the Refuse Collection Fund (540), which is an enterprise fund. No refuse-related capital expenditures are planned. Revenue sources for maintenance of the landfill include:

- Landfill Capping Surcharge – fee assessed to users of City commercial refuse disposal services

Public Parking

Capital expenditures for the City's Public Parking facilities are budgeted in the Public Parking Fund (570), which is an enterprise fund. Revenue sources include:

- Rent Revenues – revenue from rented facilities
- Garage, Lot and Meter Fees – fees charged for parking
- Parking Fines – fines assessed for parking violations
- Bond Proceeds – proceeds from the sale of revenue bonds

Airport

Capital expenditures for the Riverside Municipal Airport are budgeted in the Airport Fund (530), which is an enterprise fund. The Federal Aviation Administration (FAA) will fund up to 95 percent of eligible projects. And, under the California Department of Transportation (CALTRANS) Division of Aeronautics' grant program, the City can apply for 2.5 percent matching funds for FAA-approved projects. Revenue sources include:

- Rent Revenues – revenue from rented facilities
- Landing & Tie Down Fees – fees assessed on aircraft operating at and based at the Airport
- Fuel Sales – revenue from the sale of fuel purchased from the Airport
- Fuel Flowage Fees – fees charges on fuel purchased at the Airport
- Non-Commercial Aircraft Tax – funds generated from taxes imposed on non-commercial aircraft
- CALTRANS Grants – grant proceeds received from the Division of Aeronautics
- Airport Improvement Program (AIP) Grants – grant proceeds received from the FAA

Electric

Capital expenditures for the City's Electric Utility are budgeted in the Electric Fund (510), which is an enterprise fund. Revenue sources include:

- Electric Rates – revenue from rates
- Contributions In Aid of Construction – funding contributions by private parties
- Bond Proceeds – proceeds from the sale of revenue bonds

CAPITAL IMPROVEMENT PROGRAM SUMMARY

Water

Capital expenditures for the City's Water Utility are budgeted in the Water Fund (520), which is an enterprise fund. Revenue sources include:

- Water Rates – revenue from rates
- Contributions In Aid of Construction – funding contributions by private parties
- Bond Proceeds – proceeds from the sale of revenue bonds

Overview of the CIP

The five-year Capital Improvement Program amounts to \$774,402,894. For FY 2012/13, capital improvement projects totaling \$373,966,691 will be undertaken to expand and maintain the infrastructure within the City of Riverside. Descriptions of each project, as well as the related revenues and expenditures, can be found in the individual program sections of the CIP. Summary information can be found in the tables on the following pages.

Unfunded Capital Projects

In addition to the \$774 million five-year funded CIP, unfunded capital project needs currently total \$549 million. The unfunded projects are included in the Electric, Water, Transportation, Grade Separation, Parks, Recreation, & Community Services, and Municipal Buildings & Facilities CIP Sections. In the case of the Parks, Recreation, and Community Services CIP, the majority of the unfunded projects will be funded in the latter four years of the CIP. The Parks, Recreation, and Community Services Department does not show projects as funded until funding is in place. As a result, there are always projects listed on the unfunded project list that are anticipated to be funded before the conclusion of the five-year period covered by the CIP.

Transportation and Grade Separation expenditures in the funded CIP are considerable. However, the current needs still outweigh available resources and \$241 million is still unfunded. The unfunded or partially unfunded transportation projects include seven significant street widening projects, two major median construction projects, and five grade separations. In the case of many of these projects, a sizable portion of the projects' cost is anticipated to be funded with non-City funds. Each unfunded project is described in the individual program

sections of the CIP. Summary information can be found in the tables on the following pages.

Summary Tables

The following tables provide a high-level overview of the citywide five-year Capital Improvement Program.

CAPITAL IMPROVEMENT PROGRAM SUMMARY

Budgeted Projects and Budgetary Impacts

The table below and on the facing page summarizes the programmed capital projects for fiscal year 2012/13. The majority of these projects are budgeted in the Annual Budget document. However, in some cases, certain projects may not be budgeted in the Annual Budget. These projects are either still sufficiently preliminary in nature not to warrant inclusion in the budget or are dependent on third party funding. Such projects will be brought before the City Council to request supplemental appropriations later in the fiscal year.

