To whom it may concern,

This letter is to notify you that American Medical Response (AMR) is the **sole** ambulance provider licensed and franchised to **provide all levels of transport including ALS, BLS and CCT** in the City of Riverside.

The City of Riverside recently awarded medical transport franchise agreements to Care, Mission, Cavalry and AmeriCare ambulance companies **for BLS and CCT services only**.

We anticipate that Care Ambulance will start providing non-emergency services in the city beginning February 6, 2015; that Mission and Cavalry will start providing non-emergency services in the city beginning February 14, 2015; and that AmeriCare will start providing non-emergency services on March 7, 2015.

Please note that the new franchisees are not approved to provide these services until the anticipated start date listed.

If you have any questions, please contact me at (951) 826-5321.

Sincerely,

Michael D. Moore
Fire Chief
