
**CITY OF RIVERSIDE FIRE DEPARTMENT
EXPLORER POST 101**

Section: 1 Number: 1015

SUBJECT: Chapter Criteria

**Effective Date: 01/12
Review Date: 01/13**

POLICY:

One page for each chapter assigned or topic unless otherwise instructed. Reports should be typed, summarizing in detail, ways to apply the key points and skills that were acquired. Another option is to utilize bullets, but it must show what the Explorer has gained from doing this assignment. Also, chapters cannot be repeated until the Explorer has completed the IFSTA once, and at that point he/she will start it all over again. The chapters are not a punishment; it is to keep a pace so the explorer doesn't fully lose out from not being able to attend a meeting.