The table also outlines the anticipated project-specific recurring budgetary impacts of each proposed capital project for fiscal year 2012/13. The recurring budgetary impact of a capital project is the anticipated project-related increase to the City's budget in the first fiscal year

following completion of the project. These expenditures include additional personnel, operations and maintenance expenditures, recurring capital outlays, and capital debt service. For example, a new Community Center will likely require additional staff, as well as funding for utilities, maintenance, and other similar costs.

The potential budgetary impact of any proposed capital project is carefully considered as part of the capital improvement program review process. Many projects are related to maintenance for and replacements of existing City facilities and infrastructure, such as street and utility improvements or facility repairs and enhancement. These types of projects do not create significant budgetary impacts. Many of the smaller budgeted projects are components of cyclical replacement programs and also do not create significant budgetary impacts.

CAPITAL PROJECTS AND BUDGETARY IMPACTS

NOTE: Personnel Services in this table includes minor liability insurance allocations assigned to each position that would actually be budgeted in a non-personnel account. Those amounts are included in the personnel services column to provide a better understanding of whether increased costs are personnel-related.

CAPITAL IMPROVEMENT PROGRAM SUMMARY

The fiscal year 2012/13 Capital Improvement Program is anticipated to create an additional \$25,000 in annual operating expenses for the City. Specifically, street rehabilitation projects are anticipated to result in additional maintenance expenditures associated with removal, replacement, and overlay of deteriorated pavements on arterial roadways. The major projects listed will be replacing other, existing facilities with operations and maintenance budgets already in place and therefore are not anticipated to have a budgetary impact. Other, more routine, capital projects are also not anticipated to have a significant impact on the operating budget because they are cyclical in nature.

Major Non-Routine Capital Projects

The fiscal year 2012/13 Capital Improvement Program anticipates several major non-routine capital projects. These projects are described in greater detail in the City's Capital Improvement Program document. Briefly, a description of these projects is provided below.

Riverside Avenue/UPRR Grade Separation

This project will construct an underpass along Riverside Avenue at the Union Pacific railroad tracks at a total cost of \$34.1 million. The project will also include modifications to Tipperary Way, Elizabeth Street, and Trinity Court. This project is not anticipated to have an impact on future operating budgets.

Streeter Avenue UPRR Grade Separation

This project will grade separate Streeter Avenue at the Union Pacific railroad tracks at a total cost of \$39.1 million. The project will lower Streeter Avenue under the railroad tracks, and construct two bridges to carry the railroad tracks and Dewey Avenue across Streeter Avenue. This project is not anticipated to have an impact on future operating budgets.

BNSF Quiet Zone/Buchanan to Jane and Mission Inn, Third, and Spruce

These projects will establish a Quiet Zone along the BNSF Railroad from Buchanan Street to Jane Street and at Mission Inn Avenue, Third Street, and Spruce Street at a total cost of \$21.0 million. This project is not anticipated to have an impact on future operating budgets.

WQCP Phase I Plant Expansion

This project will expand the City's Water Quality Control Plant to provide capacity enhancements as well as replace/upgrade existing, older facilities at a total cost of \$289.1 million. This project may ultimately have an impact on future operating budgets, though any increased costs associated with the expanded facility will likely be offset by savings associated with the retirement of the oldest components of the existing facility.

Expanded Gage Exchange

This Proposition 50-funded project will design and construct an intertie between the Riverside Canal and the Gage Canal at a total cost of \$9.2 million. This project is not anticipated to have an impact on future operating budgets.

PERSONNEL DETAIL

PERSONNEL DETAIL

The Personnel Detail serves as the central point of position control for tracking all authorized positions throughout the City. A citywide summary is provided on the following two pages. The detailed pages that follow list each authorized full-time and part-time position by Department and Section.

All positions, both full and part-time, are shown in Full-Time Equivalents (FTE). A Full-Time Equivalent (FTE) is defined as a position that works 2,080 hours per fiscal year. For example, a full-time employee who works 2,080 hours per year would equal 1.00 FTE. A part-time employee who works 1,040 hours per fiscal year would equal 0.50 FTE.

