EXPLORING THE INN: WATERCOLOR BUTTERFLIES Mission Inn Museum

Join the Mission Inn Museum as we bring you an inside look at Riverside's own Mission Inn Hotel & Spa! This month we will explore Mission Inn founder Frank Miller's commitment to the natural environment and his friendship with many activists and scientists, including John Muir. Mr. Muir founded the Sierra club and worked for his whole life to preserve nature. He visited the Mission Inn twice and even helped workers on Mt. Rubidoux decide what kind of trees to plant to preserve the mountain. To celebrate nature and the great outdoors, we will be creating colorful butterflies made with special paper that creates amazing effects with watercolor paints!

LET'S CELEBRATE SPRING! Fox Riverside Theater Foundation on the mall***

Join the Fox Riverside Theater Foundation in celebrating the last month of Spring. We will host an arts and crafts activity where kids of all ages will have the opportunity to make umbrellas, lady bugs, snails, frogs, snakes, fishes, birds, and wind twirlers all made with colorful paper plates, crayons, ribbon and markers. As always, the wonderful UCR Women in Science club will be joining us by hosting an arts and crafts activity that brings science and art together. We can't wait to see you all there!

FRUITLANDIA Riverside Art Museum

Join RAM for some fresh fun! Help create a paper sculpture of a crazy fruit tree with all your favorite fruits that will be on exhibition at RAM this summer. Make cool fruit prints using apples, oranges, and more to take home! We will also be celebrating Cinco de Mayo with the story of "La Mariposa" and a stirring tale of the Battle of Puebla by storyteller Karen Rae Kraut. You'll be provided with rhythm instruments and body percussion to join in the performance. Angela Peñaredondo and Josh Smith, UCR Gluck Fellows, will lead kids of all ages in a First Sunday button-making extravaganza at RAM. Join them in making personalized drawn and collaged buttons.