For each authorized position, the following fields are shown in the pages that follow:

1. GL Key – The General Ledger Key for the home Section of the position.
2. PCN – The Position Control Number for the position, which is made up of the following three components:
 - a. Loc – The Location for the position, which is uniquely related to the GL Key for the Section.
 - b. Job – The position's Job Code, which is uniquely related to the position title.
 - c. Type – The position's Assignment Number, which represents the type of position and

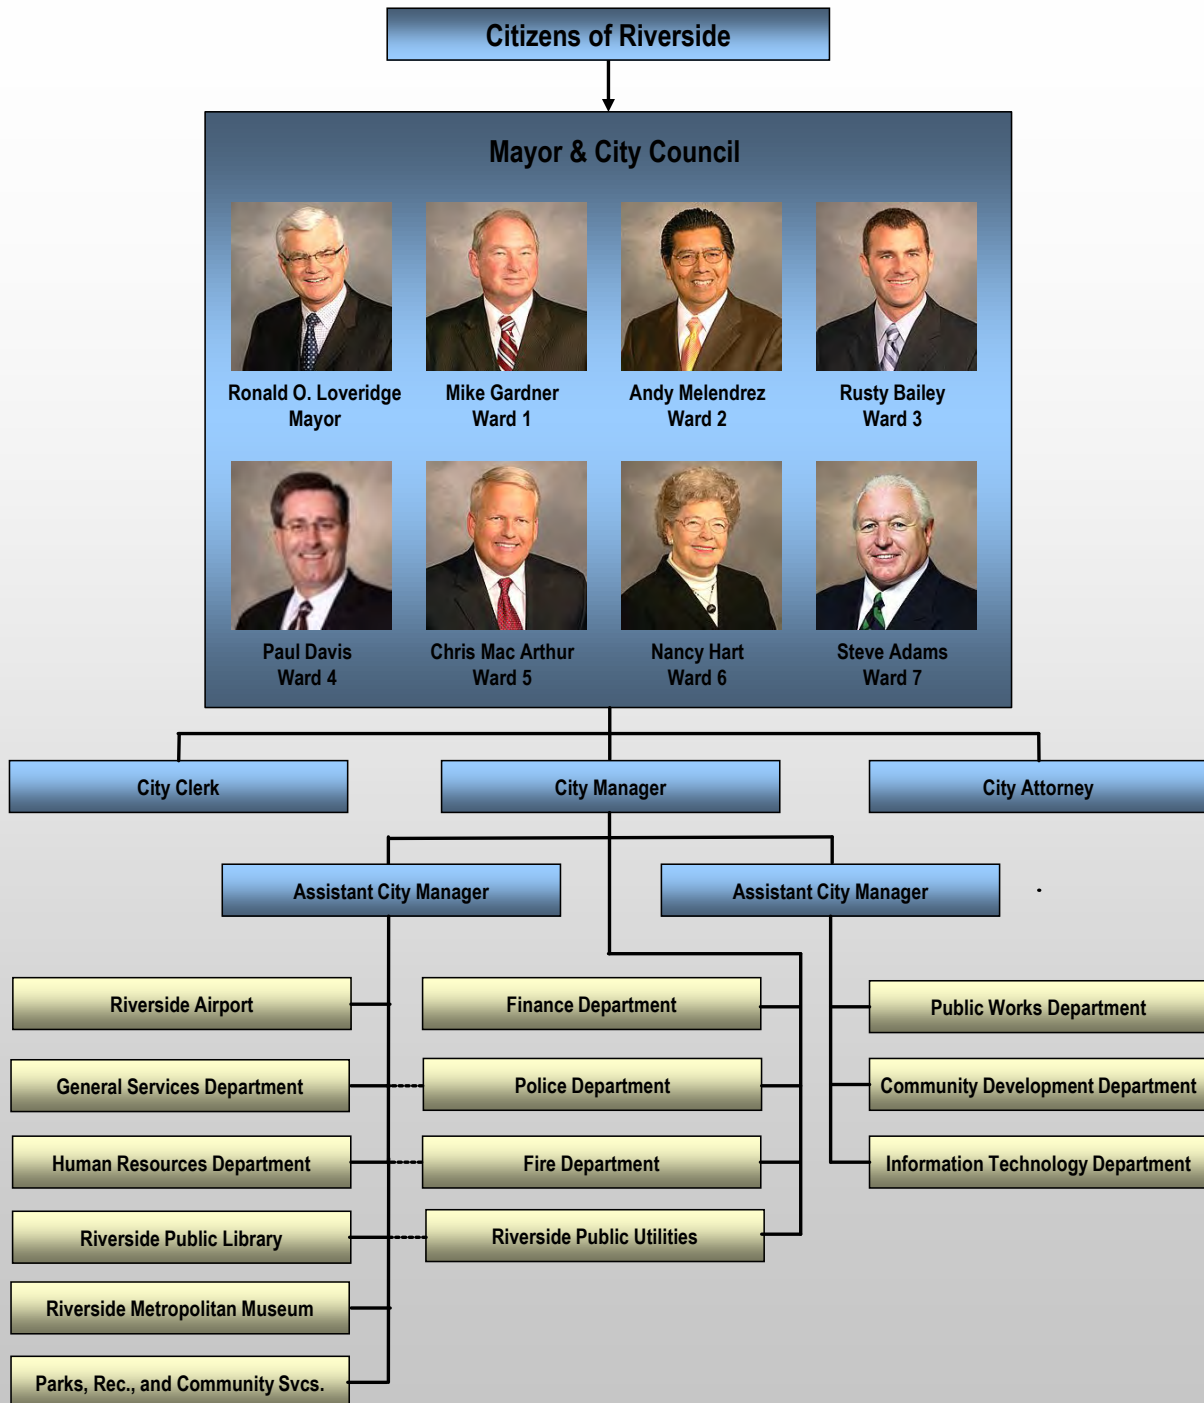

related benefits: F for full-time, benefited; T for $\frac{3}{4}$ time, benefited; H for $\frac{1}{2}$ time, benefited; and N for part-time, non-benefited.

3. Description – The position's job title.
4. Footnotes – References to footnotes describing changes between the current year's Annual Budget and the prior year's Annual Budget.
5. Authorized 2011/12 – The total FTE count for each position authorized at the time of adoption of the prior year's Annual Budget.
6. Proposed 2012/13 (Authorized) – The total FTE count for each position to be authorized following adoption of the current year's Annual Budget.
7. Proposed 2012/13 (Funded) – The total FTE count of positions that are currently funded for each authorized position.

The Personnel Detail is updated to reflect City Council actions that have taken place since the previous year's Annual Budget was adopted, as well as any changes proposed by the City Manager through the budget development process. Position changes previously approved by the City Council will be indicated in the footnotes by the date of the Council action. All other additions, deletions, transfers, or reclassifications are proposed and will become authorized upon the adoption of the Budget by the City Council. All positions that are to be deleted are vacant unless otherwise noted.

GLOSSARY OF TERMS

GLOSSARY OF TERMS

Accrual Basis of Accounting

The basis of accounting by which revenues are recorded when earned and expenditures are recorded as soon as they result in liabilities for benefits received.

Appropriation

A specific amount of money authorized by the City Council for an approved work program or individual project.

Assessed Valuation

A dollar value placed on real estate or other property by Riverside County as a basis for levying property taxes.

Balanced Budget

A budget in which planned expenditures do not exceed planned funds available.

Basis of Budgeting

Budgets are adopted on a basis consistent with accounting principles general accepted in the United States of America. Annual appropriated budgets are adopted for all departments within the general, special revenue and capital projects funds.

Beginning/Ending Fund Balance

Unencumbered resources available in a fund from the prior/current year after payment of the prior/current year expenses.

Bond

A certificate of debt issued by an entity, guaranteeing payment of the original investment, plus interest, by a specified future date.

Budget

An annual financial plan that identifies revenues, types and levels of services to be provided, and the amount of funds that can be spent. The City of Riverside's budget encompasses one fiscal year.

Budget Calendar

The schedule of key dates or milestones, which the city follows in the preparation and adoption of the budget.

Budget Message

A general discussion of the preliminary/adopted budget presented in writing as part of, or supplement to, the budget document. Explains principal budget issues against the background of financial experience in recent

years and presents recommendations made by the City Manager.

CalPERS

The California Public Employees Retirement System, which is the agency providing pension benefits to all City employees.

Capital Expenditures

Typically are expenditures related to major construction projects such as roads, buildings, and parks. These expenditures are typically capitalized and depreciated over time.

Capital Improvement Program

A multi-year financial plan containing proposed construction of physical assets, such as park, street, sewerage, cultural, and recreation facilities. This program has identified all projects, which are the responsibility of the City between the present to build out.

Capital Projects

Projects that purchase or construct capital assets. Typically a capital project encompasses a purchase of land and/or the construction of a building or facility.

Capital Outlay

Equipment (fixed assets) with a value of \$5,000 or more (or \$1,000 for electronic equipment) and an estimated useful life of more than one year, such as automobiles and office furniture, which appear in the Operating Budget.

Central Services Fund

A fund that provides services to all City departments and bills the various other funds for services rendered. Examples of Central Services Funds include Finance, Human Resources, and General Services.

Community Development Block Grants (CDBG)

Funds established to account for revenues from the federal government and expenditures as prescribed under the Community Development Block Grant program.

Comprehensive Annual Financial Report (CAFR)

Financial report organized by fund, which provides a balance sheet that compares assets with liabilities and fund balance. The CAFR is also an operating statement that compares revenues with expenditures.

GLOSSARY OF TERMS

Contingency

An appropriation of funds to cover unforeseen events that occur during the fiscal year, such as federal mandates, shortfalls in revenue, and similar eventualities.

Council-Manager Form of Government

An organizational structure in which the Mayor and City Council appoint an independent City Manager to be the chief operating officer of a local government. In practice, a City Council sets policies and the city manager is responsible for implementing those policies effectively and efficiently.

Continuing Appropriations, or Carryovers

Funding approved in the current budget but not expended during a particular fiscal year. These appropriations are carried forward into the next fiscal year for their original intended purpose.

Cost Allocation

A method used to charge General Fund overhead costs to other funds, such as enterprise funds and internal service funds.

Debt Service

The payment of principal and interest on borrowed funds, such as bonds.

Department

An organizational unit comprised of programs or divisions. Examples include the Police Department, Library, and Human Resources Department.

Encumbrance

A legal obligation to expend funds for an expenditure that has not yet occurred.

Enterprise Fund

A fund type established to account for the total costs of selected governmental facilities and services that are operated similar to private enterprises.

Equipment Outlay

A category of expenditures that captures purchases of capital equipment, such as furniture, vehicles, large machinery, and other items.

Estimate

Represents the most recent estimate for current year revenue and expenditures. Estimates are based upon

several months of actual expenditure and revenue experience and consider the impact of unanticipated price or other economic factors.

Expenditure

The actual spending of funds set aside by appropriation for identified goods and services.

FBO

A fixed base operator, which is the location on an airport that services and provides fuel to private aircraft.

Fee

A general term used for any charge levied by government for providing a service or performing an activity.

Fines, Forfeitures, and Penalties

Revenue category that contains monies resulting from violations of various City and state laws, and from damage to City property.

Fiscal Year

A twelve-month period of time designated as the budget year. The City of Riverside's fiscal year is July 1 to June 30.

Full-Time Equivalent (FTE)

A position converted to the decimal equivalent of a full-time position based on 2,080 hours per year. For example, a part-time Typist Clerk working 20 hours per week would be equivalent to one-half of a full-time position, or 0.50 FTE.

Fund

A set of inter-related accounts to record revenues and expenditures associated with a specific purpose.

Fund Balance

The amount of financial resources in a given fund that are not restricted to fund existing commitments and are therefore available for any use permitted for the fund.

GANN Limit (Proposition 4)

Under this article of the California Constitution, the City must compute an annual appropriation limit that states a ceiling on the total amount of tax revenues the City can appropriate annually.

GLOSSARY OF TERMS

Generally Accepted Accounting Principles (GAAP)

Uniform minimum standards used by state and local governments for financial recording and reporting that have been established by the accounting profession through the Governmental Accounting Standards Board (GASB).

General Fund (101)

The primary fund used by the City for which revenues and expenditures are not legally restricted for use. Examples of departments operating within the General Fund include Fire, Police, and City Manager.

Governmental Accounting Standards Board (GASB)

The Governmental Accounting Standards Board (GASB) was organized in 1984 by the Financial Accounting Foundation (FAF) to establish standards of financial accounting and reporting for state and local governmental entities. Its standards guide the preparation of external financial reports of those entities.

Grant

Contributions of cash or other assets from another governmental agency or other organization to be used or expended for a specific purpose, activity or facility.

HUD

The United States Department of Housing and Urban Development.

Infrastructure

Facilities that support the daily life and growth of the City, for example, roads, water lines, and sewers.

Interfund Transfers

A transfer of funds between departments/ funds for specific purposes as approved by the appropriate authority.

Internal Service Funds

A fund for financing and accounting for a department's (or division's) work for other fund transfers.

Levy

To impose taxes, special assessments, or charges for the support of city activities.

Licenses and Permits

Revenue category that accounts for recovering costs associated with regulating business activity.

Mission Statement

A broad statement that describes the reason for existence of an organization or organizational unit, such as a department.

Non-Personnel Expenses

Expenditures related to professional services and supplies.

NPDES

The National Pollution Discharge Elimination System, which is a permitting process with which the City is required to comply to ensure that storm water runoff is not contaminated.

Objective

Describes an outcome to be accomplished in specific well defined and measurable terms and is achievable within a specific timeframe. Generally, departmental programs have objectives.

Ordinance

A formal legislative enactment by the governing board (City Council) of a municipality. If it is not in conflict with any higher form of law, an Ordinance has the full force and effect of law within the boundaries of the municipality to which it applies.

Operating Budget

The annual appropriation of funds for on-going program costs, which include salaries, benefits, maintenance, operation, and capital outlay items.

Performance Measures

Statistical measures, which are collected to show the impact of dollars, spent on city services.

PERS

The California Public Employees Retirement System, which is the agency providing pension benefits to all City employees.

Personnel Expenses

An expenditure category that captures expenses related to employee compensation, such as salaries and fringe benefits. Personnel expenses include salaries, pensions, retirement, special pay, and insurance for full-time and part-time employees of the City.

GLOSSARY OF TERMS

Preliminary Budget

A balanced budget presented to the City Council by the City Manager. Any City Council changes to the preliminary Budget are incorporated into the final adopted budget.

Program

Represents major areas or support functions; defined as a service provided to citizens, other departments, or other agencies.

Request for Proposals

A written solicitation issued by a Using Agency which generally describes the Goods or Services sought to be Procured by the City, sets forth minimum standards and criteria for evaluating proposals submitted in response to it, generally describes the format and content of proposals to be submitted, provides for negotiation of terms and conditions of the Procurement Contract and may place emphasis on described factors other than price to be used in evaluating proposals.

Revenues

Funds received from the collection of taxes, fees, permits, licenses, interest, and grants during the fiscal year.

RORF

A Redevelopment Obligation Retirement Fund, which is a requirement of the legislation dissolving California Redevelopment Agencies. The assets and liabilities of each former Redevelopment Project Area are now housed in individual RORFs.

Routine Fund Balance Change

A routine fund balance change is one that occurs year-to-year due to the nature of the fund. For example, the City's Central Garage Fund routinely has fluctuations in available fund balance as a result of periodic acquisitions of vehicles. For those funds where changes greater than 10% are frequent, the specific reasons for the change are not discussed in the Annual Budget in detail.

Schedule

A summary of expenditures, revenues, positions, or other data that reflects funding sources and spending plans of the budget and capital improvement programs.

SEIU

The Service Employees International Union, which is the union representing the majority of the City's non-public safety and non-management employees.

SERAF

References the Supplemental Education Revenue Augmentation Fund, to which the City was required by the State to contribute various funds to assist in balancing the State budget. Certain Low and Moderate Income Housing Funds were loaned to make the payment, which will be repaid over several years.

Special Project

An account created for operating expenditures that relate to a specific project or program and should therefore be segregated from general expenditures in the Section housing the Special Project.

Special Revenue Funds

Revenues received that have specific purposes for which they are earmarked.

Transfers

Authorized exchanges of money, positions, or other resources between organizational units or funds.

Transient Occupancy Tax (TOT)

A tax that is levied on occupants of hotel and motel rooms in the City.

VLF

Vehicle license fees, which are collected by the State of California when vehicles are registered with the California Department of Motor Vehicles and distributed to various public agencies, including the City.
